Responsible Stewardship Of Gods Creation:

Caring for Creation Calvin B. DeWitt, 1998 Christianity must and can provide an effective response to the need for human care of the creation *Responsible Stewardship of God's Creation* Ken Gnanakan, 2004 [Responsible Stewardship of God's Creation](#) Ken Gnanakan, Chris Elisara, World Evangelical Alliance. Theological Commission, International Institute for Religious Freedom, 2014 **The Shepherd's Guide Through the Valley of Debt and Financial Change** Flora L. Williams PhD MDiv RFC, 2009-08-27 The Shepherds Guide through the Valley of Debt and Financial Change is the most comprehensive manual for financial management planning counseling and coaching available This encyclopedic book 419 pages contains the basic information and techniques with facts references illustrations worksheets and case studies Besides the most crucial issues of today unique features are 15 budgets plans addictions divorce counseling low income resources pre marital education adjustments to financial crises downturns funding for college office politics economic theology pastoral care and Scripture references New concepts of financial freedom are presented It is a practical resource management book for those who need the education themselves and equips them to assist others **A Companion to Environmental Philosophy** Dale Jamieson, 2008-04-15 A Companion to Environmental Philosophy is a pioneering work in the burgeoning field of environmental philosophy This ground breaking volume contains thirty six original articles exemplifying the rich diversity of scholarship in this field Contains thirty six original articles written by international scholars Traces the roots of environmental philosophy through the exploration of cultural traditions from around the world Brings environmental philosophy into conversation with other fields and disciplines such as literature economics ecology and law Discusses environmental problems that stimulate current debates *Stewardship & the Economy of God* John H. Reumann, 2014-09-23 This concise and readable volume makes a major contribution to our understanding of stewardship Exhibiting careful and thorough research John Reumann traces the broad history of the stewardship concept to the present day While Reumann demonstrates that the term has had many shades of meaning in its history he also makes clear helpful suggestions on the meaning of stewardship for today especially by connecting stewardship with the economy of God I commend this book to all pastors seminarians and laity willing to struggle with what stewardship means for our lives and our world as we approach the twenty first century WILHAM O AVERY Gettysburg Lutheran Seminary With his characteristic erudition biblical scholarship classical and historical reflection and contemporary application John Reumann shows how oikonomia has been a recurring theme in the Christian life It appears now again as stewardship and Reumann s exhaustive investigation will help the church respond to its far reaching imperative NORMAN A HJELM Faith and Order National Council of Churches For many Christians the term stewardship means fund raising Paradoxically with the advent of the environmental movement it has acquired another sense stewardship as care for the earth In this learned but accessible book John Reumann shows how the modern secular use of the term actually derives from the Bible and Christian tradition He constructs a theology of

stewardship that is at once faithful to the Scriptures and applicable to the lives of Christians today ROBERT L WILKEN University of Virginia John Reumann was a professor of New Testament studies at Lutheran Theological Seminary Philadelphia PA He was the author of Righteousness in the New Testament Justification in the Lutheran Catholic Dialogue and Ministries Examined Laity Clergy Women and Bishops in a Time of Change **World Christianity** Graham Joseph Hill,2024-10-08 World Christianity An Introduction provides an accessible introduction to the discipline methodology and field of world Christianity In this book Graham Joseph Hill engages with more than one hundred high profile Majority World and First Nations Christian leaders to learn what they can teach the West about mission leadership hospitality creation care education worship and more Hill challenges the Western church to move away from a Eurocentric and Americentric view of church and mission and he calls for the church to engage with crucial paradigm shifts in world Christianity The future of the global church including the churches in the West exists in these global exchanges World Christianity is an indispensable guide for the church as it navigates the unique global experiences of the twenty first century Journey through the Psalms Denise Dombkowski Hopkins,2002-08-01 Reclaim the Psalms for true worship as well as prayer as you learn how to approach God with the emotional intensity of the ancient psalmists Denise Dombkowski Hopkins combines the insights of scholarship on the Psalms with artwork liturgy song and poetry to give us a new way to use the Psalms in our life of faith together to empower our corporate identity and revitalize our worship She examines how the Psalms formed the worship of ancient synagogues and the earliest churches and how they can do the same for our churches today Reflective questions bring worship leaders and individuals alike to a new awareness of the power of the Psalms to enrich public worship and private devotions with an honesty that does not turn away from the realities of suffering and anger maturing in jesus christ ,

Global Dictionary of Theology William A. Dyrness,Veli-Matti Kärkkäinen,2009-10-25 Theological dictionaries are foundational to any theological library But until now there has been no Global Dictionary of Theology a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South But it also reflects the increase in two way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth through listening and conversation on a global scale Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited William A Dyrness Veli Matti Kärkkäinen Juan F Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors representing the global spectrum of theological perspectives Pastors theological teachers theological students and lay Christian leaders will all find the Global Dictionary of Theology to be a

resource that unfolds new dimensions and reveals new panoramas of theological perspective and inquiry Here is a new launching point for doing theology in today s global context An Examination of the Views of Religious Organizations Regarding Global Warming United States. Congress. Senate. Committee on Environment and Public Works,2011

Building World Order Mark R. Amstutz,2025-04-01 International relations theorist Amstutz describes how values and perspectives from Christianity can help advance a more humane global order After highlighting key features of the nation state and of global society he illustrates the role of Christian values in international relations with case studies exploring three contemporary global problems migration development and climate change Amstutz contends that a Christian worldview focused on the dignity and rights of the individual as well as an emphasis on the common good can contribute to peace prosperity and justice in the international community The topic of global order is now more important than ever given that the rules based global order established at the end of World War II is under great stress as witnessed in current wars in Gaza and Ukraine and the emergence of far right regimes in Hungary Turkey and perhaps even France Despite significant improvement in living conditions worldwide the international community continues to face many global problems including failing states domestic and interstate violence persistent poverty growth in refugees mass migration climate change and global economic instability Most importantly the contemporary liberal order is facing major opposition from authoritarian states The contemporary challenge to the liberal order gives rise to urgent questions Will the liberal global order be replaced by a more chaotic power based order Is there a better way to organize the world than the existing UN based nation state system How can the liberal international system be renewed Can fragile states be strengthened What contribution can a Christian perspective bring to the task of renewing global order Amstutz argues that the advance of international justice and global order needs to be based on the nation state the basic building block of our contemporary international community Most initiatives to improve the international community are rooted in political idealism or utopian thought and presume a shift from state sovereignty towards world governance This study by contrast assumes that any improvement in world order will necessarily depend on the ongoing role of the sovereign state In advancing global peace and prosperity three tasks are vital first strengthen weak fragile states second increase the number of constitutional democratic states and third strengthen international cooperation in addressing shared global problems Christian values and perspectives Amstutz claims can contribute to a better world by helping to structure the moral analysis of issues and by inspiring action that advances the common good

The Book of Discipline of The United Methodist Church 2012 Marvin W. Cropsey,2013-01-01 The Book of Discipline sets forth the plan by which we United Methodists govern ourselves It reflects our understanding of the Church and of what is expected of its laity and clergy as they seek to be effective witnesses in the world as a part of the whole body of Christ The Discipline includes our church Constitution our history our doctrinal standards and our mission to make disciples of Jesus Christ as well as practical processes through which our congregations connect and support each

other to reach the world **Walk with Jesus Christ, the Truth I' 2008 Ed. (maturing in Jesus Christ) ,2007**

Christianity and Earthkeeping Ernst Marais Conradie,2011-04-01 Why should Christians engage in earthkeeping as Christians and from within Christian communities What is the underlying theological rationale for that In this book some 19 reasons why Christians may be encouraged to engage in earthkeeping are identified juxtaposed and assessed in order to call for clarity to invite discussion and to elicit creative tensions No single position is advocated it would be helpful if Christians could engage in earthkeeping on the basis of any of these motivations The Value Orientations of Buddhist and Christian Entrepreneurs Gábor Kovács,2020-07-30 This book is a comparative analysis of the value orientations of Buddhist and Christian entrepreneurs and how these values impact business The chapters review and analyze the concepts of Buddhist economics and the social teaching of the Roman Catholic Church The value orientations of Buddhist and Christian entrepreneurs are described by irreducible core values that correspond to the ontological conception the procedural dimension and the other directedness of a spiritual value commitment in business The book includes the reflections of Buddhist and Christian entrepreneurs about business spirituality profit the temporal perspectives of business and stakeholder management The cases testify that a spiritual value orientation can contribute to creating genuine ethical commitment The findings and the examples can encourage business scholars and practitioners to stop considering ethics as an instrument in the service of profit and serve as inspiration for integrating spirituality into business in a profound way This book will be of interest to scholars studying business ethics workplace spirituality and faith at work The Heart of Catholic Social Teaching David Matzko McCarthy,2009-03-01 This accessible introduction covers the complete history and contemporary contexts of the church s involvement in Catholic social tradition giving distinctive attention to the Bible liturgy the thought of Augustine and Aquinas and recent theological developments Bringing together veteran teachers of Catholic Social Teaching who have worked together on the content this book is designed to set social questions within the Catholic tradition and contemporary life End of chapter application sections address practical concerns such as racism in the church charity consumerism and talking with neighbors and coworkers about moral issues Discussion questions case studies excerpts of church documents and suggestions for further reading enhance the book s usefulness It will work well for students of theology and ethics particularly Catholics but also Protestants who want to know more about the Catholic social tradition *Walk with Jesus Christ, the Truth 6' 2008 (growing in Jesus Christ) , **Evangelicals Around the World*** Thomas Nelson,2015-07-14 There are an estimated 600 million Evangelicals in the world today crossing cultures histories languages politics and nationalities Evangelicals Around the World A Global Handbook for the 21st Century introduces the fastest growing segment of the global Christian church to the world and to each other Bringing together a team of multi disciplined scholars writers activists and leaders from around the world this handbook provides a compelling look at the diverse group we call Evangelicals In this guide written by those who know the movement the best the issues that divide and

the beliefs that unite this global Christian movement are presented in a journalistic fashion Evangelicals Around the World describes the past and the present the unique characters and the powerful ministries of Evangelicals With a large trim size and colorful page design this beautiful book is the perfect choice for laypeople and scholars alike Features include Essays written by senior leaders of the movement and newer voices with fresh perspectives Articles written by journalists convey diverse and creative perspectives on ministry Essays provide the demographic details of Evangelicals in regions around the world Maps graphs photographs quotes and mini profiles of evangelical heroes throughout time **Burden of Truth** Charles W. Colson, 1997 This book consists of a brilliant collection of transcripts from Charles Colson's radio program BreakPoint delivered on a wide variety of subjects but pointing to the truth that the most fundamental dimension to human life is religious in nature
