## **Rest Stops For The Soul:**

Rest Stops for the Soul Joseph Nassal, Joe Nassal, 1998 On the challenging road of transformation and the larger journey of life we inevitably hit bumps that bruise our souls Along the highway called holiness we encounter roadblocks and detours that fuel our frustration When we are weary of the road it s time to rest awhile This book invites us to turn off on a rest stop that refreshes our souls where we can listen to those sacred stories of both pain and promise from our past present and future that shape our lives and show us our destiny Rest Stops for the Soul is filled with the language of the soul It recounts formative stories of creation incarnation and redemption from our faith tradition mythic and folk stories true life stories and original tales by the author that illuminate the trail of transformation In addition Joe Nassal in his uniquely poetic style crafted in the storyteller s sanctuary offers abundant insight into this journey that God calls and impels us to undertake Father Nassal guides us along the trail of transformation in which God surprises us saves us and sustains us He suggests how we carry on when we re walking on empty how ritual and a carousel humor in the midst of the three ring circus we call life can help carry us home at last

**Soul Rest** Curtis Zackery, 2018-06-06 In the midst of a cacophony of noise finding true soul rest is nearly impossible With so many responsibilities and distractions vying for our attention too many of us have built unhealthy cycles of rest As a result we burn ourselves out striving and straining against God s intent for our lives We can only sustain a life of purpose if we learn to truly rest In Soul Rest Curtis CZ Zackery reveals how our misaligned view of rest has its roots in an identity that is out of rhythm with God Taking steps toward understanding Sabbath in the way that God intends can dynamically affect every aspect of our lives This thoughtful reflection on rest calls us to the hard work of self examination helping us move towards a purposeful and sustainable life with Jesus

Rest Assured Vicki Courtney, 2015-11-17 Come to Me all you who labor and are heavy laden and I will give you rest Matt 11:28 Women are overcommitted overconnected overburdened and overwhelmed Their lives are full but oddly their souls are empty They are aching for a bold challenge one that will bring rest to their longing souls Rest Assured is for the daring women who truly want to disrupt their current patterns and see lasting change Divided into two parts Rest Assured offers not just an intervention The Badge of Busyness The Exhausting Pursuit of Happiness Tethered Souls Worried Sick But also a recovery plan Prioritize the One Thing Needed Time for God Create Room to Breathe Time for Solitude Give Yourself a Break Time for Leisure Pay It Forward Time for Others If the soul is weary it s time for an intervention Rest Assured is not a quick fix but rather a bold challenge that aids women in identifying the negative patterns that prevent them from experiencing rest in their souls Most importantly it will give them the tools needed to break the cycle

In June of 2016, Carol's safe, predictable life was uprooted. The red Toyota BOXRAV loaded with a couple of suitcases, a few plants, some bonsai tools, and her white boxer Spud headed east toward the Land of Enchantment. In 2006, she began documenting the journey of finding her Nana and the subsequent cleanup of the cemetery at the State Mental Hospital in Las Vegas, New Mexico. Maybe this crazy God adventure was initiated then. If it was, she certainly didn't feel it. In fact, it only served to remind her of the sadness that she had kept hidden in the recesses of her mind. She loved the vast expanses of open landscape, the blue skies with white clouds, unlike anywhere else she had ever been. Cactus, pinion trees, rugged mountain ranges, and glorious sunrises and sunsets had been blotted out by memories of family struggles and loss. But as Nana slowly made her way back home, so did Carol. She was being called not out of the desert but back to the desert. In probably the most unlikely twist since deliberately choosing God as her partner, he was making straight the path to return home, shepherding her soul back to New Mexico. This is a tale of second chances, of following one's heart. It is a story of paradox and contradiction, of mountain peaks and valley floors of sadness and rejoicing. But most of all, it is the story of a soul set free. **Sisters of the Sole (Soul)** Janie Van Komen, Lyn Austin, 2014-08-20
