

# RESTA VEC

FROM HAITIAN  
SLAVE CHILD to *Middle-Class American*

AN AUTOBIOGRAPHY BY **Jean-Robert Cadet**

# Restavec From Haitian Slave Child To Mid

**Timothy T. Schwartz**

## **Restavec From Haitian Slave Child To Mid:**

*Restavec* Jean-Robert Cadet, 2009-09-15 This inspiring memoir recounts a man's harrowing journey from unpaid child labor in Haiti to a successful life in the United States. African slaves in Haiti emancipated themselves from French rule in 1804 and created the first independent black republic in the Western Hemisphere. But they reinstituted slavery for the most vulnerable members of Haitian society: the children of the poor, by using them as unpaid servants to the wealthy. These children were and still are *restavecs*, a French term whose literal meaning of "staying with" disguises the unremitting labor abuse and denial of education that characterizes the children's lives. In this memoir, Jean Robert Cadet recounts the harrowing story of his youth as a *restavec* as well as his inspiring climb to middle class American life. He vividly describes what it was like to be an unwanted illegitimate child staying with a well-to-do family whose physical and emotional abuse was sanctioned by Haitian society. He also details his subsequent life in the United States where, despite American racism, he put himself through college and found success in the Army, in business, and finally in teaching.

*My Stone of Hope* Jean-Robert Cadet, 2011-11-08 There are 27 million slaves living in the world today, more than at any time in history. Three hundred thousand of them are impoverished children in Haiti who stay with families as unpaid and uneducated domestic workers, subject to physical, emotional, and sexual abuse. This practice, known locally as *restavek* (staying with), is so widespread that one in ten Haitian children is caught up in this form of slavery. Jean Robert Cadet was a *restavek* in Haiti from the late 1950s until the early 1970s. He told the harrowing story of his youth in *Restavec From Haitian Slave Child to Middle Class American*, a landmark book that exposed ongoing child slavery in Haiti. Now in *My Stone of Hope*, Cadet continues his story from his early attempts to adjust to freedom in American society to his current life mission of eliminating child slavery through advocacy and education. As he recounts his own struggles to surmount the psychological wounds of slavery, Cadet puts a human face on the suffering that hundreds of thousands of Haitians still endure daily. He also builds a convincing case that child slavery is not just one among many problems that Haiti faces as the Western Hemisphere's poorest nation. Rather, he argues that the systematic abuse of so many of its children is Haiti's fundamental problem because it creates damaged adults who seem incapable of governing the country justly or managing its economy productively. For everyone concerned about the fate of Haiti, the welfare of children, and the freedom of people around the globe, *My Stone of Hope* sounds an irresistible call to action.

*Historical Dictionary of Haiti* Fequiere Vilsaint, Michael R. Hall, 2021-08-01 This book covers the history of Haiti starting in 1492 with the initial European landing of the island to the present day. Haiti shares the island of Hispaniola with the Dominican Republic. Haiti proclaimed its independence from France on January 1, 1804, following the only successful slave revolution in the Americas. As a result of the Haitian Revolution (1791-1804), Haiti became the first independent Latin American nation and the second independent nation in the Western Hemisphere after the United States. Throughout its history, it has suffered political violence and a devastating earthquake which killed over 300,000 people. *Historical Dictionary of Haiti*

Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Haiti

**Human Bondage and Abolition** Elizabeth Swanson Goldberg,James Brewer Stewart,2018-08-23 Exposes the historical roots of modern day slavery using lessons from the past to empower activism against such exploitation everywhere

*Haitian History* Alyssa Goldstein Sepinwall,2013 Despite Haiti s proximity to the United States and its considerable importance to our own history Haiti barely registered in the historic consciousness of most Americans until recently Those who struggled to understand Haiti s suffering in the earthquake of 2010 often spoke of it as the poorest country in the Western hemisphere but could not explain how it came to be so In recent years the amount of scholarship about the island has increased dramatically Whereas once this scholarship was focused on Haiti s political or military leaders now the historiography of Haiti features lively debates and different schools of thought Even as this body of knowledge has developed it has been hard for students to grasp its various strands Haitian History presents the best of the recent articles on Haitian history by both Haitian and foreign scholars moving from colonial Saint Domingue to the aftermath of the 2010 earthquake It will be the go to one volume introduction to the field of Haitian history helping to explain how the promise of the Haitian Revolution dissipated and presenting the major debates and questions in the field today

*The Unexceptional Case of Haiti* Philippe-Richard Marius,2022-04-19 When Philippe Richard Marius arrived in Port au Prince to begin fieldwork for this monograph to him and to legions of people worldwide Haiti was axiomatically the first Black Republic Descendants of Africans did in fact create the Haitian nation state on January 1 1804 as the outcome of a slave uprising that defeated white supremacy in the French colony of Saint Domingue Haiti s Founding Founders as colonial natives were nonetheless to varying degrees Latinized subjects of the Atlantic They envisioned freedom differently than the African born former slaves who sought to replicate African nonstate societies Haiti s Founders indeed first defeated native Africans armies before they defeated the French Not surprisingly problematic vestiges of colonialism carried over to the independent nation Marius recasts the world historical significance of the Saint Domingue Revolution to investigate the twinned significance of color race and class in the reproduction of privilege and inequality in contemporary Haiti Through his ethnography class emerges as the principal site of social organization among Haitians notwithstanding the country s global prominence as a Black Republic It is class and not color or race that primarily produces distinctive Haitian socioeconomic formations Marius interrogates Haitian Black nationalism without diminishing the colossal achievement of the enslaved people of Saint Domingue in destroying slavery in the colony then the Napoleonic army sent to restore it Providing clarity on the uses of race color and nation in sociopolitical and economic organization in Haiti and other postcolonial bourgeois societies Marius produces a provocative characterization of the Haitian nation state that rejects the Black Republic paradigm

**Narrating**

**History, Home, and Diaspora** Maia L. Butler, Joanna Davis-McElligatt, Megan Feifer, 2022-06-27 Winner of a 2023 Edited Collection Award from the South Atlantic Modern Language Association Contributions by Cécile Accilien, Maria Rice Bellamy, Gwen Bergner, Olga Blomgren, Maia L. Butler, Isabel Caldeira, Nadège T. Clitandre, Thadious M. Davis, Joanna Davis, McElligatt, Laura Dawkins, Megan Feifer, Delphine Gras, Akia Jackson, Tammie Jenkins, Shewonda Leger, Jennifer M. Lozano, Marion Christina Rohrleitner, Thomas Rothe, Erika V. Serrato, Lucia Stecher, and Joyce White Narrating History Home and Diaspora Critical Essays on Edwidge Danticat contains fifteen essays addressing how Edwidge Danticat's writing anthologizing and storytelling trace, re-construct and develop alternate histories, narratives of nation building and conceptions of home and belonging. The prolific Danticat is renowned for novels, collections of short fiction, nonfiction and editorial writing. As her experimentation in form expands, so does her force as a public intellectual. Danticat's literary representations, political commentary and personal activism have proven vital to classroom and community work imagining radical futures. Among increasing anti-immigrant sentiment and containment and rampant ecological volatility, Danticat's contributions to public discourse, art and culture deserve sustained critical attention. These essays offer essential perspectives to scholars, public intellectuals and students interested in African diasporic, Haitian, Caribbean and transnational American literary studies. This collection frames Danticat's work as an indictment of statelessness, racialized and gendered state violence and the persistence of political and economic margins. The first section of this volume, *The Other Side of the Water*, engages with Danticat's construction and negotiation of nation both in Haiti and the United States, the broader diaspora and her own family's and her fictional characters' places within them. The second section, *Welcoming Ghosts*, delves into the ever-present specter of history and memory, prominent themes found throughout Danticat's work. From origin stories to broader Haitian histories, this section addresses the underlying traumas involved when remembering the past and its relationship to the present. The third section, *I Speak Out*, explores the imperative to speak, paying particular attention to the narrative form with which such telling occurs. The fourth and final section, *Create Dangerously*, contends with Haitians' activism, community building and the political and ecological climate of Haiti and its diaspora.

**Bearing Witness** Andrea Nicholson, 2022-09-29 A study of contemporary slave narratives that reveals the conditions and consequences of slavery and the importance of survivors' stories.

**Life Stories** Maureen O'Connor, 2011-08-23 Memoirs, autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them. In the past, readers' advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy. This guide offers an alternative organizing the literature according to popular genres, subgenres and themes that reflect common

reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads *Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books

*The Global History of Childhood Reader* Heidi Morrison, 2013-03-05 *The Global History of Childhood Reader* provides an essential collection of chapters and articles on the global history of childhood The Reader is structured thematically so as to provide both a representative sampling of the historiography as well as an overview of the key issues of the field such as childhood as a social construct commonalities and differences globally and why the twentieth century was not the century of the child for most of the world's children The Reader is divided into four parts Theories and methodologies of the history of childhood Constructions of childhood in different times and places Children's experiences in different times and places Usage of the past to articulate solutions to problems facing children today Topics covered include theories and methodologies in the global history of childhood sources for writing a global history of childhood education gender disability race class and religion the individual in history and emotions violence labour and illiteracy With introductions that contextualize each of the four parts and the articles further reading sections and questions this is the perfect guide for all students of the history of childhood

*Antebellum Slavery* Gary Lee Roper, 2009

**The New Slave Narrative** Laura T. Murphy, 2019-09-17 A century and a half after the abolition of slavery in the United States survivors of contemporary forms of enslavement from around the world have revived a powerful tool of the abolitionist movement first person narratives of slavery and freedom Just as Frederick Douglass Harriet Jacobs and others used autobiographical testimonies in the fight to eradicate slavery today's new slave narrators play a crucial role in shaping an antislavery agenda Their writings unveil the systemic underpinnings of global slavery while critiquing the precarity of their hard fought freedom At the same time the demands of antislavery organizations religious groups and book publishers circumscribe the voices of the enslaved coopting their narratives in support of alternative agendas In this pathbreaking interdisciplinary study Laura T Murphy argues that the slave narrative has reemerged as a twenty first century genre that has gained new currency in the context of the memoir boom post 9 11 anti Islamic sentiment and conservative family values politics She analyzes a diverse range of dozens of book length accounts of modern slavery from Africa Asia the United States the United Kingdom and Europe examining the narrative strategies that survivors of slavery employ to make their experiences legible and to promote a reinvigorated antislavery agenda By putting these stories into conversation with one another *The New Slave Narrative* reveals an emergent survivor centered counterdiscourse of collaboration and systemic change that offers an urgent critique of the systems that maintain contemporary slavery as well as of the human rights industry and the antislavery movement

*Runaway Genres* Yogita Goyal, 2019-10-29 Winner 2021 Ren Wellek Prize given by the American Comparative Literature Association Winner 2021 Barbara Perkins and George Perkins Award given by the International Society for the Study of

Narrative Honorable Mention 2020 James Russell Lowell Prize given by the Modern Language Association Argues that the slave narrative is a new world literary genre In Runaway Genres Yogita Goyal tracks the emergence of slavery as the defining template through which current forms of human rights abuses are understood The post black satire of Paul Beatty and Mat Johnson modern slave narratives from Sudan to Sierra Leone and the new Afropolitan diaspora of writers like Teju Cole and Chimamanda Ngozi Adichie all are woven into Goyal s argument for the slave narrative as a new world literary genre exploring the full complexity of this new ethical globalism From the humanitarian spectacles of Kony 2012 and BringBackOurGirls through gothic literature Runaway Genres unravels for instance how and why the African child soldier has now appeared as the afterlife of the Atlantic slave Goyal argues that in order to fathom forms of freedom and bondage today from unlawful detention to sex trafficking to the refugee crisis to genocide we must turn to contemporary literature which reveals how the literary forms used to tell these stories derive from the antebellum genre of the slave narrative Exploring the ethics and aesthetics of globalism the book presents alternative conceptions of human rights showing that the revival and proliferation of slave narratives offers not just an occasion to revisit the Atlantic past but also for re narrating the global present In reassessing these legacies and their ongoing relation to race and the human Runaway Genres creates a new map with which to navigate contemporary black diaspora literature

**The Trafficker Next Door** Rhacel Salazar Parreñas,2025-09-02 Award winning sociologist Rhacel Salazar Parre as explains the warped psychology and perfectly legal practices that allow modern day slavery to persist Christine L Williams author of Gaslighted and former president of the American Sociological Association A renowned sociologist examines the pernicious societal forces that lead employers to exploit vulnerable domestic workers Kaya mo ba Can you take it An instructor asks this of a group of migrant workers in the Philippines as they prepare for domestic work in wealthier countries Can you take the grueling work Kaya the women say We can The phrase human trafficking often conjures nightmarish images of sexual exploitation but Rhacel Salazar Parre as reveals that the vast majority of trafficking victims are domestic workers who suffer abuse not at the hands of shadowy crime lords but rather ordinary family employers Drawing on twenty years of groundbreaking research across three continents Parre as exposes the grim realities faced by migrant workers ensnared in forced labor due to poverty and debt bondage She uncovers how entrenched social and legal norms coupled with a patronizing employer savior complex foster a troubling sense of ownership among employers over their domestic workers Through powerful firsthand accounts including harrowing stories of workers living in hot windowless rooms experiencing food deprivation having their makeup jewelry and phones confiscated and having their wages stolen Parre as illustrates the migrants desperation and the power dynamics that lead to a global network of exploitation Parre as s urgent narrative challenges readers to confront uncomfortable truths about everyday household arrangements and calls for justice and fair treatment for all workers

*Encyclopedia of Business in Today's World* Charles Wankel,2009-06-12 2009 RUSA Outstanding Business Reference Business in today s world is increasingly

diverse Undertaking commerce even by an individual can mean working globally through a welter of new media with opportunities of all kinds rapidly appearing The boundaries scope content structures and processes of a business activity can morph into completely different ones in the course of a project Contemporary businesses and certainly future businesses find it incumbent upon them to fit within the requirements of environmental and economic sustainability of the others who inhabit our world With more than 1 000 entries the Encyclopedia of Business in Today s World is packed with essential and up to date information on the state of business in our world Not only does it reflect where business is it also conveys the trajectory of business farther into the 21st century These four volumes provide clear overviews of the important business topics of our time ranging from culture shock to currency hedging political risk offshoring and transnational corporations The wealth of topics represent an integrated vision by the editor of a perplexity of functions technologies and environmental factors Key Features Provides insight into the development and current business situation globally through articles on many individual countries Examines the processes responsibilities and ethics of business in the global market Offers entries written by experts from diverse fields Includes an appendix that looks at World Trade Organization statistics Presents a vast range of topics including key companies business policies regions countries dimensions of globalization economic factors international agreements financial instruments accounting regulations and approaches theories legislation management practices and approaches and much more Key Themes Competitive Forces Countries Corporate Profiles Cultural Environments Economics of International Business Economic Theories of International Business Ethics Corruption and Social Responsibility Export Import Strategies Foreign Direct Investment Globalization and Society Human Resource Management International Accounting International Finance International Monetary System International Trade Legal and Labor Issues Management and Leadership Manufacturing and Operations Marketing Political Environments Regional Economic Integration Supranational and National Organizations The Encyclopedia of Business in Today s World serves as a general nontechnical resource for students professors and librarians seeking to understand the development of business as practiced in the United States and internationally

**Encyclopedia of Applied Ethics** ,2012-01-10 The Encyclopedia of Applied Ethics Second Edition Four Volume Set addresses both the physiological and the psychological aspects of human behavior Carefully crafted well written and thoroughly indexed the encyclopedia helps users whether they are students just beginning formal study of the broad field or specialists in a branch of psychology understand the field and how and why humans behave as we do The work is an all encompassing reference providing a comprehensive and definitive review of the field A broad and inclusive table of contents ensures detailed investigation of historical and theoretical material as well as in depth analysis of current issues Several disciplines may be involved in applied ethics one branch of applied ethics for example bioethics is commonly explicated in terms of ethical legal social and philosophical issues Editor in Chief Ruth Chadwick has put together a group of leading contributors ranging from philosophers to practitioners in the particular fields in question to academics from
