Restless Evil A Mitchell And Markby Mystery:

A Restless Evil Ann Granger, 2002-12-04 Legendary Stovey Woods has always seemed threatening but for decades the danger has remained dormant Now it appears a long dead murder case is being reopened as another victim appears with remarkable similarities

A Restless Evil Ann Granger, The officer on duty at Bamford police station is skeptical when he takes a call from Guy Morgan Morgan claims to have stumbled upon human bones in Stovey Woods in the heart of the Cotswolds but surely animal bones are more likely Morgan though is a doctor as well as a hiker and he knows exactly what he's found It sends a shiver down Detective Alan Markby's spine when he hears the news Twenty two years ago as a fresh faced young inspector he had a rare failure His hunt for a brutal serial rapist preying on local women in the Stovey woods came up empty After the third rape the attacker disappeared never to be heard of again Now with a new investigation prompted by Morgan's grisly discovery the trail could be warm once more But almost at once Markby is confronted with another body and a thoroughly up to date murder Markby's lover Meredith Mitchell can't help but wonder Could the two be connected But as both are about to find out it seems that some of the village residents would be just as happy to let sleeping dogs lie and secrets both old and new stay hidden
