The Restless Heart Ronald Rolheiser, 2007-12-18 A thoughtful exploration of loneliness in the tradition of Henri Nouwen's classic Reaching Out Loneliness may be more pervasive now than at any other time in human history Cell phones and instant messaging not withstanding our longing for meaningful connections seems to increase in direct proportion to our accessibility In The Restless Heart Ronald Rolheiser identifies different types of loneliness and discusses the dangers and opportunities they represent in our lives Using contemporary parables from literature film and his own life he shows that loneliness can be a tremendously creative and even valuable force when it is recognized accepted and used as a dynamic catalyst With his trademark clarity of vision honesty and intelligence Rolheiser offers a distinctively Christian approach to living an examined involved life and presents suggestions that will free readers to discover greater meaning and fulfillment in their own lives **The Book of Womanhood** Amy F Davis Abdallah, 2016-06-30 There are many questions that surround Christian womanhood What does it mean When does it happen at a certain age status or maturity How do we know we re no longer girls And when we ve figured that out how will others know how to recognise us as a woman rather than a girl After all Christian women don t usually get a rite of passage in which they are named a woman Seeing this need Amy Davis Abdallah has created such a rite and this book accompanies it there is no need to go through her rite of passage however to name yourself a woman The Book of Womanhood creates a path through the confusion that surrounds the identity of women by its flexible framework developing the reader s understanding of a woman s relationship with God their self others and creation Amy writes simply as one perhaps further along in her journey of womanhood than most and she doesn t write alone she includes the stories of Biblical women of friends young and old and even more The diverse voices come together as a cloud of witnesses encouraging us in our individual journeys The Book of Womanhood is about recognition reaching out not only to women but also to men who seek to understand and empower their wives daughters and friends to be the women God has formed them to be Read for empowerment read for transformation Read and become the woman of God Transforming Our Painful Emotions: Spiritual Resources in Anger, Shame, Grief, Fear vou were created to be **and Loneliness** Evelyn Eaton Whitehead and James D.
