The Broadview Anthology of Restoration and Early Eighteenth Century Drama: Concise Edition J. Douglas Canfield, Maja-Lisa von Sneidern, 2003-04-17 The Broadview Anthology of Restoration and Early Eighteenth Century Drama Concise Edition with twenty one plays is half the length of the full anthology without compromising its breadth Concentrating on plays from the heyday of 1660-1737 it focuses on Restoration drama proper and Revolution drama with a selection from the early Georgian period and the later Georgian period's laughing comedy Seven of the nine sub genres personal tragedy tragicomic romance social comedy subversive comedy corrective satire menippean satire and laughing comedy of the full anthology are represented with the preponderance of exposure given to the jewel of this theatre its comedy Each play is fully annotated and prefaced with an historical introduction Also included are a general introduction a statement of procedures and a glossary **Coyness and Crime in Restoration Comedy** Peggy Thompson, 2012 Coyness and Crime examines the extraordinary focus on feminine coyness in forty English comedies by ten diverse playwrights of the late seventeenth century In contexts ranging from reaffirmations of church and king to emerging interests in liberty and novelty these plays consistently reveal women caught in an ironic and nearly intractable convergence of objectification and culpability that allows them little innocent sexual agency this is both the source and the legacy of coyness in Restoration comedy *Cultural Readings of Restoration and Eighteenth-Century English Theater* Deborah Payne Fisk, J. Douglas Canfield, 2010-12-01 Ranging in approach from feminist to historicist the eleven essays in this collection share the culturalist premise that the drama of late Stuart and early Georgian England helped to constitute the dominant ideology of the period The contributors varied approaches allow for the reconsideration of libertinism the politics of sexual desire and other classic issues as well as such newer concerns as the social construction of the first English actresses empiricism as an emergent epistemological

discourse cultural anxiety about novelty and repetition and shifting tropes of inherent worth By reading well known works in unexpected ways and focusing on less frequently studied dramatists from Sedley Motteux Pix and Behn to Manley Trotter and Shadwell the contributors also test the limits of the canon In addition they suggest that earlier critical perceptions perhaps even more than the innate worth of the plays determined the shape of the canon These essays present a different image of Restoration and eighteenth century theater one that reveals how the drama was a site as important for the negotiation of cultural meaning as were novels and verse satires

Comedy of Manners, 1992 **English Drama** Richard W. Bevis, 2014-06-06 What were the causes of Restoration drama's licentiousness How did the elegantly turned comedy of Congreve become the pointed satire of Fielding And how did Sheridan and Goldsmith reshape the materials they inherited In the first account of the entire period for more than a decade Richard Bevis argues that none of these questions can be answered without an understanding of Augustan and Georgian history The years between 1660 and 1789 saw considerable political and social upheaval which is reflected in the eclectic array of dramatic forms that is Georgian theatre's essential characteristic
