**Library of Congress. Copyright Office**

## **Restoration And Eighteenth Century Theatre Research Bibliographical Guide 1900 1968:**

**Restoration and Eighteenth Century Theatre Research** Carl Joseph Stratman, David Gelvin Spencer, Mary Elizabeth Devine, 1969

**Restoration and eighteenth century theatre research : a bibliographical guide, 1900-1968** Carl Joseph Stratman, 1971

*Restoration and Eighteenth Century Theatre Research* Carl Joseph Stratman, 1971

**Restoration and 18th Century Theatre Research** Carl Joseph Stratman, David Gelvin Spencer, 1972

[A Reference Guide for English Studies](#) Michael J. Marcuse, 2023-11-15

**Restoration and 18th Century Theatre Research** Mary Elisabeth Devine, Carl Joseph Stratman, David G. Spencer, 1971

**The Cambridge Companion to English Restoration Theatre** Deborah Payne Fisk, 2000-05-11

Fourteen specially commissioned essays provide essential information about staging playwrights themes and genres in the drama of the Restoration

**Aphra Behn** Mary Ann O'Donnell, 2017-03-02

This annotated bibliography constitutes a thoroughly revised and more easily readable study of Behn's publications of those edited or translated by her of publications that included her works and of writings ascribed to her along with an annotated bibliography of over 1600 works about her from 1671 to 2001 with an unannotated update covering 2002 The augmented primary bibliography describes all known editions and issues of her works to 1702 and adds a catalogue of editions to 2002 including on line sources The secondary bibliography adds close to 1000 items published since 1984 to the original 600 of the first edition along with about 175 more from 1671 to 1984 with attention to materials not in English New appendices include a list of dedicatees actors recent productions with reviews and provenances This volume will be invaluable for book dealers collectors and librarians as well as students and scholars of Aphra Behn and of Restoration literature

**John Dryden** David J. Latt, Samuel Holt Monk, 1976-04-12

John Dryden was first published in 1976 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions This annotated bibliography represents a comprehensive updating of Samuel Holt Monk's earlier work also published by the University of Minnesota Press John Dryden A List of Critical Studies Published from 1895 to 1948 out of print Since the publication of that earlier bibliography the number of studies devoted to Dryden has more than tripled and thus this new bibliography is essential for scholars of Dryden or related aspects of seventeenth and eighteenth century English literature This volume contains four times as many entries as the earlier volume and there is an extensive introduction by Professor Latt which surveys the historical shifts in critical opinion of Dryden The new volume incorporates all of the listings contained in the first one The entries include works that focus directly on Dryden those that discuss Dryden's works in the context of other writers and those that investigate material of general importance to Dryden studies Dissertations from American German English and French universities are included Complete bibliographic information is provided for virtually every entry The listings are grouped in nine categories and there is an additional section which covers festschriften and other collections of essays Works of exceptional value and those which develop new points of view are so

designated The publishing history of each item is included along with the standard bibliographic information The index includes topical as well as author entries *William Shakespeare* Brian Vickers,2003-09-01 The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer's work enabling students and researchers to read for themselves for example comments on early performances of Shakespeare's plays or reactions to the first publication of Jane Austen's novels The carefully selected sources range from landmark essays in the history of criticism to journalism and contemporary opinion and little published documentary material such as letters and diaries Significant pieces of criticism from later periods are also included in order to demonstrate the fluctuations in an author's reputation Each volume contains an introduction to the writer's published works a selected bibliography and an index of works authors and subjects The Collected Critical Heritage set will be available as a set of 68 volumes and the series will also be available in mini sets selected by period in slipcase boxes and as individual volumes

**English Drama** Richard W. Bevis,2014-06-06 What were the causes of Restoration drama's licentiousness How did the elegantly turned comedy of Congreve become the pointed satire of Fielding And how did Sheridan and Goldsmith reshape the materials they inherited In the first account of the entire period for more than a decade Richard Bevis argues that none of these questions can be answered without an understanding of Augustan and Georgian history The years between 1660 and 1789 saw considerable political and social upheaval which is reflected in the eclectic array of dramatic forms that is Georgian theatre's essential characteristic Historical Dictionary of British Theatre Darryll Grantley,2013-10-10 British theatre has a greater tradition than any other having started all the way back in 1311 and still going strong today But that is too much for one book to cover so this volume deals with early theatre and has a cut off date in 1899 Still this is almost six centuries during which British theatre not only developed but produced some of the greatest playwrights of all time and anywhere including obviously Shakespeare but also Marlowe and Shaw And they wrote some of the finest plays ever which are known around the world So there is plenty for this book to cover just with the playwrights plays and actors but it also has information on stagecraft and theatres as well as the historical and political background This book has over 1 183 entries in the dictionary section these being mainly on playwrights and plays but others as well including managers and critics and also on specific theatres legislative acts and some technical jargon Then there are entries on the different genres from comedy to tragedy and everything in between Inevitably the chronology is quite long as it has a long period to cover and the introduction provides the necessary overview The Historical Dictionary of Early British Theatre concludes with a pretty massive bibliography That will be of use to particularly assiduous researchers but this book itself is a good place to start any research since it covers periods that are far less well known and documented and ordinary theatre goers will also find useful information *Dance and Music of Court and Theater* Wendy Hilton,1997 This collection of selected writings of Ms Hilton includes a complete facsimile of her 1981 book *Dance of Court* A survey of the 56 dances extant to music by J B Lully with

their airs and some of the more virtuosic theatrical step units in notation Louis P. Cour's ballroom dance Aimable Vainqueur 1701 in six pages of dance notation with a five part score of Andr  Campra's music from Hesione 1700 and an updated bibliography *The Restoration and 18th-century*, 1985 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1973 Index to British Literary Bibliography: British literary bibliography, 1970-1979, a bibliography Trevor Howard Howard-Hill, 1992 **The Prospect Before Her** Olwen Hufton, 2011-06-15 Already hailed by English critics as one of the most important works of history to be published since the Second World War Olwen Hufton's fascinating and brilliantly learned study begins in this first of two volumes with a wide ranging exploration of women's fate in Western Europe from medieval times to the early modern age of illustrations **Directory of American Scholars**, 1982 Reference Quarterly, 1972 **A Guide for Readers to The New Pelican Guide to English Literature** Boris Ford, 1984
