Write Pray Recover Wendy I. Blanchard,2022-01-18 Countless people today are living with and dying from untreated mental health disorders as well as substance use disorder SUD aka addiction This author works diligently to bring about change that will save lives and bring awareness to an integrative approach to recovery This includes spiritual solutions as a part of self care

Wendy is eager to encourage healthy practices to promote a global culture and climate shift that focuses on wellness in recovery Groundbreaking Wendy works tirelessly to raise awareness and to eliminate stigma associated with these disorders and provides the resources available to help Write Pray Recover A Journey to Wellness Through Spiritual Solutions and Self Care is an excellent addition to those resources In this text the author shares her journey of lifelong disease of SUD and mental health disorders stemming from both early childhood trauma and ongoing trauma as an adult It was also due in part to the irresponsibility of doctors and pharmacists who treated both physical and mental health symptoms These healthcare professionals never considered the larger problems which they were creating by over prescribing addictive opioids and other controlled substances in lethal doses Over the years of her recovery from these disorders which nearly took her life on numerous occasions she has embraced a healthy new mindset and lifestyle Wendy was driven to create her own Wellness Approach to Recovery program when she observed early in her recovery that the traditional models did not align with what she envisioned for her new normal Wendy has followed her own groundbreaking program where she uses an integrative approach and is thriving in wellness With practical advice paired with anecdotal evidence from the author s own life the Wellness Approach to Recovery will help readers to embrace and recognize the variety of changes they may consider in their own lives If these solutions and self care practices resonate things like meditation mindfulness a spiritual practice etc then you may also align with Wendy s untapped pathway to recovery With the necessary support tools and a willingness to be open to new perspectives not only can you recover from SUD and mental health disorders but at long last you can begin to heal to truly live with purpose and joy and to thrive on a cellular level

**Mindfulness for Beginners: Declutter your home, body and mind with Essential oils, Hemp Oil and CBD for Pain Management, Natural Remedies and Everyday Meditation Techniques for Anxiety** Lauren Marshall ,2018-11-13 If you plan on clearing your home mind and want to get the highest possible satisfaction in your daily life then keep reading Time magazine recently discovered that over 40 million Americans are suffering from stress and anxiety And while doctors love to prescribe potentially dangerous drugs to treat these disorders Many people are missing out on the easiest way to alleviate stress and anxiety without even realizing Could you be one of them You see most people make the same mistakes in renovating their mind and body You may even make more costly errors which causes you to lose mental and even physical well being But now you can stay informed with easy to apply tips which won t cost you a penny and you can do from the comfort of your home How decluttering and minimalism can greatly improve your life While the urge to collect clutter is certainly common it is also ultimately detrimental to your well being The constant accumulation of possessions can make the entire vibe of your home chaotic and unorganized As the late comedian George Carlin famously quoted in his standup routine a house is just a place to keep your stuff while you go out and get more stuff Decluttering and minimalism emphasize finding happiness via exploring life interacting with your loved ones and most of all by focusing upon creating a state of mind that makes you happy Inside this

book you'll discover Why society programs us to accumulate clutter Page 13 How clutter affects your health physical health Page 17 Why freeing yourself from clutter may be the most important decision you make this year Page 26 The surprising benefits of meditation for your sleeping habits Page 35 How to use decluttering to get over a bad relationship Page 23 The three types of meditation and which one is right for you Page 40 How to use decluttering to boost your confidence Page 12 Simple exercises for everyday mindfulness you can do at home with no extra cost Page 57 How to meditate even if you've never done it before in your life Page 49 How to prevent your mind from wandering during meditation Page 50 Hidden benefits of meditation you never knew about Page 43 And much much more Much of this advice goes against conventional wisdom In fact some of the advice sounds downright ridiculous to a non professional but time and again the data shows that it works Even applying one or two things inside could result in increase in your confidence self esteem mood sleeping patterns So if you want to uncover the incredible life affirming benefits of decluttering Click Add to Cart to receive your book instantly
