## **Restored New Testament 1st Edition:**

**Brenton's Septuagint, Restored Names Version, Volume 1** Clinton R Smith,2014-04-11 The Septuagint is the only extant Greek translation from a Hebrew MSS that is currently lost to us The Greek Septuagint and its Autograph were extensively used before the Christian era as has been testified to by historians and many similarities manifest in the Dead Sea Scrolls During the age of the Messiah and the Apostles it appears they exclusively used either the Greek Septuagint or its Autograph as is demonstrated by the parallels found in their quotes from the Hebrew Scriptures O T The Septuagint persevered into the age of the early Church Fathers where after it inexplicably fell into disuse This is a fresh approach to Sir Brenton s translation in that this it restores the original Hebrew Names as found in the Masoretic Text While this approach may seem like a glaring paradox it may however be reasoned that a more satisfying though not perfect English translation has subsequently evolved **The United States Catalog** ,1928 *The Restored New Testament: A New Translation with Commentary, Including the Gnostic Gospels Thomas, Mary, and Judas* Willis Barnstone,2009-09-22 From acclaimed scholar Willis Barnstone The Restored New Testament newly translated from the Greek and informed by Semitic sources For the first time since the King James Version in 1611 Willis Barnstone has given us an amazing literary and historical version of the New Testament Barnstone preserves the original song of the Bible rendering a large part in poetry and the epic Revelation in incantatory blank verse This monumental translation is the first to restore the original Greek Aramaic and Hebrew names Markos for Mark Yeshua for Jesus thereby revealing the Greco Jewish identity of biblical people and places Citing historical and biblical scholarship he changes the sequence of texts and adds three seminal Gnostic gospels Each book has elegant introductions and is thoroughly annotated With its superlative writing and lyrical wisdom The Restored New Testament is a magnificent biblical translation for our age **The United States Catalog** Ida M.
