**A Five-Second Prayer** Dr. Ella L. Gates-Mahmoud,2024-11-08 Receiving a death notice is a surreal experience and I ve had that bitter taste twice in my life Never did I fathom that I d be walking through the valley of the shadow of death once more After all I d endured since birth I believed I d already carried my fair share of suffering So when the doctor delivered the shattering news of a life threatening cancerous tumor it rattled me to the core in a way I never thought I would encounter What I have come to understand more so now than ever before is that prayer has always found a way to bring my troubled spirit a form of peace that I can t understand and a sense of calm and resolution even now as Jews of Israel and Muslims of Palestine continue to fight for what they believe in the Holy Land of Jerusalem Prayer is human communication with the sacred God gods the transcendent realm or supernatural powers But to label prayer solely as a form of

communication is akin to describing a grand symphony as mere notes on a page Prayer is a tapestry woven with threads of human history spirituality and the very essence of our existence In reality prayer is a mosaic of multidimensional practices as old as humanity God Forgive me Cleanse me Make me whole again Amen     *Restoration* James M.
