Restoring Ceramics:

Restoring Ceramics Judith Larney, 1975 *Conservation and Restoration of Ceramics* Susan Buys, Victoria Oakley, 2014-01-23 The *Conservation and Restoration of Ceramics* brings together the wide range of current information relevant to the practising conservator. The book opens with a discussion of the fundamental nature of the ceramic medium, information which is of primary importance when selecting treatments or considering preventive conservation measures. Details on techniques are given in a series of chapters covering the restoration and conservation processes, but the emphasis is on the basic principles involved in the choice of materials and methods. The nature and properties of materials commonly in use are fully discussed and guidance is given on the facilities and equipment needed. Also covered in the book are old restoration materials and methods, the ethics of ceramics conservation, examination and recording, display treatments and emergency procedures. Now in paperback, this book will be invaluable to practising conservators and readers of conservation, as well as of interest to museum curators and collectors.

Porcelain Nigel Williams, 1983 **Pottery and Porcelain Restoration** Roger Hawkins, 2020-04-03 *Pottery and Porcelain Restoration* is a practical guide for amateurs to the craft of the professional restorer. With over 360 photographs, it explains the simplest, safest and ethical techniques that are recommended today and essentially do not further damage your pieces. Written with clear practical detail, it explains the full process and gives unique insight into the delicate job of the ceramic restorer. This new book introduces the history of pottery and porcelain and gives an account of the methods and ethics of ceramic restoration. It gives a complete list and details of materials and equipment and particularly advises on the best choice of glues. It describes the full restoration process from preparation and cleaning to gluing and modelling and finally to painting and gilding and provides step by step instructions for gluing multiple breaks, filling chips and large missing areas, as well as making lids, teapot spouts, hands, leaves, fingers and handles. Restoration examples are illustrated, such as making Beswick horse legs, replacing missing handles on a Chinese jug and painting a Clarice Cliff jug, and finally vital tricks of the trade are shared throughout and useful tips to setting up a workshop are given.
