Restoring Faith Forrest Church, 2009-05-26 During the week following the terrorist attack on September 11 2001 Americans gathered in unprecedented numbers to seek comfort and guidance from their religious leaders Regardless of creed the same questions echoed from the pews Where can we find God amidst the rubble How can we answer hate with greater love Is there hope for peace or are the trumpets of Armageddon less distant than before These were the questions ministers priests imams and rabbis had to address from their pulpits Even as they spoke the soul map of our nation was being recharted The preachers daunting task was to bring hope and direction to a people newly lost Each of these sermons by some of America s greatest preachers is a testament of hope Collectively they rise to the spiritual challenge of our time **The American Creed** Forrest Church, 2003-12-01 What makes us all Americans whatever our differences is adherence to a creed a creed based upon cornerstone truths the founders believed self evident From the earliest days the survival of the new republic hinged not merely upon the expression of these grand principles of liberty and equality but upon their spiritual underpinnings Freedom and faith were intertwined America as a foreign observer once put it is a nation with the soul of a church In this stirring and timely book Forrest Church charts the progress of this creed from the America s beginnings to the present day by evoking those whose words whether in declarations songs inaugural addresses speeches or prayers have expressed its letter and captured its spirit What emerges is our shared destiny Martin Luther King Jr s dream that this country might someday rise up and live out the true meaning of its creed echoes Thomas Jefferson s belief that equal and exact justice to all is the creed of our political faith Our connection with the past represents our commitment to the future and vice versa A spiritual and patriotic primer The American Creed distills the essence of American history while also matching its sweep Church lets the story of the Declaration of Independence unfold before our eyes giving us both the big picture and the details that place it into brilliant focus Those steeped in our nation s heritage will find fresh insight and renewed purpose Those still discovering its riches could have no finer introduction In its scope and embrace this is a book for us all The Just War And Jihad R. **Love & Death** F. Forrester Church, 2008 On a February day in 2008 Forrest Church sent a letter to the members of his congregation informing them that he had terminal cancer his life would now be measured in months not years In that remarkable letter he wrote In more than one respect I feel very lucky He went on to promise that he would sum up his thoughts on the topics that had been so pervasive in his work love and death in a final book Church has been justly celebrated as a writer of American history but his works of spiritual guidance have been especially valued for their insight and inspiration As a minister Church defined religion as our human response to the dual reality of being alive and having to die The goal of life he tells us is to live in such a way that our lives will prove worth dying for This last book in his impressive oeuvre is imbued with ideas and exemplars for achieving that goal The stories he offers drawn from his own experiences and from the lives of his friends family and parishioners are both engrossing and enlightening Forrest Church's final work may be his most lasting gift to his readers Forrest Church a deeply spiritual but always practical visionary is a minister to us all with this moving and instructive book on the lessons of life and death A lovely important book Tom Brokaw Truly a gift one that will echo in my own preaching and teaching and in my own life as well Like Moses gazing at the Promised Land he would not enter Forrest Church blesses us with his eloquence his faith and mostly his love Rabbi Harold Kushner author of When Bad Things Happen to Good People Love but it is also so much more Love Death a meditation on the end of life is really a book about life a book that shows us how to love ourselves and others how to know God how to live I read it with inexpressible gratitude James Atlas author of My Life in the Middle Ages Forrest Church is one of our great prophetic intellectuals and compassionate voices His poignant and wise words on the two ultimate realities of our journey love and death reveal his grand courage and vision Cornel West author of Race Matters This beautiful book by a matchless preacher poet and author is

Forrest Church in his finest hour Senator George McGovern      The A to Z of Unitarian Universalism Mark W. Harris, 2009-07-29 Small though it may be Unitarian Universalism has had a big impact not only on its members but also on the world around it Rejecting the constraints of other Christian denominations it sought tolerance for itself and surprisingly freely granted tolerance to others Evolving in its principles and practices over a relatively short lifetime it shows every sign of developing further reaching beyond Christianity to embrace what is good in other more diverse religions Unitarian Universalism has also regularly been at the forefront in fighting for social causes including abolition temperance women s suffrage pacifism educational reform environmentalism and others Unitarian Universalism has also spread with time First developed in present day Romania and Hungary its center shifted early to England but its most successful story is the way it grew and flourished in the United States This reference covers numerous subjects both historical and contemporary with entries on the places where the church was present many more on significant leaders and an impressive number on causes and issues All the important people events and ideas in this religion are included as well as important late 20th century battles including racism and new principles and purposes      Freedom from Fear Forrest Church, 2004-07 Franklin Roosevelt told us that what we most have to fear is fear itself Forrest Church shows that we can start to overcome it He begins by identifying the five kinds we face in life fright worry guilt insecurity and dread Each has its own logic but their effect singly or collectively is paralysis Conquering fear requires courage to love to act and to be      *The Cathedral of the World* Forrest Church, 2010-10-12 Described by Cornel West as a towering public intellectual and the leading universalist philosopher of his generation Forrest Church was one of the preeminent liberal theologians of our time His final gift *The Cathedral of the World* draws from the entire span of Church s life s work to leave behind a clear statement of his universalist theology and liberal faith Giving new voice to the power of liberal religion Church invites all seekers to enter the Cathedral of the World home to many windows but only one Light      **International Handbook of the Religious, Moral and Spiritual Dimensions in Education** Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04 Traditionally spirituality has resided and been contained within religious frameworks but while the links between the two areas are still acknowledged by many in the contemporary world spirituality is perceived by some as an aspect of human life that is distinct from religion Consequently many are searching for meaning within and without religious traditions today and seeking answers to ethical and moral questions that have been generated by the knowledge and technological explosion One outcome is the renewed interest in the religious spiritual and moral dimensions of education throughout the life cycle This International Handbook presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education The result is a collection of essays which reflects the discipline in all of its internationality as it as today Embedded within the chapters is also an agenda for the future where the religious moral and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in

society As well it offers a vision for the emergence of a peaceful and just world *Being Alive and Having to Die* Dan Cryer,2011-10-25 One of the year s Top Ten Books on Religion and Spirituality Booklist *Being Alive and Having to Die* is the story of the remarkable public and private journey of Reverend Forrest Church the scholar activist and preacher whose death became a way to celebrate life Through his pulpit at the prestigious Unitarian Church of All Souls in New York Reverend Forrest Church became a champion of liberal religion and a leading opponent of the religious right An inspired preacher a thoughtful theologian and an eloquent public intellectual Church built a congregation committed to social service for people in need while writing twenty five books hosting a cable television program and being featured in *People* *Esquire* *New York Magazine* and on numerous national television and radio appearances *Being Alive and Having to Die* works on two levels as an examination of liberal religion during the past 30 years of conservative ascendancy and as a fascinating personal story Church grew up the son of Senator Frank Church of Idaho famous for combating the Vietnam War in the 1960s and the CIA in the 1970s Like many sons of powerful fathers he rebelled and took a different path in life which led him to his own prominence Then in 1991 at the height of his fame he fell in love with a married parishioner and nearly lost his pulpit Eventually he regained his stature overcame a long secret alcoholism wrote his best books and found himself diagnosed with terminal cancer His three year public journey toward death brought into focus the preciousness of life not only for himself but for his ministry Based on extraordinary access to Church and over 200 interviews with family friends and colleagues Dan Cryer bears witness to a full fascinating at time controversial life *Being Alive and Having to Die* is an honest look at an imperfect man and his lasting influence on modern faith *Bringing God Home* Forrest Church,2003-06-14 Praise for *Bringing God Home* A profound book As we set out to bring God home we are the ones who return home Archbishop Desmond Tutu Forrest Church is a perfect guide through the oceans of belief Diane Ackerman *Bringing God Home* is a book whose arrival could not have come at a more important moment in human history Faye Wattleton Intensely human and mystically profound A spiritually hungry world will love this book Bishop John Shelby Spong Using his own spiritual quest as a starting point Forrest Church has written a book that will comfort and inspire readers of all backgrounds and creeds Drawing insight and courage from poets philosophers and prophets from across the ages and from ordinary people from across the street he challenges us to set out on the journey of our lives and then guides our steps back home *The Holy Intimacy of Strangers* Sarah York,2002-11-08 In *The Holy Intimacy of Strangers* Sarah York explores our common yearning for deeper and more meaningful connection with one another The book presents the paradox we often observe how our seemingly casual interactions with strangers can unlock the door to our hearts and help us discover how we need and yet often resist true intimacy in our relationships This provocative book gives us a new way to look at the qualities of our exchanges with strangers Once we begin this journey we can trace the outlines of our lives together in community our expressions of caring and hospitality the costs of prejudice and judgment our fears and defensiveness the tension between

being inclusive or exclusive our expectations and assumptions about one another      **A Purple State of Mind** Craig Detweiler, 2008 Our culture has been reeling from divisiveness and strife People have been divided politically into red and blue states morally and spiritually How can you reach across these rifts mend fractured relationships and share the healing love of God You can become a purple Christian a follower of Christ who finds middle ground not to compromise but to converse A purple Christian embodies the love of God and avoids evangelistic cliches encourages creativity and the arts as expressions of God s goodness revels in love and joy but also faces disappointment and doubt honestly advocates for all people not only the unborn but also those lacking education and health care or struggling with poverty helps all people experience the benefits of Christ s reign instead of determining who is in and who is out Christians have become known for what they oppose rather than what they propose faith hope and love A Purple State of Mind dismantles unhelpful misrepresentations of Jesus life giving message and shows how you can live out the good news in a pluralistic world Book jacket      *The Publishers Weekly* ,2002      Subject Guide to Books in Print ,1991      *Books Out Loud* ,2004      **The Book Review Digest** ,2003      **The Writers Directory** ,2004      **Who's who in America** ,2003      **Special Warfare** ,2005
