## **Restoring The Village Values And Commitment:**

**Restoring the Village, Values, and Commitment** Jawanza Kunjufu, 1996 How can African Americans reduce their divorce rate of six percent What are the four stages of a relationship Can black families survive if the black can't find employment Could this be the first generation that does not exceed their parents in academic achievement This book answers those questions and also addresses the four stages of a relationship why African American females lead the world in teen pregnancy and why more fathers do not remain in the home with their children *Achieving Blackness* Algernon Austin, 2006-04-10 *Achieving Blackness* offers an important examination of the complexities of race and ethnicity in the context of black nationalist movements in the United States By examining the rise of the Nation of Islam the Black Power Movement of the 1960s and 1970s and the Afrocentric era of the 1980s through 1990s Austin shows how theories of race have shaped ideas about the meaning of Blackness within different time periods of the twentieth century *Achieving Blackness* provides both a fascinating history of Blackness and a theoretically challenging understanding of race and ethnicity Austin traces how Blackness was defined by cultural ideas social practices and shared identities as well as shaped in response to the social and historical conditions at different moments in American history Analyzing black public opinion on black nationalism and its relationship with class Austin challenges the commonly held assumption that black nationalism is a lower class phenomenon In a refreshing and final move he makes a compelling argument for rethinking contemporary theories of race away from the current fascination with physical difference which he contends sweeps race back to its misconceived biological underpinnings *Achieving Blackness* is a wonderful contribution to the sociology of race and African American Studies
