

# Restructuring Post-Communist Russia

Edited by Yitzhak Brudny,  
Jonathan Frankel, and  
Stefani Hoffman

CAMBRIDGE

# Restructuring Post Communist Russia

**Anatoly M. Khazanov, Stanley Payne**

## **Restructuring Post Communist Russia:**

**Restructuring Post-Communist Russia** Yitzhak Brudny, Jonathan Frankel, Stefani Hoffman, 2004-06-21 Since the fall of the Soviet Union in 1991 the question of whither Russia has been the source of ceaseless speculation both at home and abroad In search of answers twelve highly qualified scholars examine the complex interplay between continuity and change that has marked developments in Russia under the leadership first of Boris Yeltsin and now of Vladimir Putin Analysing the recent past they also peer into the country s future In his introduction to the volume Peter Rutland asks whether we are witnessing the gradual entrenchment of parliamentary democracy the slow return to autocracy or mere political stagnation Restructuring Post Communist Russia poses the fundamental questions while providing the information and analysis needed to give the at least preliminary answers *Divergent Paths in Post-Communist Transformation* O. Havrylyshyn, 2006-02-20

The most comprehensive and up to date analysis of the successes and failures of 27 countries post communism transformation Looking at life after the fall of the Berlin wall in 1989 the book examines and contrasts why some countries have virtually completed their transformation to a liberal polity and economy while others lag behind **The Political Economy of Post-Soviet Russia** V. Tikhomirov, 2000-05-15 This book deals with general political and economic developments that took place in Russia since the collapse of the Soviet Union The major aim of the book is to analyse successes and failures of Russian reform attempts as well as their effect on the development of Russian regions particularly from the point of view of interrelation between socio economic tendencies and political developments Analysis concentrates on both national dynamics and dynamics of development in three main groups of regions mining agricultural and manufacturing *Ethnic Relations in Post-Soviet Russia* Andrew Foxall, 2014-10-03 While the collapse of communism in Russia was relatively peaceful ethnic relations have been deteriorating since then This deterioration poses a threat to the functioning of the Russian state and is a major obstacle to its future development Analysing ethnic relations in the North Caucasus this book demonstrates how a myriad of processes that characterised post Soviet transition including demographic change economic upheaval geopolitical instability and political re structuring have affected daily life for citizens It raises important questions about ethnicity identity nationalism sovereignty and territoriality in the post Soviet space

**Postcommunist Welfare States** Linda J. Cook, 2013-07-02 In the early 1990s the countries of the former Soviet Bloc faced an urgent need to reform the systems by which they delivered broad basic social welfare to their citizens Inherited systems were inefficient and financially unsustainable Linda J Cook here explores the politics and policy of social welfare from 1990 to 2004 in the Russian Federation Poland Hungary Belarus and Kazakhstan Most of these countries she shows tried to institute reforms based on a liberal paradigm of reduced entitlements and subsidies means testing and privatization But these proposals provoked opposition from pro welfare interests and the politics of negotiating change varied substantially from one political arena to another In Russia for example liberalizing reform was blocked for a decade Only as

Vladimir Putin rose to power did the country change its inherited welfare system Cook finds that the impact of economic pressures on welfare was strongly mediated by domestic political factors including the level of democratization and balance of pro and anti reform political forces Postcommunist welfare politics throughout Russia and Eastern Europe she shows are marked by the large role played by bureaucratic welfare stakeholders who were left over from the communist period and in weak states by the development of informal processes in social sectors

### **Left Parties And Social Policy In**

**Postcommunist Europe** Linda J Cook,2020-04-28 This book attempts to explain why and to evaluate what the return of the left has meant for the social policy of the states they have helped govern It focuses on the East Central European countries of Poland Hungary and the Czech Republic significantly Russia

### **Migration, Refugee Policy, and State Building in**

**Postcommunist Europe** Oxana Shevel,2011-10-24 Why do similar postcommunist states respond differently to refugees Why do some states privilege certain refugee groups while other states do not This book presents a theory to account for this puzzle and it centers on the role of the politics of nation building and of the office of the UN High Commissioner for Refugees UNHCR A key finding of the book is that when the boundaries of a nation are contested and thus there is no consensus on which group should receive preferential treatment in state policies a political space for a receptive and nondiscriminatory refugee policy opens up The book speaks to the broader questions of how nationalism matters after communism and under what conditions and through what mechanisms international actors can influence domestic policies The analysis is based on extensive primary research the author conducted in four languages in the Czech Republic Poland Russia and Ukraine

**Rural Adaptation in Russia** Stephen K. Wegren,2022-05-19 The current dominant approach to Russian peasant behaviour emphasizes rural resistance to reform in broad terms and to the introduction of market forces in particular Bringing together some of the finest scholars on rural Russia this groundbreaking volume examines this perception with an analysis of both historical and contemporary patterns of rural adaptation in Russia Four articles included analyze peasant responses in the post Soviet era and focus on the relationship between poverty and rural adaptation the social origins of private farmers in southern Russia and Ukraine response patterns by large farms formerly collective and state farms household adaptation using a standardized set of criteria This fascinating book gives an illuminating picture of the ways in which peasants respond to new environmental conditions and stimuli created by reform The substantive material included draws on fieldwork and survey data collected from rural Russia from the Stolypin reforms in the pre Soviet era and collectivisation of agriculture during the 1930s in the Soviet era This book was previously as a special issue of The Journal of Peasant Studies

The Politics of Protest in Hybrid Regimes Graeme B. Robertson,2010-12-20 Since the end of the Cold War more and more countries feature political regimes that are neither liberal democracies nor closed authoritarian systems Most research on these hybrid regimes focuses on how elites manipulate elections to stay in office but in places as diverse as Bolivia Georgia Kyrgyzstan Serbia Thailand Ukraine and Venezuela protest in the streets has been at least as important as

elections in bringing about political change The Politics of Protest in Hybrid Regimes builds on previously unpublished data and extensive fieldwork in Russia to show how one high profile hybrid regime manages political competition in the workplace and in the streets More generally the book develops a theory of how the nature of organizations in society state strategies for mobilizing supporters and elite competition shape political protest in hybrid regimes *Perpetrators, Accomplices and Victims in Twentieth-Century Politics* Anatoly M. Khazanov, Stanley Payne, 2013-09-13 These studies examine the ways in which succeeding democratic regimes have dealt with or have ignored and in several cases sugar coated an authoritarian or totalitarian past from 1943 to the present They treat the relationship with democratization and the different ways in which collective memory is formed and dealt with or ignored and suppressed Previous books have examined only restricted sets of countries such as western or eastern Europe or Latin America The present volume treats a broader range of cases than any preceding account and also a much broader time span investigating diverse historical and cultural contexts and the role of national identity and nationalism studying the aftermath of both fascist and communist regimes in both Europe and Asia in an interdisciplinary framework while the conclusion provides a more complete comparative perspective than will be found in any other work The book will be of interest to historians and political scientists and to those interested in fascism communism legacies of war democratization collective memory and transitional justice This book was previously published as a special issue of Totalitarian Movements and Political Religions

**Putin's Labor Dilemma** Stephen Crowley, 2021-07-15 In Putin's Labor Dilemma Stephen Crowley investigates how the fear of labor protest has inhibited substantial economic transformation in Russia Putin boasts he has the backing of workers in the country's industrial heartland but as economic growth slows in Russia reviving the economy will require restructuring the country's industrial landscape At the same time doing so threatens to generate protest and instability from a key regime constituency However continuing to prop up Russia's Soviet era workplaces writes Crowley could lead to declining wages and economic stagnation threatening protest and instability Crowley explores the dynamics of a Russian labor market that generally avoids mass unemployment the potentially explosive role of Russia's monotowns conflicts generated by massive downsizing in Russia's Detroit Tol'yatti and the rapid politicization of the truck drivers movement Labor protests currently show little sign of threatening Putin's hold on power but the manner in which they are being conducted point to substantial chronic problems that will be difficult to resolve Putin's Labor Dilemma demonstrates that the Russian economy must either find new sources of economic growth or face stagnation Either scenario market reforms or economic stagnation raises the possibility even probability of destabilizing social unrest

**The Sacred in Twentieth-Century Politics** R. Griffin, R. Mallett, J. Tortorice, 2008-11-05 The emerging shape of the post Cold War world provides evidence that rather than diminishing the profound intersection of political ideology and religious forms of belief is an ever more potent force in world affairs This volume offers both theoretic underpinnings and a comparative analysis that elucidates this potent and dangerous phenomenon

**Coloured Revolutions and Authoritarian Reactions**

Evgeny Finkel, Yitzhak M. Brudny, 2014-07-17 Between 2000 and 2005 colour revolutions swept away authoritarian and semi authoritarian regimes in Serbia Georgia Kyrgyzstan and Ukraine Yet after these initial successes attempts to replicate the strategies failed to produce regime change elsewhere in the region The book argues that students of democratization and democracy promotion should study not only the successful colour revolutions but also the colour revolution prevention strategies adopted by authoritarian elites Based on a series of qualitative country focused studies the book explores the whole spectrum of anti democratization policies adopted by autocratic rulers and demonstrates that authoritarian regimes studied democracy promotion techniques used in various colour revolutions and focused their prevention strategies on combatting these techniques The book proposes a new typology of authoritarian reactions to the challenge of democratization and argues that the specific mix of policies and rhetoric adopted by each authoritarian regime depended on the perceived intensity of threat to regime survival and the regime s perceived strength vis vis the democratic opposition This book was published as a special issue of Democratization

*Identity and Foreign Policy* Mr Piret Ehin, Professor Eiki Berg, 2013-03-28 Baltic Russian relations have been complicated and tense since the collapse of the USSR and the restoration of Estonian Latvian and Lithuanian independence Although Baltic accession to the European Union EU has created a new international context for interstate relations in the region enlargement did not bring about the much hoped for improvement in Baltic Russian relations This case study rich volume examines links between identity memory politics and foreign policy It analyzes and explains developments in Baltic Russian relations after both NATO and EU enlargement focusing on the incompatibility of Baltic and Russian post Soviet national identity constructions and the manifestations of this underlying antagonism in bilateral relations and on the broader European and international arena Built on the constructivist perspective in international relations this volume provides a coherent and illuminating account of the dynamics of Baltic Russian relations after NATO and EU enlargement Combining policy relevant analysis with theoretical insights it will meet the needs of academics and students of foreign policy EU external relations and international relations more generally

**The New Third Rome** Jardar Østbø, 2016-05-03 Drawing on theories of political myth and concepts of nationalism Jardar stb analyzes the content and ideological function of the myth of Russia as a Third Rome Through case studies of four prominent nationalist intellectuals stb shows how this messianic myth was used to reinvent Russia and its allegedly rightful place in the world after the collapse of the Soviet Union Though it exists in many radically different versions the Third Rome myth in general embodies particularism and rabid anti Westernism At best it portrays Russia as an essentially isolationist country At worst it casts the country as superior to all other nations divinely elected to rule the world

**Identities and Politics During the Putin Presidency** Philipp Casula, Jeronim Perovic, 2009-11-01 How could an undemocratic regime manage to stabilise Russia What is Putin s success formula What are the symbolic and discursive underpinnings of Russia s new stability Many outside observers of Russia regarded the authoritarian tendencies during the Putin presidency as a retreat from or even the end of

democratization Rather than attempting to explain why Russia did not follow the trajectory of democratic transformation this book aims to attain an understanding of the stabilization process during Putin s tenure as president Proceeding from the assumption that the stability created under Putin is multi layered the authors attempt to uncover the underpinnings of the new equilibrium inquiring especially about the changes and fixations that occurred in the discourses on political and national identity In doing so the authors analyse the trajectories of the past years from the traditional perspective of transitology as well as through the lens of post structuralist discourse theory The two approaches are seen as complementary with the latter focusing less on the end point of transition than on the nature of the mechanisms that stabilize the current regime The book focuses on how nationalism became an increasingly important tool in political discourse and how it affected political identity Sovereign democracy is seen by many contributors as the most explicit manifestation of a newfound post Soviet identity drawing on nationalist ideas while simultaneously appeasing most sectors of the Russian political spectrum **The**

**Comparative Approach to National Movements** Alexander Maxwell, 2014-07-16 Miroslav Hroch s Social Preconditions of National Revival has profoundly influenced the study of nationalism since it first appeared in English translation particularly because of its famous three phase model for describing and analyzing national movements in Eastern Europe Contributors to this book explore Hroch s continued relevance to the field of nationalism studies with four case studies and two theoretical historiographic essays Two case studies apply Hroch s thinking to Eastern Europe in light of subsequent historiography finding that Hroch s ideas remain useful for understanding national movements in Belarus and among the Kuban Cossacks Two further studies apply Hroch s schema to the Mexican independence movement and contemporary Pakistan times and places that Hroch specifically excluded from his own considerations The first theoretical contribution seeks to apply Begriffsgeschichte to Hroch s work the second suggests that Hroch s phases form a useful typology of nationalism thus facilitating communication between different branches of nationalism studies Hroch ends the volume with his own commentary on the various contributions This book was published as a special issue of Nationalities Papers **The Oxford**

**Handbook of Pierre Bourdieu** Thomas Medvetz, Jeffrey J. Sallaz, 2018 The Oxford Handbook of Pierre Bourdieu examines the legacy of one of the most influential social thinkers of the last half century Taken together these writings offer a comprehensive overview of Bourdieu s biography his main theoretical ideas and his ongoing influence on the social sciences

Routledge Handbook of Russian Politics and Society Graeme Gill, James Young, 2013-03 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes

General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially  
Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer  
questions about democratic transition the relationship between the market and democracy stability and authoritarian politics  
the development of civil society the role of crime and corruption and the creation of a market economy Providing a  
comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian  
Studies Eastern European studies and International Relations      **Dilemmas of Transition in Post-Soviet Countries** Joel  
C. Moses, 2003 Exploring the tensions inherent in transition this perceptive book offers a wide ranging overview of the impact  
of democracy and capitalism on the former Soviet republics Leading scholars assess the region s daunting problems in the  
key realms of privatization democratization foreign investment agrarian reform local governance and market economics The  
contributors argue that the central dilemma facing all these fledgling countries is the inherent contradiction between the  
immediate pursuit of privatization and foreign investment and the long term policy goal of democratization Offering both  
theoretical and comparative perspectives on the far reaching implications of nation building and democratic transition this  
valuable study will enable both students and scholars to comprehend the unique difficulties of transition

## **Restructuring Post Communist Russia Introduction**

In today's digital age, the availability of Restructuring Post Communist Russia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Restructuring Post Communist Russia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Restructuring Post Communist Russia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Restructuring Post Communist Russia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Restructuring Post Communist Russia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Restructuring Post Communist Russia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Restructuring Post Communist Russia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Restructuring Post Communist Russia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Restructuring Post Communist Russia books and manuals for download and embark on your journey of knowledge?

### FAQs About Restructuring Post Communist Russia Books

**What is a Restructuring Post Communist Russia PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Restructuring Post Communist Russia PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Restructuring Post Communist Russia PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Restructuring Post Communist Russia PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Restructuring Post Communist Russia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many

free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
