Cyclical Time & Ismaili Gnosis Henry Corbin,2013-01-11 First published in 1983 The volume Cyclical Time and Ismaili Gnosis brings together in English translation three of Henry Corbin s richest and most complex studies originally presented at the Eranos conferences of 1951 and 1954 and another conference in 1956 Each of these three relatively early studies is built around a complex highly creative comparison of the phenomenological correspondences between texts often highly fragmentary from a vast range of spiritual traditions from late Antiquity including Manichaenism and the sects of Sassanid Iran all gnostic in the root Greek sense of that term favoured by Corbin though not in the narrower historical sense used by most contemporary scholars and comparable spiritual themes in an equally wide range of Islamic texts eventually preserved in the later Ismaili Shi i tradition **Cyclical Time and Ismaili Gnosis** Henry Corbin,1983 First Published in 1983

Routledge is an imprint of Taylor Francis an informa company **An Anthology of Philosophy in Persia, Vol. 5** S. H. Nasr,Mehdi Aminrazavi,2014-11-17 Persia is home to one of the few civilizations in the world that has had a continuous tradition of philosophical thought lasting more than two and a half millennia From the time Zoroaster brought the Gathas the sacred scripture of Zoroastrianism until today it has had a philosophical tradition comprising diverse schools and various languages including Avestan and Pahlavi as well as Arabic and Persian The West has seen surveys of Persian art and anthologies of Persian literature but this work is the first to present a millennial tradition of philosophy in Persia in the form of translated selections and introductory sections for each period and figure Existing translations have been used where possible but most of the selections have been newly translated for this work which with the help of the explanatory introductions makes possible an intellectual journey into a philosophical continent much of which has been uncharted for Westerners until now The fifth and final volume of An Anthology of Philosophy in Persia deals with some seven centuries of Islamic thought stretching from the era following the Mongol invasion to the end of the Qajar period Organized around the cities which became the main centres of philosophical activity during this long period the volume is divided into three parts The School of Shiraz whose importance not only for Persia but also for Ottoman Turkey and Muslim India is only now being recognized The School of Isfahan which marks the integration of some eight centuries of Islamic thought and culminates with Mulla Sadra and finally The School of Tehran where traditional philosophy first encountered modern thought in Persia bringing this series into present times The Oxford Handbook of the Reception of Aquinas Matthew Levering,Marcus Plested,2021 This Handbook provides a comprehensive survey of Catholic Orthodox and Protestant philosophical and theological reception of Thomas Aquinas over the past 750 years **The Splitting of the Adam: It's time to Awaken!** Don Felumlee,2017-04-18 More than any inspired sermon or theologically correct teaching there s but one prevailing message which clearly emanates throughout the entirety of the scriptures Our loving Heavenly Father is desperately

yearning to touch his broken and fallen creation Before this can happen however from the chosen mouthpiece of a prophetic firstfruits company there must first and foremost resound an eye opening message of earth shaking significance for the somber sleeping church which he shall ultimately work through must first be awakened into the image of God A splitting of the Adam must eventually take place within the ever longing hearts of his beloved children Yes indeed my friend a splitting of the Adam must inevitably take place within you Join us now if you dare beloved as author and teacher Don Felumlee proclaims a fresh divine perspective of the coming of the Lord I have looked high and low for explanations on resurrection and have not found anything as thoroughly detailed and understanding as in your book I m enjoying the read Pastor Joe Shutts New Freedom Church Lebanon Ohio
