Rethinking Congressional Reform:

Rethinking Congressional Reform Burton D. Sheppard, 1985 Rethinking Congressional Reform Burton D. Sheppard, 1985 **Why Congressional Reforms Fail** E. Scott Adler, 2002-06-15 For decades advocates of congressional reforms have repeatedly attempted to clean up the House committee system which has been called inefficient outmoded unaccountable and even corrupt Yet these efforts result in little if any change as members of Congress who are generally satisfied with existing institutions repeatedly obstruct what could fairly be called innocuous reforms What lies behind the House's resistance to change Challenging recent explanations of this phenomenon Scott Adler contends that legislators resist rearranging committee powers and jurisdictions for the same reason they cling to the current House structure the ambition for reelection The system's structure works to the members advantage helping them obtain funding and favor in their districts Using extensive evidence from three major reform periods the 1940s 1970s and 1990s Adler shows that the reelection motive is still the most important underlying factor in determining the outcome of committee reforms and he explains why committee reform in the House has never succeeded and probably never will Rethinking Congressional Reform Burton Sheppard, 1985-05-01 **Congressional Reform** Leroy N. Rieselbach, 1994 **Why Congress** Philip A. Wallach, 2023 To so many Americans Congress seems obsolete or useless Why do we even bother with it Why Congress offers a defense of Congress as the indispensable branch of government alongside a compelling account of how the institution has become so dysfunctional At its best in the mid 20th century Congress solved immense challenges like civil rights but Wallach's history shows how the subsequent rise of powerful leadership and the decline of committees have left Congress divided and decrepit As society feels divided and politics feels gridlocked Why Congress argues that only a revival of legislative deliberation can resolve our most pressing challenges *Thinking about Political Reform* John R. Johannes, 2016 Thinking About Political Reform How to Fix or Not Fix American Government and Politics offers the most comprehensive yet easily readable and well researched analysis of the major flaws and weaknesses of American political institutions and processes with a thorough list and analysis of reform proposals considered in the light of the scholarship of political science economics and law The Rise of the Right to Know Michael Schudson, 2015-09-14 Modern transparency dates to the 1950s 1960s and 1970s well before the Internet Michael Schudson shows how the right to know has defined a new era for democracy less focus on parties and elections more pluralism and more players year round monitoring of government and a blurring line between politics and society public and private *The Oxford Handbook of the American Congress* Eric Schickler, Frances E. Lee, 2013-03-14 No legislature in the world has a greater influence over its nation's public affairs than the US Congress The Congress's centrality in the US system of government has placed research on Congress at the heart of scholarship on American politics Generations of American government scholars working in a wide range of methodological traditions have focused their analysis on understanding Congress both as a lawmaking and a representative institution The purpose of this

volume is to take stock of this impressive and diverse literature identifying areas of accomplishment and promising directions for future work. The editors have commissioned 37 chapters by leading scholars in the field; each chapter critically engages the scholarship focusing on a particular aspect of congressional politics including the institution's responsiveness to the American public, its procedures and capacities for policymaking, its internal procedures and development relationships between the branches of government and the scholarly methodologies for approaching these topics. The Handbook also includes chapters addressing timely questions including partisan polarization, congressional war powers and the supermajoritarian procedures of the contemporary Senate. Beyond simply bringing readers up to speed on the current state of research, the volume offers critical assessments of how each literature has progressed or failed to progress in recent decades. The chapters identify the major questions posed by each line of research and assess the degree to which the answers developed in the literature are persuasive. The goal is not simply to tell us where we have been as a field but to set an agenda for research on Congress for the next decade. The Oxford Handbooks of American Politics are a set of reference books offering authoritative and engaging critical overviews of the state of scholarship on American politics. Each volume focuses on a particular aspect of the field. The project is under the General Editorship of George C. Edwards III and distinguished specialists in their respective fields edit each volume. The Handbooks aim not just to report on the discipline but also to shape it as scholars critically assess the scholarship on a topic and propose directions in which it needs to move. The series is an indispensable reference for anyone working in American politics.

General Editor for The Oxford Handbooks of American Politics: George C. Edwards III

American Labor, Congress, and the Welfare State, 1935-2010 Tracy Roof, 2021-04-27

A study of the relationship between the U.S. Congress and the American labor movement over the course of a 75-year period. Despite achieving monumental reforms in the United States such as the eight-hour workday, a federal minimum wage, and workplace health and safety laws, organized labor's record on much of its agenda has been mixed. Tracy Roof's sweeping examination of labor unions and the American legislative process explains how this came to be and what it means for American workers. Tracing a 75-year arc in labor movement history, Roof discusses the complex interplay between unions and Congress, showing the effects of each on the other, how the relationship has evolved, and the resulting political outcomes. She analyzes labor's success at passing legislation and pushing political reform in the face of legislative institutional barriers such as the Senate filibuster and an entrenched and powerful committee structure. Roof looks at the roots and impact of the interdependent relationship between the Democratic Party and the labor movement and assesses labor's prospects for future progress in creating a comprehensive welfare state. Roof's original investigation details the history, actions, and consequences of major policy battles over areas such as labor law reform and health care policy. In the process, she brings to light practical and existential questions for labor leaders, scholars, and policy makers. Although American labor remains a force within the political process, decades of steadily declining membership and hostile political forces pose real threats to the movement. Roof

s shrewd exploration of unions Congress and the political process challenges conventional explanations for organized labor s political failings

The Polarizers Sam Rosenfeld,2017-12-28 Rosenfeld s insightful study of the development of political parties since World War II is highly instructive for our current moment Kirkus Reviews Even in this most partisan and dysfunctional of eras we can all agree on one thing Washington is broken Politicians take increasingly inflexible and extreme positions leading to gridlock partisan warfare and the sense that our seats of government are nothing but cesspools of hypocrisy childishness and waste The shocking reality though is that modern polarization was a deliberate project carried out by Democratic and Republican activists In *The Polarizers* Sam Rosenfeld details why bipartisanship was seen as a problem in the postwar period and how polarization was then cast as the solution Republicans and Democrats feared that they were becoming too similar and that a mushy consensus imperiled their agendas and even American democracy itself Thus began a deliberate move to match ideology with party label with the toxic results we now endure Rosenfeld reveals the specific politicians intellectuals and operatives who worked together to heighten partisan discord showing that our system today is not solely a product of gradual structural shifts but of deliberate actions motivated by specific agendas Rosenfeld reveals that the story of Washington s transformation is both significantly institutional and driven by grassroots influences on both the left and the right *The Polarizers* brilliantly challenges and overturns our conventional narrative about partisanship but perhaps most importantly it points us toward a new consensus if we deliberately created today s dysfunctional environment we can deliberately change it A timely and significant contribution to the literature on political sorting and polarization Highly recommended Choice

Party Wars Barbara Sinclair,2014-10-22 *Party Wars* is the first book to describe how the ideological gulf now separating the two major parties developed and how today s fierce partisan competition affects the political process and national policy Barbara Sinclair traces the current ideological divide to changes in the Republican party in the 1970s and 1980s including the rise of neoconservatism and the Religious Right Because of these historical developments Democratic and Republican voters today differ substantially in what they consider good public policy and so do the politicians they elect Polarization has produced institutional consequences in the House of Representatives and in the Senate witness the majority party s threat in 2004 2005 to use the nuclear option of abolishing the filibuster The president s strategies for dealing with Congress have also been affected raising the price of compromise with the opposing party and allowing a Republican president to govern largely from the ideological right Other players in the national policy community interest groups think tanks and the media have also joined one or the other partisan team *Party Wars* puts all the parts together to provide the first government wide survey of the impact of polarization on national politics Sinclair pinpoints weaknesses in the highly polarized system and offers several remedies

Party Discipline in the U.S. House of Representatives Kathryn Pearson,2015-08-06 Political party leaders in the U S House of Representatives command greater loyalty than ever from fellow party members in roll call votes campaign contributions and partisan speeches In return leaders

reward compliant members with opportunities to promote constituent interests and to advance their own political careers Denial of such privileges as retribution against those who don't fully support the party agenda may significantly damage a member's prospects Kathryn Pearson examines the disciplinary measures that party leaders in the U.S. House of Representatives employ to exact such loyalty as well as the consequences for a democratic legislature Drawing upon data from 1987-2010 Pearson identifies the conditions under which party leaders opt to prioritize policy control and those which induce them to prioritize majority control She then assesses the ways in which these choices affect on one hand the party's ability to achieve its goals and on the other hand rank and file members ability to represent their constituents Astute party leaders recognize the need for balance as voters could oust representatives who repeatedly support the party's agenda over their constituents concerns thereby jeopardizing the number of seats their party holds In her conclusion Pearson discusses the consequences of party discipline such as legislative gridlock stalled bills and proposals banned from the agenda Although party discipline is likely to remain strong as citizens become more cognizant of enforced party loyalty their increasing dissatisfaction with Congress may spur change

The Ultimate Insiders Stephen Hess, 2010-12-01 In this book Stephen Hess examines why certain Senators are considered more newsworthy than others Using interviews observation and statistical studies he identifies the major factors that influence media coverage

Building the Bloc Ruth Bloch Rubin, 2017-08-11 When will dissident members of a Congress successfully seize power from their party leaders and fellow lawmakers When they organize

Disjointed Pluralism Eric Schickler, 2011-06-27 From the 1910 overthrow of Czar Joseph Cannon to the reforms enacted when Republicans took over the House in 1995 institutional change within the U.S. Congress has been both a product and a shaper of congressional politics For several decades scholars have explained this process in terms of a particular collective interest shared by members be it partisanship reelection worries or policy motivations Eric Schickler makes the case that it is actually interplay among multiple interests that determines institutional change In the process he explains how congressional institutions have proved remarkably adaptable and yet consistently frustrating for members and outside observers alike Analyzing leadership committee and procedural restructuring in four periods 1890 1910 1919 1932 1937 1952 and 1970 1989 Schickler argues that coalitions promoting a wide range of member interests drive change in both the House and Senate He shows that multiple interests determine institutional innovation within a period that different interests are important in different periods and more broadly that changes in the salient collective interests across time do not follow a simple logical or developmental sequence Institutional development appears disjointed as new arrangements are layered on preexisting structures intended to serve competing interests An epilogue assesses the rise and fall of Newt Gingrich in light of these findings Schickler's model of disjointed pluralism integrates rational choice theory with historical institutionalist approaches It both complicates and advances efforts at theoretical synthesis by proposing a fuller more nuanced understanding of institutional innovation and thus of American political

development and history *Congress A-Z* Staff of Congressional Quarterly, 2013-12-16 A ready reference encyclopedia now in its Third Edition detailing the workings and personalities of the U S Congress written in language that will be comprehensible to any level of researcher 250 entries provide in depth coverage of how Congress functions Entries range from short definitions to a series of core essays exploring the legislative process the seniority system the committee system the budget process and other broad areas The Politics Of Interests Mark P Petracca, 2018-02-19 This is a thematically unified survey of current and significant issues affecting interest group politics and scholarship in the USA Petracca has drawn together interest group scholars and practitioners to write 16 original essays dedicated to making the best and newest research accessible to students at all levels The mix of perspectives and approaches aims to offer a stimulating analysis of contemporary American interest group activity Legislators, Leaders, and Lawmaking Barbara Sinclair, 1998-06-26 Recently plagued by gridlock huge deficits and deep policy differences Congress has often been the target of relentless and bitter criticism Asking how the House performs its legislative functions in such a context political scientist Barbara Sinclair traces the emergence of a House majority party leadership that is highly active and deeply involved in multiple aspects of the legislative process **Spearheading Environmental Change** Jill P. May, Robert E. May, 2022-04-15 Spearheading Environmental Change The Legacy of Indiana Congressman Floyd J Fithian describes the life of a four term United States congressman focusing on his role in the emerging environmental movement in late twentieth century America Spearheading Environmental Change highlights Fithian s legislative efforts regarding three water related issues that profoundly concerned Hoosier and midwestern voters creating a national park on the Indiana shoreline of Lake Michigan canceling dam construction near Purdue University and mitigating flooding in the Kankakee River Basin The book also covers Fithian s positions on ecologically sensitive issues such as pesticides noise pollution fossil fuels and nuclear power Largely remembered for his participation in the Democratic reform wave that took over Congress in 1975 post Watergate the so called Class of 74 and as an advocate for Hoosier farmers Fithian has been overlooked for his role as a force to be reckoned with on the House floor when it came to the nation s environmental challenges Fithian was a highly ethical pragmatic reformer bent on preserving his country s natural resources Spearheading Environmental Change gives Fithian the credit he deserves as an environmental warrior on the national stage

Recognizing the pretentiousness ways to acquire this book **Rethinking Congressional Reform** is additionally useful. You have remained in right site to start getting this info. get the Rethinking Congressional Reform colleague that we allow here and check out the link.

You could buy guide Rethinking Congressional Reform or get it as soon as feasible. You could speedily download this Rethinking Congressional Reform after getting deal. Rethinking Congressional Reform Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rethinking Congressional Reform has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rethinking Congressional Reform has opened up a world of possibilities. Downloading Rethinking Congressional Reform provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rethinking Congressional Reform has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rethinking Congressional Reform. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rethinking Congressional Reform. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rethinking Congressional Reform, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rethinking Congressional Reform has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rethinking Congressional Reform Books

1. Where can I buy Rethinking Congressional Reform books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rethinking Congressional Reform book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rethinking Congressional Reform books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Rethinking Congressional Reform audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media.

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Rethinking Congressional Reform books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
