Prosper,Didosphere,2018-02-08 IF YOU ARE WORRIED ABOUT A STOCK MARKET CRASH YOU MUST READ THIS BOOK

UPDATE Includes information on how the new tax law the TAX CUTS and JOBS ACT of 2017 PUBLIC LAW 115 97 affects the retirement strategy in this book A healthy and stress free lifestyle is the best gift you can give to yourself and to your loved ones What is the point of living longer in retirement if you are in poor health living in constant pain and you have become a burden to your family The retirement strategy in this book is a straight line route towards a six million dollar retirement nest egg Sufficient retirement savings will minimize your stress worries and anxieties Enough money will improve your quality of life in retirement When you have this amount of money in retirement you can eschew any of the other investments and retirement schemes financial and retirement planners insurance agents and annuity salesmen try to sell you Annuities permanent life insurance tax free retirement planning Medicaid planning Elder care planning ILIT long term care planning QLAC Dynasty Trust J S Insurance Policy Family Bank RMD family foundations off shore accounts and other products may not benefit you at all see the Chapter INSURANCE POLICY vs IRA Do the math like I did in the various charts shown in this book to make sure you understand what you are getting into The sellers of these products won t even be able to explain them to you in language that you can understand You will pay them their expensive professional fee and they may not be around in 20 years when you need them In many cases what you think you bought is not what they sold you Many of these insurance products are riddled with fine prints that you will need a lawyer to explain the plans to you and after doing the math you may realize that you would be better off to leave your retirement savings alone take the RMD pay the taxes and reinvest the after tax proceeds that you don t need to live on Your calculation may show as mine did that you will leave your heirs more money by following the strategy in this book I believe Retirement Planning is a whole new industry that was created that only a select few actually benefit from If insurance companies lose money by selling permanent life insurance and annuities they will ALL be out of business Follow the steps shown in this book You and your spouse will have 6 million dollars when you reach full retirement age and you will leave more money to your heirs What can be simpler than saving 1000 dollars a month inside your retirement account investing the money wisely so that you will not lose a penny of it earning 10% annual return buying your principal residence and collecting SS benefits at the right time It is time to implement this stress free game plan while you are still young When you stop worrying you start enjoying you start living Life is good Make it even better in retirement Build Wealth Now Matthew Outerbridge,2018-02-28 Do you have trouble saving money Do you want to retire early or become financially independent but don t know how to get started Do you want to discover time tested techniques that not only show you how to invest but how to retire early and live a fulfilling life without the fear of not having enough money Most young people simply have never learned how to save money Living from paycheck to paycheck they wander from one financial fiasco to the next never setting aside any money for the things that matter This book will have you retire earlier than you ever expected Retire by 35 You can do it This isn t your typical early retirement book It reveals some simple but effective mechanisms for wealth generation and saving that will make you rich while other people are just getting started in

their careers While it does include some information about investing for beginners it goes beyond that to outline a direct route towards financial freedom The truth is you can save ten times more than the average North American without any struggle or FOMO Once you learn how to make your money work for you instead of against you the life you ve always wanted can be yours In this book you will learn how to Design a foolproof wealth generation system Earn significantly more than you do now Overcome negative habits and retrain yourself to be a personal financial guru Save more of your paycheck than you ever thought possible compound your savings into an early retirement nest egg so that you can retire young and retire happy Become an unstoppable millennial investor Go ahead take a look inside the book It contains some of the most important information you ll ever need to know about paying off debt saving money and investing More than that it will take you step by step towards saving your first 100 000 without any scrimping or penny pinching But that s just the start One financial secret that professional money managers don t want you to know could cost you 1 6 million dollars Chapter 1 shows you how you can avoid this trap which is designed to rob you of your future wealth In Chapter 3 I reveal one of the most common misconceptions about wealth and saving Just this chapter alone will provide you with the know how and determination to retire 10 to 20 years earlier than the average person It will provide you with the freedom and security to follow your passions I also cover a broad array of investment vehicles such as Mutual Funds and other active funds ETFs and Index Funds Individual Stocks Bonds Armed with this knowledge you can match or even beat the market s performance and make your money work overtime for you Without a clear plan towards building wealth early retirement just won t work Don t let your future slip through your fingers It s time to overcome bad financial habits and start building serious wealth
