Russia in the Eighteenth Century Antony Lentin, 1973 **Russia in the Eighteenth Century, from Peter the Great to Catherine the Great (1696-1796)** Antony Lentin, 1973 *Leaders of Russia and the Soviet Union* John Paxton, 2004 This reference work surveys the leaders of Russia and the Soviet Union from Michael the first Romanov tsar in 1613 through the creation and dissolution of the Soviet Union to the present day President of the Russian Federation Vladimir Putin Chronologically arranged these biographies paint a thorough yet succinct portrait of 30 leaders including discussion about the family and education of each ruler important legislation events and wars under each leader s rule and each leader s achievements and impact on Russia or the Soviet Union **The Making of Russian Absolutism 1613-1801** Paul Dukes, 2014-01-14 Revised and expanded the second edition of this fascinating study surveys the first two centuries of Romanov rule from the foundation of the dynasty by Michael Romanov in 1613 to the accession of Alexander I in 1801 The central theme of the book is the growth of absolutism in Russia throughout these years and it traces in detail how the Russian variety of what was a contemporary European phenomenon came fully into being **Russian and Soviet Education 1731-1989** John T. Zepper, William W. Brickman, 2014-02-04 Volume 9 in the series of Reference Books in International Education This bibliography is intended to provide a reference aid to mature Russian Soviet scholars to those beginning a life long study of this field and to students in Russian Soviet Studies and allied fields This title provides a resource to scholars students and professionals seeking to understand the role played by education in various societies or regions of the world *Society and Economy in Early Modern Europe, 1450-1789* Barry Taylor, 1989 *Eighteenth Century Russia* Philip Clendenning, Roger P. Bartlett, 1981 **Geopolitics, Geoeconomics and Borderlands** Antonia Colibășanu, 2023-07-25 This book discusses the emerging threats to European stability in different borderland regions from the Greater Middle East to the Eastern Mediterranean the Balkans and the Black Sea It highlights the specific geopolitical risks that could left unchecked have global repercussions The book shows how recent events have exasperated underlying problems that have been slowly destabilizing each of these regions for years It also looks at the geopolitical constraints and objectives of the countries within these regions to build a basis for understanding their current and future security challenges While doing so the book discusses the European borderlands in a non traditional way proposing a specific framework to study them going beyond historical analysis and employing a heuristic process and in depth socio economic analysis to understand regional power relations and trends It develops the key concepts of core borderland and geopolitical node to understand the future challenges that Europe in particular and Eurasia in general will face discussing specific features shaping current affairs and identifying the main drivers countries and specific regional elements for the future stability of the borderlands This book will appeal to students and scholars of international relations as well as policy makers practitioners and international organizations interested in a better understanding of current and future challenges at Europe

s borderlands and the security risks the European continent faces *Eurocentrism at the Margins* Lutfi Sunar,2016-05-05

Eurocentrism remains a prevailing feature of Western dominated social scientific perspectives tending to ignore alternative views originating outside the West and thus maintaining a form of scholarly hegemony As such there is an urgent need to reconsider Eurocentrism in social science to ask whether it constitutes an obstacle to understanding social problems and whether it is possible to go beyond Eurocentrism in the construction of reliable more universal knowledge At the same time certain questions persist particularly with regard to the extent to which recent revisionist challenges have really contributed to the surmounting of Eurocentric domination and whether the constant repetition of the concept serves to reinforce it This book engages with the central problems of Eurocentrism in the social sciences bringing together the work of scholars from around the world to offer a critique of this perspective from both European and non European positions thus shedding light on the binaries that often come into being in debates in this field Thematically organised and addressing a range of questions including Eurocentrism in historical studies in the understanding of religion and civilisation and in the study of international relations as well as in the institutionalisation and professionalisation of research and discourses on modernisation in the Middle East Eurocentrism at the Margins will appeal to scholars with interests in knowledge production and circulation and Eurocentrism and post colonialism in the social sciences **The Eighteenth Century, 1926-74** ,1974 Library of Congress Catalogs Library of Congress,1976 **Library of Congress Catalog** Library of Congress,1974-04 A cumulative list of works represented by Library of Congress printed cards Soviet, East European & Slavonic Studies in Britain ,1973 Russian History Neil M. Heyman,1993 **Language Policies and Educational Practices** Saraswati Saini,2025-01-03

Language Policies and Educational Practices explores the critical role of language policies in education systems Language is a fundamental tool for communication shaping our thoughts and interactions This book examines how language policies determine the medium of instruction at various educational levels focusing on the practicalities and challenges of these policies We highlight the importance of local languages in contributing to a country s social political and economic development emphasizing their vital role in education Using case studies we analyze how local language policies are implemented by teachers the challenges they face and practical solutions to these challenges The book also discusses the need for refresher courses for teachers and training for translators From the 1960s the federal government encouraged and sometimes mandated the use of non English languages in education This book covers significant legislative milestones such as the Bilingual Education Act of 1968 the Native American Languages Act of 1990 and other federal programs promoting language diversity and literacy *Peter the Great* Feofan (Abp. of Novgorod),1996 **The Lyrical Songs of the Russian Settlers in Dobrudja** Hari Silvestru Rorlich,1977 **French and Russian in Imperial Russia** Derek Offord,2015-06-29
