Russia Since 1917:

Russia Since 1917 J. N. Westwood, 1980 **Russia Since 1917** Frederick L. Schuman, 1957 *Russia Since 1917* George Barr Carson, 1972 **The Soviet Union Since 1917** Martin McCauley, 1981 **American Policy Toward Russia Since 1917** Frederick Lewis Schuman, 1928 *Russia Since 1917* George Barr Carson, 1962 *Russia Since 1980* Steven Rosefielde, Stefan Hedlund, 2009

Russia since 1980 recounts the epochal political economic and social changes that destroyed the Soviet Union ushering in a perplexing new order Two decades after Mikhail Gorbachev initiated his regime wrecking radical reforms Russia has reemerged as a superpower It has survived a hyperdepression modernized restored private property and business adopted a liberal democratic persona and asserted claims to global leadership Many in the West perceive these developments as proof of a better globalized tomorrow while others foresee a new cold war Globalizers contend that Russia is speedily democratizing marketizing and humanizing creating a regime based on the rule of law and respect for civil rights Opponents counterclaim that Russia before and during the Soviet period was similarly misportrayed and insist that Medvedev's Russia is just another variation of an authoritarian Muscovite model that has prevailed for more than five centuries The cases for both positions are explored while chronicling events since 1980 and a verdict is rendered in favor of Muscovite continuity Russia will continue challenging the West until it breaks with its cultural legacy **Russia Since 1917** John Norton Westwood, 1980 **Who's Who in Russia since 1900** Martin McCauley, Martin McCauley, 2002-09-11

Who's Who in Russia and the Soviet Union is a unique reference guide which examines the leading political economic cultural military scientific and sporting personalities from 1900 1991 Through analysis of figures such as Stalin Brezhnev Khrushchev Yeltsin Ratushinskaya and Sakharov a comprehensive portrait of Russian and Soviet society in this era emerges The book takes the reader up to the collapse of the Soviet Union and provides detailed biographical information on each leading figure bibliographical references with entries as an aid to further research a comprehensive glossary of Russian terms concepts and institutions and a useful chronology of events an accessible and user friendly A Z layout an invaluable guide for students teachers researchers and the general reader alike Jews and Jewish Life in Russia and the Soviet Union Yaacov Ro'i, 2016-02-11

The main focus of this book is Jewish life under the Soviet regime The themes of the book include the attitude of the government to Jews the fate of the Jewish religion and life in Post World War II Russia The volume also contains an assessment of the prospects for future emigration **Russia Since 1917** George Barr Carson (Jr.), 1972 *A History of the Jews in the Modern World* Howard M. Sachar, 2007-12-18

The distinguished historian of the Jewish people Howard M. Sachar gives us a comprehensive and enthralling chronicle of the achievements and traumas of the Jews over the last four hundred years Tracking their fate from Western Europe's age of mercantilism in the seventeenth century to the post Soviet and post imperialist Islamic upheavals of the twenty first century Sachar applies his renowned narrative skill to the central role of the Jews in many of the most impressive achievements of modern civilization whether in

the rise of economic capitalism or of political socialism in the discoveries of theoretical physics or applied medicine in higher literary criticism or mass communication and popular entertainment As his account unfolds and moves from epoch to epoch from continent to continent from Europe to the Americas and the Middle East Sachar evaluates communities that until lately have been underestimated in the perspective of Jewish and world history among them Jews of Sephardic provenance of the Moslem regions and of Africa By the same token Sachar applies a master's hand in describing and deciphering the Jews' unique exposure and functional usefulness to totalitarian movements fascist Nazi and Stalinist In the process he shines an unsparing light on the often widely dissimilar behavior of separate European peoples and on separate Jewish populations during the Holocaust A distillation of the author's lifetime of scholarly research and teaching experience *A History of the Jews in the Modern World* provides a source of unsurpassed intellectual richness for university students and educated laypersons alike

From Tsar to Soviets Christopher Read, 1996 By examining the 1917 revolution in the light of the experiences of the ordinary population rather than the activities of central parties and politicians this book presents a challenging and fresh interpretation

Access to History: From Autocracy to Communism: Russia 1894-1941 Michael Lynch, 2008-06-27 The Access to History series is the most popular and trusted series for AS and A level history students This title focuses on Russia in the period from 1894-1941 It begins with the situation in Russia under Tsar Nicholas II and then goes on to examine the causes and effects of the 1905 and 1917 revolutions the Bolshevik struggle to gain power and the eventual rise of Stalin The political economic and social developments through this period and the effects of these are explored and analysed throughout Throughout the book key dates terms and issues are highlighted and historical interpretations of key debates are outlined Summary diagrams are included to consolidate knowledge and understanding of the period and exam style questions and tips written by an examiner for the OCR specification provide the opportunity to develop exam skills

Modernisation in Russia since 1900 Markku Kangaspuro, Jeremy Smith, 2021-04-07 Modernisation has been a constant theme in Russian history at least since Peter the Great launched a series of initiatives aimed at closing the economic technical and cultural gap between Russia and the more advanced countries of Europe All of the leaders of the Soviet Union and post Soviet Russia have been intensely aware of this gap and have pursued a number of strategies some more successful than others in order to modernise the country But it would be wrong to view modernisation as a unilinear process which was the exclusive preserve of the state Modernisation has had profound effects on Russian society and the attitudes of different social groups have been crucial to the success and failure of modernisation This volume examines the broad theme of modernisation in late imperial Soviet and post Soviet Russia both through general overviews of particular topics and specific case studies of modernisation projects and their impact Modernisation is seen not just as an economic policy but as a cultural and social phenomenon reflected through such diverse themes as ideology welfare education gender relations transport political reform and the Internet The result is the most up to date and comprehensive survey of

modernisation in Russia available which highlights both one of the perennial problems and the challenges and prospects for contemporary Russia Russia Since 1917. Four Decades of Soviet Politics. Russia Since 1917 Introduction

In today's digital age, the availability of Russia Since 1917 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russia Since 1917 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russia Since 1917 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russia Since 1917 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russia Since 1917 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russia Since 1917 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russia Since 1917 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russia Since 1917 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient

means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russia Since 1917 books and manuals for download and embark on your journey of knowledge?
