Russia In World History Selected Essays

Nicholas Valentine Riasanovsky

Russia In World History Selected Essays:

Russia in World History Mikhail Nikolaevich Pokrovskii,1970 **Russia in world history** Mikhail Nikolaevich Pokrovskii,1970 **Russia in world history. Selected essays. Ed., with an introd., by R. Szporluk. Transl. by R. Szporluk and M.A. Szporluk ,1970** **Russia in World History** M. Pokrovskii,1970 **Russia in World History** Mikhail Nikolaevich Pokrovskii,1970 *Eurasian Slavery, Ransom and Abolition in World History, 1200-1860* Christoph Witzernath,2016-03-09 Recent research has demonstrated that early modern slavery was much more widespread than the traditional concentration on plantation slavery in the context of European colonial expansion would suggest Slavery and slave trading though little researched were common across wide stretches of Eurasia and a slave economy played a vital part in the political and cultural contacts between Russia and its Eurasian neighbours This volume concentrates on captivity slavery ransom and abolition in the vicinity of the Eurasian steppe from the early modern period to recent developments and explores their legacy and relevance down to the modern times The contributions centre on the Russian Empire while bringing together scholars from various historical traditions of the leading states in this region including Poland Lithuania and the Ottoman Empire and their various successor states At the centre of attention are transfers transnational fertilizations and the institutions rituals and representations facilitating enslavement exchanges and ransoming The essays in this collection define and quantify slavery covering various regions in the steppe and its vicinity and looking at trans cultural issues and the implications of slavery and ransom for social economic and political connections across the steppe In so doing the volume provides both a broad overview of the subject and a snapshot of the latest research from leading scholars working in this area **A History of Russia Volume 1** Walter G. Moss,2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists Russian Messianism Peter J. S. Duncan,2002-11 This unique work will be of great interest to those engaged in politics and Russian studies as well as professionals dealing with Russia **The End of Empire?** Karen Dawisha,Bruce Parrott,1997 First Published in 1997 Routledge is an imprint of Taylor Francis an Informa company **The Image of Peter the Great in Russian History and Thought** Nicholas Valentine Riasanovsky,1992 The image of Peter the Great Tsar of Russia from 1689 to 1725 has been a central theme of Russian history art and literature This study draws on Russian historical accounts folklore and the arts to demonstrate how the image of Peter has reflected the changing cultural values of Russian people Ukrainian Famine of 1932 and 1933 United States. Congress. Senate. Committee on Foreign Relations,1984 **History and Revolution** Jim

Wolfreys, Mike Haynes, 2020-05-05 In *History and Revolution* a group of respected historians confronts the conservative revisionist trends in historical enquiry that have been dominant in the last twenty years Ranging from an exploration of the English French and Russian revolutions and their treatment by revisionist historiography to the debates and themes arising from attempts to downplay revolution's role in history *History and Revolution* also engages with several prominent revisionist historians including Orlando Figes Conrad Russell and Simon Schama This important book shows the inability of revisionism to explain why millions are moved to act in defence of political causes and why specific political currents emerge and is a significant reassertion of the concept of revolution in human development National Identities in Soviet Historiography

Harun Yilmaz, 2015-02-20 Under Stalin's totalitarian leadership of the USSR Soviet national identities with historical narratives were constructed These constructions envisaged how nationalities should see their imaginary common past and millions of people defined themselves according to them This book explains how and by whom these national histories were constructed and focuses on the crucial episode in the construction of national identities of Ukraine Azerbaijan and Kazakhstan from 1936 and 1945 A unique comparative study of three different case studies this book reveals different aims and methods of nation construction despite the existence of one party rule and a single overarching official ideology The study is based on work in the often overlooked archives in the Ukraine Azerbaijan and Kazakhstan By looking at different examples within the Soviet context the author contributes to and often challenges current scholarship on Soviet nationality policies and Stalinist nation building projects He also brings a new viewpoint to the debate on whether the Soviet period was a project of developmentalist modernization or merely a renewed Russian empire The book concludes that the local agents in the countries concerned had a sincere belief in socialism especially as a project of modernism and development and at the same time were strongly attached to their national identities Claiming that local communist party officials and historians played a leading role in the construction of national narratives this book will be of interest to historians and political scientists interested in the history of the Soviet Union and contemporary Eastern Europe the Caucasus and Central Asia

The International Politics of Eurasia: v. 9: The End of Empire? Comparative Perspectives on the Soviet Collapse S. Frederick Starr, Karen Dawisha, 2016-09-16 First Published in 1997 This book is the ninth in a series often volumes produced by the Russian Littoral Project The project shares the conviction that the transformation of the former Soviet republics into independent states demands systematic analysis of the determinants of the domestic and foreign policies of the new countries The series of volumes is intended to provide a basis for comprehensive scholarly study of these issues This volume was shaped by the author's view that future scholarship about the post Soviet world requires both specialized research and broad gauge studies that carefully juxtapose the breakup of the Soviet empire with the transformation of other multinational empires A History of Russia: To 1917 Walter Moss, 2002 **The Russian Revolution and Civil War 1917-1921**

Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied

periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state Revising the Revolution Larry E. Holmes, 2021-06-01 The clash between scholarship and politics between truth and propaganda was ruthless for historians in Istpart the Russian Communist Central Committee's official historical department Istpart was tasked with preserving the documentary record compiling memoirs and upholding ideological conformism within the national narrative of the 1917 revolution In Revising the Revolution Larry E Holmes examines the role of Istpart's historians in both the Moscow office and a regional branch in Viatka who initially believed they could adhere to the traditional standards of research and simultaneously provide a history useful to the party However they quickly realized that the party rejected any version of history that suggested nonideological or nonpolitical sources of truth By 1928 Istpart had largely abandoned its mission to promote scholarly work on the 1917 revolution and instead advanced the party's master narrative Revising the Revolution explores the battle for the Russian national narrative and the ways in which history can be used to centralize power *Lenin and the Revolutionary Party* Paul Le Blanc, 2016-02-01 For generations historians of the right left and center have all debated the best way to understand V I Lenin's role in shaping the Bolshevik party in the years leading up to the Russian Revolution At their worst these studies locate his influence in the forcefulness of his personality At their best they show how Lenin moved other Bolsheviks through patient argument and political debate Yet remarkably few have attempted to document the ways his ideas changed or how they were in turn shaped by the party he played such a central role in building In this thorough concise and accessible introduction to Lenin's theory and practice of revolutionary politics Paul Le Blanc gives a vibrant sense of the historical context of the socialist movement in Russia and abroad from which Lenin's ideas about revolutionary organization spring What emerges from Le Blanc's partisan yet measured account is an image of a collaborative ever adaptive and dynamically engaged network of revolutionary activists who formed the core of the Bolshevik party **Paul I** Hugh Ragsdale, 2020-03-16 This book offers the first book length English language biography of Russian emperor Paul I 1754-1801 since a 1913 translation Most of the essays have been written expressly for this volume They examine Paul's education his mental pathology his administrative aims curious relations with the knights of Malta and with Bonaparte and his struggles with the threatening ideas emanating from the French Revolution There is also a provocative new view of the conspiracy that took Paul's life **Lenin** Paul Le Blanc, 2023-09-20 A welcome gift Highlighting Lenin's flexibility and cultivation of collective

leadership Le Blanc brings out the practical activism and revolutionary patience crucial to organizing the oppressed on a rapidly over heating planet Jodi Dean author of Comrade Crackling with intellectual life Lars T Lih author of Lenin Rediscovered A wonderful sketch of Lenin s life and times Perhaps the best introduction available in English Michael D Yates author of Can the Working Class Change the World Vladimir Lenin lies in a tomb in Moscow s Red Square History has not been kind to this Russian leader his teachings reviled by modern mainstream politics But in today s capitalist society riven by class inequality and imperialist wars perhaps it is worth returning to this communist icon s demand for Peace Land and Bread and his radical understanding of democracy Lenin was wrestling with the question of what is to be done when facing the catastrophes of his own time Against the odds the Bolshevik party succeeded in rejecting both the corrupt and decaying Romanov dynasty as well as the capitalist economic system which had started to take root in Russia To understand how this happened and what we can learn from him today Paul Le Blanc takes us through Lenin s dynamic revolutionary thought how he worked as part of a larger collective and how he centered the labor movement in Russia and beyond uncovering a powerful form of democracy that could transform our activism today Paul Le Blanc is an activist and acclaimed American historian teaching at La Roche University Pennsylvania He is the author of many books

When people should go to the ebook stores, search creation by shop, shelf by shelf, it is in fact problematic. This is why we allow the books compilations in this website. It will categorically ease you to see guide **Russia In World History Selected Essays** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. Russia In World History Selected Essays Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russia In World History Selected Essays PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russia In World History Selected Essays PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russia In World History Selected Essays free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
