РОССИЙСКИЕ НАУЧНЫЕ ЖУРНАЛЫ В НОВЫХ ГЕОПОЛИТИЧЕСКИХ УСЛОВИЯХ: СЛОЖНОСТИ И ПЕРСПЕКТИВЫ РАЗВИТИЯ

Гайдин Борис Николаевич¹

¹Московский гуманитарный университет,
Москва, Россия

АННОТАЦИЯ

Представлена точка зрения на возможные пути дальнейшего развития и поддержки российской научной периодики в условиях санкционного давления и существенного сокращения возможностей для сотрудничества с западными компаниями, в том числе владеющими Web of Science и Scopus. Обсуждается ряд негативных последствий ориентирования отечественной науки в основном на данные наукометрические базы данных. Подчёркивается, что необходимо продолжать работу по повышению уровня научных изданий и развивать собственные индексы, не прекращая при этом сотрудничество там, где это возможно, и налаживая новые коллаборации в данной сфере.

Russian Journals

Alexander Orbach

Russian Journals:

Russian Literary Journals, Dostoevsky, and Tolstoy in St. Petersburg, 1877 Linda M. Mayhew, 2025-10-14 In 1877 the atmosphere in Russia was highly contentious Amid war with the Ottoman Empire the nation was also grappling with intense intellectual and political conflicts Various groups and individuals were fervently engaged in shaping the country's future navigating a landscape marked by strict censorship and deep ideological divides This game set in St Petersburg immerses students into the vibrant and combative world of Russian literary journals Students assume the roles of editors writers and social activists navigating the complex intersection of literature and politics The periodicals they produce are filled with subtle political commentaries regarding the monarchy education religion and women in society all designed to slip past the censors As writers such as Fyodor Mikhailovich Dostoevsky and Count Lev Nikolaevich Tolstoy compete to publish their work they must align with intellectual factions Populists Slavophiles or Westernizers and find allies to advance their literary and political ambitions Editors face the dual challenges of maintaining their publication goals and appeasing the censors deciding which articles and novels make it to print In this game writers present their work at Elena Shtakenshneider's literary salon sparking discussions on themes such as the relationship of art to society women's roles access to education the Russian Orthodox Church and paths to political reform In this charged environment the success of a journal can determine its influence on Russia's future The editor of a thriving journal may even earn an audience with Tsar Alexander II with the opportunity to advocate for a constitutional monarchy endorse the existing autocratic structures or propose sweeping political and social changes [Historical Dictionary of Russian Literature](#) Jonathan Stone, 2013 The Historical Dictionary of Russian Literature contains a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 100 cross-referenced entries on significant people themes critical issues and the most significant genres **Guide to Russian Scientific Periodical Literature** Brookhaven National Laboratory. Information and Publications Division, 1948 **Guide to Russian Medical Literature** National Library of Medicine (U.S.), 1958 *Search of the Russian Scientific Literature for the Descriptions of the Medical Consequences of the Kyshtym "accident"* Frank L. Parker, 1983 *Handbook of Russian Literature* Victor Terras, 1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays

Russian-American Dialogue on Cultural Relations, 1776-1914 Norman E. Saul, Richard D. McKinzie, 1997 Russian American Dialogue on Cultural Relations 1776-1914 the third volume in the Russian American Dialogues series provides English translations of the best Russian scholarship on cultural relations Each essay originally appeared as an article in the former Soviet Union Five issues are discussed the contributions that each country made to the cultural life of the other the correspondence and interactions between scientists writers and others from the two nations the development of public perceptions and how these changed over time the American focus in Russian periodicals during the nineteenth century and

the significant roles of Russians and the Russian presence in American history The Russian articles on each of these subjects are followed by comments from American historians The articles by the Russian scholars make extensive use of and liberally cite material from Russian archives and publications As a result they provide American readers with new scientific exchanges personalities and points of view The result is a plethora of new material for Western historians of Russia as well as of the United States The book provides an opportunity for scholars to examine more thoroughly the relevant issues of Russian American cultural relations An important scholarly contribution Russian American Dialogue on Cultural Relations 1776 1914 brings a new dimension to the relationship between the United States and Russia before 1914 It will be of interest not only to historians of this period but to all historians and students of international cultural relations *Guide to Russian Medical Literature* Scott Adams, 1958 The Russian Journals of Martha and Catherine Wilmot Martha Wilmot, Catherine Wilmot, 1935 *Union List of English Translations of Russian Journals, January 31, 1959* Union Library Catalogue of the Philadelphia Metropolitan Area, 1959 **A History of Russian Literature** Andrew Kahn, Mark Lipovetsky, Irina Reyfman, Stephanie Sandler, 2018-04-05 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century A History of Russian Literature provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers institutions and texts that take the reader up close and Visual material also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular bring out trans historical features that contribute to the notion of a national literature The volume s time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia s literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation *Russia's French Connection* Adam Coker, 2020-05-28 While it is generally acknowledged that Russia s culture has been influenced by France the present study goes beyond the Francophile preferences of the noble elite and examines Russian society more broadly exploring those

elements of French cultural influence that are still relevant today This is done through an historical analysis of French loanwords in the Russian language from the time of Peter the Great to the present The result of this lexical analysis and subsequent study of eighteenth and nineteenth century archival periodical and memoir material is to empirically link Russia's present culture to two major Franco-Russian events the wave of immigration to Russia following the French Revolution and Russia's war with Napoleon This is primarily a book for those interested in European history particularly imperial Russia the French Revolution and the Napoleonic Wars The study of Russian officer memoirs includes original campaign maps which may be of interest to military historians The analysis of periodical literature will likewise be a resource for those studying the history of printing publishing and journalism in Russia The book's interdisciplinary nature however broadens its relevance to linguists cultural historians and those in the emerging field of Immigration Studies

Russian and Soviet Health Care from an International Perspective Susan Grant, 2017-02-20 This collection compares Russian and Soviet medical workers physicians psychiatrists and nurses and examines them within an international framework that challenges traditional Western conceptions of professionalism and professionalization through exploring how these ideas developed amongst medical workers in Russia and the Soviet Union Ideology and everyday life are examined through analyses of medical practice while gender is assessed through the experience of women medical professionals and patients Cross national and entangled history is explored through the prism of health care with medical professionals crossing borders for a number of reasons to promote the principles and advancements of science and medicine internationally to serve altruistic purposes and support international health care initiatives and to escape persecution Chapters in this volume highlight the diversity of experiences of health care but also draw attention to the shared concerns and issues that make science and medicine the subject of international discussion
