

Russian Nights

**Andre von Gronicka, André von
Gronicka**

Russian Nights:

Russian Nights Vladimir Fedorovich Odoevsky, 1997-03-20 *Russian Nights* Vladimir Fedorovich Odoevsky's major work is of great importance in Russian intellectual history. This captivating novel is the summation of Odoevsky's views and interests in many fields: Gothic literature, romanticism, mysticism, the occult, social responsibility, Westernization, utopia, and anti-utopia. Compared variously to *The Decameron* to Hoffman's *Serapion Brethren* and the Platonic dialogues, *Russian Nights* is a mixture of genres, a series of romantic and society tales framed by Odoevsky's musings on the main strands of Russian thought of the 1820s and 1830s. This is a unique work of Russian literature and a key sourcebook for Russian romanticism and Russian social and aesthetic thought of its epoch.

French Ghosts, Russian Nights, and American Outlaws:

Souvenirs of a Professional Vagabond Susan Spano, 2014-04-10 Susan Spano America's original Frugal Traveler explores some of the most romantic, most exotic, and wildest corners of the world in this captivating collection of her best-loved pieces. *French Ghosts, Russian Nights, and American Outlaws: Souvenirs of a Professional Vagabond* takes the reader on magical trips when everything conspired to make a place unforgettable, like a temple in Java at sunrise or an ice hotel in the Arctic Circle at sunset. In some of the stories, Susan finds the kind of enlightenment that only travel can provide by following in the footsteps of luminaries such as Federico Fellini, Julia Child, and Chairman Mao. Other stories are about travel itself: how it became Susan's passion and calling, how it fed her incurably restless spirit, how it inspired her philosophy of travel and life. Go forth and find meaning. Take a condemned cable car over the Yangtze River or a shared taxi over the Andes with a leaking gas tank and chain-smoking driver. Eat oysters and drink martinis wherever you can. And as often as possible, come home with a tan.

Russian Nights: Autocracy and Testimony: Life in Russia during the Soviet Period as Told by Those Who Lived It Roberto Echavarren, 2023-09-12 The details of the Jewish Holocaust have become part of our history through the testimony of those who survived the death camps. The details of Lenin's and Stalin's reigns of terror are far less known because they took place behind a wall of secrecy, and survivors have been reluctant to speak about them for fear of retribution. This is an encompassing volume presenting an intense display as complete as can be of testimonies gathered between 2001 and 2005 of actors implicated in different aspects of Russian life roughly through the period 1917-1956. They were people who had lived under the Soviet regime in times of peace and in times of war, from the Red Terror through the Great Terror. One must bear in mind the political and economic conditions in which those lives developed: the one-party rule placed above both the government and the citizens, the abashment of the division of powers, the suppression of private property and private economic initiative, the political police, and the GULAG. *Russian Nights* offers a wide and detailed perspective of what we call the Russian Century: Lenin's takeover, the all-powerful Party, the GULAG, and the Second World War.

History Russian

Philosophy V1 V. Zenkovsky, 2014-07-10 This Volume I of a *History of Russian Philosophy* originally published in 1953, based on the author's lectures to the Theological Institute in Paris. They also explore Russian philosophic thought and how they

relate to the theoretical constructions of Russian life *The Russian Hoffmannists* Charles E. Passage, 2020-05-18 No
