Russian Politics Challenges Of Democratization

Neil Robinson

Russian Politics Challenges Of Democratization:

Russian Politics Zoltan D. Barany, Robert G. Moser, 2001-08-27 What went wrong in Russia's decade old post communist transition A group of leading young scholars answer this question by offering assessments of five crucial political arenas during the Yeltsin era elections executive legislative relations interactions between the central state and the regions economic reforms and civil military relations All of the contributors recognize that adverse historical legacies have complicated Russian democratization They challenge structural explanations that emphasize constraints of the pre existing system however and concentrate instead on the importance of elite decisions and institution building The authors agree that elites failure to develop robust political institutions has been a central problem of Russia's post communist transition The weakness of the state and its institutions has contributed to a number of serious problems threatening democratic consolidation These include the tensions between the executive and the legislature the frail infrastructure for successful market reform and the absence of proper civilian control over the armed forces **New Challenges to Democratization** Peter Burnell, Richard Youngs, 2009-12-04 Brings together leading international scholars to assess the claim that democratization around the world is facing a serious challenge and features in depth studies on US democracy promotion the Middle East Russia China and new democracies ***Democracy Derailed in Russia*** M. Steven Fish, 2005-08-29 Why has democracy failed to take root in Russia After shedding the shackles of Soviet rule some countries in the postcommunist region undertook lasting democratization Yet Russia did not Russia experienced dramatic political breakthroughs in the late 1980s and early 1990s but it subsequently failed to maintain progress toward democracy In this book M Steven Fish offers an explanation for the direction of regime change in post Soviet Russia Relying on cross national comparative analysis as well as on in depth field research in Russia Fish shows that Russia's failure to democratize has three causes too much economic reliance on oil too little economic liberalization and too weak a national legislature Fish's explanation challenges others that have attributed Russia's political travails to history political culture or to shock therapy in economic policy The book offers a theoretically original and empirically rigorous explanation for one of the most pressing political problems of our time ***After Communism: Perspectives on Democracy (p)*** Donald R. Kelley, 2003 In this collection top scholars of Soviet and post Soviet studies convene to explore communism's aftermath They consider state building and constitutionalism the transition to market capitalism and democracy across Eastern Europe the political development of Muslim states the complex and differential developments of electoral systems the risks and opportunities of nationalism and new political and economic activities in Russia from corruption to contracts Editor Donald Kelley introduces the volume with a synthesis of the theoretical and empirical findings of the volume and his brief chapter introductions place each contribution in relation to the other essays and to larger debates on democratization ***Promoting Democracy and Human Rights in Russia*** Sinikukka Saari, 2009-12-04 European regional organisations have spent significant amount of time energy and money in

supporting Russia's transition towards the western liberal democratic model since the end of the cold war. This book explores the role the Council of Europe, European Union and Organisation for Security and Cooperation in Europe have played in Russia's post-Soviet transition in the field of human rights and democracy. The book argues that the organisations have played an important initial role in setting the reform agenda and in providing a general framework for interaction in the field of human rights and democracy. However, since the mid 1990s the impact of regional organisations has been slipping. Lately, Russia has challenged the European human rights and democracy norms and now it threatens the whole framework for regional normative cooperation. Russia's attitude towards western liberal order has become more assertive and its defiance increasingly concerted even internationally. The main finding is that democracy and human rights promotion is not a one-way transference of norms like much of the theoretical literature and European practices presume. The Russian case demonstrates that the so-called target state can influence the norm promoters and the interpretation of the norms in a fundamental way. This is a finding that has significant implications both for theory and practice.

The Politics of Security in Modern Russia Mark Galeotti, 2016-03-03. The Putin era saw a striking securitization of politics, something that he has bequeathed to his chosen successor Dmitry Medvedev. The omens from the early days of the Medvedev presidency have been mixed, marked both by less confrontational rhetoric towards the West and by war with Georgia and continued rearmament. Has the Medvedev generation learned the lessons not just from the Soviet era but also from the Yeltsin and Putin presidencies, or will security remain the foundation of Russian foreign and domestic policy? Fully up to date to reflect the evolving Medvedev presidency, the 2008 Georgian war and the impact of the economic downturn, this volume is a much-needed objective and balanced examination of the ways in which security has played and continues to play a central role in contemporary Russian politics. The combination of original scholarship with extensive empirical research makes this volume an invaluable resource for all students and researchers of Russian politics and security affairs.

The Rhetorical Rise and Demise of "Democracy" in Russian Political Discourse, Volume 2 David Cratis Williams, Marilyn J. Young, Michael K. Launer, 2022-05-17. Post-Soviet Russia in the 1990s saw a surge in civic participation. The traditional power structure officially relinquished control of political rhetoric and a nascent civil society had begun to emerge. Free elections and political partisanship between reformist and conservative elements of Russian society, spurred on by Russia's economic troubles, gave a Wild West tenor to public rhetoric that was reflected in the election campaigns of 1993, 1995 and 1996. In this volume, the authors examine through a series of contemporaneously written essays the arc of government rhetoric during the height of media freedom, the quest for a new national identity and the struggle for self-government.

Contemporary Russian Politics Neil Robinson, 2019-04-16. Vladimir Putin's return to the Kremlin for a fourth presidential term in 2018 has seen Russian democracy weaken further and Russia's relations with the West deteriorate seriously. Yet within Russia, Putin's position remains unchallenged and his foreign policy battles have received widespread public support. But is Putin as safe as

his approval ratings lead us to believe And how secure is the regime that he heads In this new book Neil Robinson places contemporary Russian politics in historical perspective to argue that Putin's regime has not overcome the problems that underpinned the momentous changes in twentieth century Russian history when the country veered from tsarism to Soviet rule to post communist chaos The first part of the book outlining why crises have been perennial problems for Russia is followed by an exploration of contemporary Russian political institutions and policy to show how Putin has stabilised Russian politics But while Putin's achievements as a politician have been considerable in strengthening his personal position they have not dealt successfully with the enduring problem of the Russian state's functionality Like other Russian rulers Putin has been much better at establishing a political system that supports his rule than he has at building up a state that can deliver material wealth and protection to the Russian people As a result Robinson argues Russia has been and remains vulnerable to political crisis and regime change

Challenges to Democracy Sten Berglund, 2001-01-01 The book is written in a systematic clear and accessible style and provides an excellent introduction to the state of democracy in contemporary postsocialist Europe Recommended for undergraduate graduate research and faculty collections P Rutland Choice The euphoria evidenced in the aftermath of the collapse of communist regimes in the late 1980s and early 1990s sometimes conveyed the impression that the process of democratization would be achieved without difficulty or tribulation This book sets out to provide a thorough comparative analysis of the challenges which face the emerging democracies of Central and Eastern Europe and considers the impact of political change Drawing heavily on available survey data the book provides an in depth account of how the new democracies of Central and Eastern Europe have coped with four major challenges political fragmentation nationalism lack of respect for human rights and poorly developed civil service systems The book demonstrates that although the first few years of the 1990s were marked by increasing disenchantment with the new regimes the change of governments as a direct result of the electoral process and the prospects for European integration have served to reverse this negative trend Indeed the authors find that the new political systems have managed to cope with the challenges so effectively that striking similarities with Western democracies are now apparent

Constitutional Bargaining in Russia, 1990-93 Edward Morgan-Jones, 2010-02-25 The years 1990-93 were a critical moment in Russia's political development This book provides a systematic explanation of outcomes of constitutional bargaining processes in Russia which radically reshaped the institutions of the Russian state removing Russia from constitutional subordination to the Soviet Union in 1990 creating a presidency and a constitutional court in 1991 and restructuring the relationship between the central state and its component federal units with the passage of three Federal Treaties in 1992 The book explores the reasons for these outcomes and identifies why there were consistent delays to the passage of a new Russian constitution as well as why negotiations eventually broke down The book assesses the plausibility of different theoretical approaches to constitutional choice and argues that the role of uncertainty and politician's strategic responses to uncertainty in shaping

constitutional outcomes has been under explored by rational choices approaches to constitutional bargaining Using a rich set of source materials including roll call votes parliamentary records unpublished parliamentary and constitution commission documents Russian newspapers the book provides a detailed study of Russian politician s decision making about constitutional choices It is a valuable resource to those interested in Russia and post communist politics the origins of political institutions comparative government democratisation and development studies

Parliamentary Power in Russia, 1994-2001 T. Troxel, 2002-12-09 This book is the first study of the power of the Russian Parliament in the policy process from 1994 2001 within the context of executive legislative relations It challenges the widely held view that between 1994 and 2001 Russia had a presidential system with a strong authoritarian leader who ruled by decree and a weak parliament which did not have much power

Democracy Promotion and the Challenges of Illiberal Regional Powers Nelli Babayan, Thomas Risse, 2017-10-02 This book examines Western efforts at democracy promotion reactions by illiberal challengers and regional powers and political and societal conditions in target states It is argued that Western powers are not unequivocally committed to the promotion of democracy and human rights while non democratic regional powers cannot simply be described as autocracy supporters This volume examines in detail the challenges by three illiberal regional powers China Russia and Saudi Arabia to Western US and EU efforts at democracy promotion The contributions specifically analyze their actions in Ethiopia and Angola in the case of China Georgia and Ukraine in the case of Russia and Tunisia in the case of Saudi Arabia Democratic powers such as the US or the EU usually prefer stability over human rights and democracy If democratic movements threaten stability in a region neither the US nor the EU supports them As to illiberal powers they are generally not that different from their democratic counterparts They also prefer stability over turmoil Neither Russia nor China nor Saudi Arabia explicitly promote autocracy Instead they seek to suppress democratic movements in their periphery the minute these groups threaten their security interests or are perceived to endanger their regime survival This was previously published as a special issue of Democratization

Local Politics and Democratization in Russia Cameron Ross, 2008-10-27 This comprehensive study of local politics in Russia shows that the key reforms of local government and the struggle to forge viable grassroots democracies have been inextricably linked to the wider struggle for power between the regions and the Kremlin and to the specific nature of Russia s highly politicized and negotiated form of asymmetrical federalism During the Yeltsin era all attempts to create a universal and uniform system of local self government in the federation were a failure Under the protection of their constitutions and charters and the extra constitutional rights and powers granted to them in special bilateral treaties regional leaders particularly in Russia s 21 ethnic republics were able to instigate highly authoritarian regimes and to thwart the implementation key local government reforms Thus by the end of the Yeltsin era the number of municipalities their type status and powers varied tremendously from region to region Putin s local government reforms also need to be viewed as an integral component of his wider centralizing political agenda and his

assault on the principles and practices of federalism With the instigation of his dictatorship of law and power vertical Putin has thwarted the development of grassroots democracy and overseen the creation of local electoral authoritarian regimes Putin s new system of local self government marks a victory for the proponents of the statist concept of local self government over those who championed the societal concept codified in Article 12 of the Russian Constitution Overall this book is an important resource for anyone seeking to understand politics in Putin s Russia

Democratic Breakdown and the Decline of the Russian Military Zoltan Barany, 2023-06-06 A rare behind the scenes look at Russian military politics Why have Russian generals acquired an important political position since the Soviet Union s collapse while at the same time the effectiveness of their forces has deteriorated Why have there been no radical defense reforms in Russia since the end of the cold war even though they were high on the agenda of the country s new president in 2000 Democratic Breakdown and the Decline of the Russian Military explains these puzzles as it paints a comprehensive portrait of Russian military politics Zoltan Barany identifies three formative moments that gave rise to the Russian dilemma The first was Gorbachev s decision to invite military participation in Soviet politics The second was when Yeltsin acquiesced to a new political system that gave generals a legitimate political presence The third was when Putin not only failed to press for needed military reforms but elevated numerous high ranking officers to prominent positions in the federal administration Included here are Barany s insightful analysis of crisis management following the sinking of the Kursk submarine a systematic comparison of the Soviet Russian armed forces in 1985 and the present and compelling accounts of the army s political role the elusive defense reform and the relationship between politicians and generals Barany offers a rare look at the world of contemporary military politics in an increasingly authoritarian state Destined to become a classic in post Soviet studies this book reminds us of the importance of the separation of powers as a means to safeguard democracy

From Russia to Riches Pasquale De Marco, 2025-07-11 From Russia to Riches The Transformation of Russian Society Since the Collapse of the Soviet Union Russia has undergone a dramatic transformation since the collapse of the Soviet Union and this book explores the many changes that have taken place in Russian society From the rise of the consumer class to the changing face of the media landscape from the rebirth of Russian culture to the challenges of economic transition this book provides a comprehensive overview of the new Russia One of the most significant changes in Russian society has been the rise of the consumer class The Russian people now have more access to Western goods and services than ever before and they are more likely to travel and experience new cultures This has led to a significant change in the Russian lifestyle and it has also had a major impact on the Russian economy The Russian media landscape has also undergone a significant transformation since the collapse of the Soviet Union The state controlled media has been largely replaced by independent media outlets and the Russian people now have access to a wide range of news and information sources This has led to a more informed and engaged Russian public and it has also made it more difficult for the government to control the flow of information The Russian cultural scene has also undergone a

significant transformation since the collapse of the Soviet Union The government no longer censors artistic expression and the Russian people are now free to express themselves in whatever way they choose This has led to a flourishing of Russian culture and it has also made it easier for Russian artists to reach a global audience The Russian economy has also undergone a significant transformation since the collapse of the Soviet Union The government has moved away from central planning and has embraced a more market oriented approach This has led to a more dynamic and diversified Russian economy but it has also led to a significant increase in income inequality The Russian social landscape has also undergone a significant transformation since the collapse of the Soviet Union The traditional family structure has been weakened and there has been a significant increase in the number of single parent families and cohabiting couples The role of women in Russian society has also changed and women are now more likely to work outside the home and to pursue higher education The Russian political landscape has also undergone a significant transformation since the collapse of the Soviet Union The Communist Party has been replaced by a number of new political parties and the Russian people now have a greater say in how their country is governed However the Russian government still faces a number of challenges including corruption poverty and ethnic conflict This book provides a comprehensive overview of the changes that have taken place in Russian society since the collapse of the Soviet Union It is an essential read for anyone who wants to understand the new Russia If you like this book write a review *Political Transitions in Dominant Party Systems* Joseph Wong,Edward Friedman,2008-10-27 Using country specific case studies top rank analysts in the field focus on the lessons that dominant parties might learn from losing and the adaptations they consequently make in order to survive to remain competitive or to ultimately re gain power

Federalism and Democratization in Post-Communist Russia Cameron Ross,2002 Through a study of the British Empire s largest women s patriotic organisation formed in 1900 and still in existence this book examines the relationship between female imperialism and national identity It throws new light on women s involvement in imp The Consolidation of Dictatorship in Russia Joel M. Ostrow,Georgiy A. Satarov,Irina M. Khakamada,2007-10-30 The still prevailing notion among Western powers including the United States is that Russia is a democracy or at least that it remains in the process of democratization Nothing could be further from the truth as Ostrow Satarov and Khakamada demonstrate in The Consolidation of Dictatorship in Russia Journalists critical of Vladimir Putin s dictatorship such as Anna Politkovskaya are murdered Nearly 100 investigative journalists an average of two per month have been murdered since Putin took power and not one person has been charged or convicted of those crimes In this book the authors seek to explain not just how Russia has become a dictatorship but why Russia s leaders made the choices that undermined democratic political development something no book has done until now The still prevailing notion among Western powers including the United States is that Russia is a democracy or at least that it remains in the process of democratization Nothing could be further from the truth as Ostrow Satarov and Khakamada demonstrate in The Consolidation of Dictatorship in Russia Journalists critical of Vladimir

Putin's dictatorship such as Anna Politkovskaya are murdered. Nearly 100 investigative journalists, an average of two per month, have been murdered since Putin took power, and not one person has been charged or convicted of those crimes. Others critical of or in opposition to Putin often meet the same fate as in the suspicious poisoning in London of Aleksandr Litvinenko. How did Russia manage to transition from dictatorship to dictatorship when the hopes for democracy were so great and when Western conventional wisdom assumed for so long that democracy was inevitable there? The Consolidation of Dictatorship in Russia answers that question. Georgiy A. Satarov was President Boris Yeltsin's chief political counselor for much of the 1990s and in that capacity was inside the Kremlin and present when most of the decisions this book details were made. Irina M. Khakamada was a Deputy in the Russian State Duma, a Deputy Speaker in the parliament, held a cabinet-level position in the government, and most recently was Putin's main liberal opponent in the 2004 presidential election. These individuals are among Russia's most prominent democratic activists and were participants in the events that led Russia away from the path of democratization. They share a unique perspective and knowledge of what happened and why. The authors seek to explain not just what Russia did and the consequences of those decisions but why Russia's leaders made the choices that undermined democratic political development, something no book has done until now. *A History Of Russia Volume 2* Walter G. Moss, 2004-10-01. Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects. He has also brought the history up to date by revising the post-Soviet material which now covers events from the end of 1991 up to the present day. This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US, Canada, and around the world.

Pornography And Democratization Paul Goldschmidt, 2019-06-04. Explores the politics of pornography and censorship in Russia today as a facet of the overall process of creating a liberal democracy in the Former Soviet Union. In this book, Paul Goldschmidt explores the politics of pornography in Russia today as a facet of the overall process of creating a liberal democracy in the Former Soviet Union. He clarifi

Russian Politics Challenges Of Democratization Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Politics Challenges Of Democratization PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Politics Challenges Of Democratization PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russian Politics Challenges Of Democratization free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russian Politics Challenges Of Democratization Books

What is a Russian Politics Challenges Of Democratization PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Russian Politics Challenges Of Democratization PDF?

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Russian Politics Challenges Of Democratization PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Russian Politics Challenges Of Democratization PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Russian Politics Challenges Of Democratization PDF?

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe

Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
