Russian Revolutions Of 1917 The Origins Of Modern Communism

Spencer C. Tucker

Russian Revolutions Of 1917 The Origins Of Modern Communism:

Russian Revolutions Of 1917 Leonard Schapiro, 1984-06-12 A leading authority on the Soviet Union examines the two revolutions of February and October 1917 which serve as a symbol to socialists and established communism in Russia

The Russian Revolution, 1905-1921 Mark D. Steinberg, 2017 A new history of the Russian Revolution exploring how people experienced it in their own lives from Bloody Sunday in 1905 to the final shots of the civil war in 1921 The Russian Revolution 1905 1921 focuses on human experience to address key issues of inequality power and violence and ideas of justice and freedom

Vladimir Nabokov Brian Boyd, 1990 Cited as one of the best books of 1990 by The New York Times and Time magazine this major biography describes Nabokov's escape from Russia his education at Cambridge and his impoverished years in Germany and France until the coming of Hitler forced him to flee to the United States with his wife and son 56 halftones

Barbarism and Civilization Bernard Wasserstein, 2009 History

A Brief History of Russia Michael Kort, 2008 Serves as a guide to the history and culture of Russia This book details the social economic and political changes and crises that the people of Russia have had to endure It includes a chronology bibliography and suggested readings It also covers the conquest and rule of Russia by the Mongol Golden Horde as well as the reign of terror **Hitler, Stalin, and Mussolini** Bruce F. Pauley, 2014-09-15 The fourth edition of Hitler Stalin and Mussolini Totalitarianism in the Twentieth Century presents an innovative comparison of the origins development and demise of the three forms of totalitarianism that emerged in twentieth century Europe Represents the only book that systematically compares all three infamous dictators of the twentieth century Provides the latest scholarship on the wartime goals of Hitler and Stalin as well as new information on the disintegration of the Soviet empire Compares the early lives of Hitler Stalin and Mussolini their ideologies rise to and consolidation of power and the organization and workings of their dictatorships Features topics organized by themes rather than strictly chronologically Includes a wealth of visual material to support the text as well as a thorough Bibliographical Essay compiled by the author

The Soviet Colossus Michael G. Kort, 2019-04-17 The Soviet Colossus revisits the turning points in Russia's modern history from the fall of the tsarist regime to the establishment of the Bolshevik dictatorship and Stalinist totalitarianism the reforms and counter reforms of Khrushchev and Brezhnev to the reform program of Mikhail Gorbachev and the resultant collapse of the Soviet Union and from the effort to build a democratic and free market Russia under Boris Yeltsin to the political authoritarianism and the establishment of a state capitalist economy under Vladimir Putin This eighth edition has been revised and updated to cover the latest developments from the Putin administration These revisions include added emphasis on the increasing authoritarian nature of Russia's political system the serious challenges posed by the country's unsolved economic and social problems and the growing tensions between Russia on the one hand and the United States and the European Union on the other as a result of Moscow's aggression against Ukraine Kort combines this updated account with a broad exploration of Russia's political history

examining how the Soviet past has been woven into the fabric of the modern Russian state a state which plays such a major assertive role in global affairs but which simultaneously remains an allusive secretive entity With Russia s increasing influence on the global stage and the controversies that often accompany this The Soviet Colossus is an invaluable resource for students of history politics and international relations

To Overthrow the World Sean McMeekin, 2024-09-10 From an award winning historian a new global history of Communism When the USSR collapsed in 1991 the world was certain that Communism was dead Today three decades later it is clear that it was not While Russia may no longer be Communist Communism and sympathy for Communist ideas have proliferated across the globe In *To Overthrow the World* Sean McMeekin investigates the evolution of Communism from a seductive ideal of a classless society into the ruling doctrine of tyrannical regimes Tracing Communism s ascent from theory to practice McMeekin ranges from Karl Marx s writings to the rise and fall of the USSR under Stalin to Mao s rise to power in China to the acceleration of Communist or Communist inspired policies around the world in the twenty first century McMeekin argues however that despite the endurance of Communism it remains deeply unpopular as a political form Where it has arisen it has always arisen by force Blending historical narrative with cutting edge scholarship *To Overthrow the World* revolutionizes our understanding of the evolution of Communism an idea that seemingly cannot die

Behind the Front Lines of the Civil War Vladimir N. Brovkin, 2015-03-08 Countering the powerful myth that the civil war in Russia was largely between the Whites and the Reds Vladimir Brovkin views the struggle as a multifaceted social and political process Brovkin focuses not so much on armies and governments as on the interaction of state institutions political parties and social movements on both Red and White territories In the process he exposes the weaknesses of the various warring factions in a Russia plagued by strikes mutinies desertion and rebellions The Whites benefited from popular resistance to the Reds and the Reds from resistance to the Whites In Brovkin s view neither regime enjoyed popular support Pacification campaigns mass shooting deportations artillery shelling of villages and terror were the essence of the conflict and when the Whites were defeated the war against the Greens the peasant rebels went on Drawing on a remarkable array of previously untapped sources Brovkin convicts the early Bolsheviks of crimes similar to those later committed by Stalin What emerges behind the front lines is a picture of how diverse forces Cossacks Ukrainians Greens Mensheviks and SRs as well as Whites and Bolsheviks created the tragic victory of a party that had no majority support This book has important contemporary implications as the world again asks an old question Can Russian statehood prevail over local regional and national identities Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Mensheviks After October Vladimir N. Brovkin, 1987 The Fullest account to date of the Menshevik party during the first year of Soviet rule Focusing on the period from October 1917 through October 1918 months when the Soviet political system still permitted a degree of electoral competition among political parties he explores the moderate socialists opposition to the Bolsheviks back cover

Soviet Politics Richard Sakwa, 2012-11-12 Soviet Politics in Perspective is a new edition of Richard Sakwa's successful textbook Soviet Politics an introduction Thoroughly revised and updated it builds on the previous editions comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991 The book is divided into five parts which focus on key aspects of Soviet politics They are historical perspectives beginning with the Tsarist regime on the eve of Revolution the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors and Gorbachev's attempts to revive the system institutions of Government such as the Communist Party security apparatus the military the justice system local government and participation theoretical approaches to Soviet politics including class and gender politics the role of ideology and the shift from dissent to pluralism key policy areas the command economy and reform nationality politics and foreign and defence policy an evaluation of Soviet rule and reasons for its collapse Providing key texts and bibliographies this book offers the complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader

World War I Spencer C. Tucker, 2014-10-28 Offering exhaustive coverage detailed analyses and the latest historical interpretations of events this expansive five volume encyclopedia is the most comprehensive and detailed reference source on the First World War available today One hundred years after the beginning of World War I in 1914 this conflict still stands as perhaps the most important event of the 20th century World War I toppled all of the existing empires at the time transformed the Middle East and vaulted the United States to becoming the world's leading economic power Its effects were profound and lasting and included outcomes that led to World War II This multivolume encyclopedia provides a wide ranging examination of World War I that covers all of the important battles key individuals both civilian and military weapons and technologies and diplomatic social political cultural military and economic developments Suitable as a reference tool for high school and undergraduate students as well as faculty members and graduate level researchers World War I The Definitive Encyclopedia and Document Collection offers accessible in depth information and up to date analyses in a format that lends itself to quick and easy use The set comprises alphabetically arranged cross referenced entries accompanied by further reading selections as well as a comprehensive bibliography A fifth volume provides chronologically arranged documents and an A Z index

The Mensheviks after October Vladimir Brovkin, 2018-08-06 In this major contribution to our understanding of the Russian Revolution Vladimir Brovkin provides the fullest account to date of the Menshevik party during the first year of Soviet rule Focusing on the period from October 1917 through October 1918 months when the Soviet political system still permitted a degree of electoral competition among political parties he explores the

moderate socialists opposition to the Bolsheviks Why he asks did the competition between the Bolsheviks and their socialist opponents lead to a violent confrontation And how did their struggle shape the increasingly repressive political system that emerged during this period Brovkin examines several major aspects of Menshevik party history in an effort to discover the organization's place in the revolutionary upheavals that rocked Russian society He analyzes the debates within the party over the best policy for opposing the Bolsheviks and describes the Mensheviks attempt to undermine their rivals by winning the support of the working class He depicts too the struggle for party leadership and the changing composition of the membership Finally Brovkin explores the Mensheviks interactions with their sometime ally the Socialist Revolutionary SR party and other opposition groups and traces the increasingly confrontational competition between the moderate socialists and the Bolsheviks concluding his account with the onslaught of the Red Terror and the first stage of the civil war Drawing on an impressive array of primary sources Brovkin convincingly shows that as the political struggle progressed the Mensheviks together with the SRs were seen as a serious challenge to the Bolsheviks He argues further that the Bolsheviks determination to counter this perceived threat led them to undertake the repressive actions that both crushed their opposition and transformed the Soviet government into a dictatorship

Revolution Rosemary H. T. O'Kane, 2000 All of the major work on the subject of revolutions is collected in this useful set Including work from seminal figures such as Hatto and Gottschalk in the 1940s as well as the most important literature all the way through 1998 the articles reprinted here consider the concept theory and causes of revolution revolutionary state building and the outcomes of revolutions case studies of great revolutions and much more

Historically Inevitable? Tony Brenton, 2016-06-23 Marx held that the progression of society from capitalism to communism was historically inevitable In Russia in 1917 it seemed that Marx's theory was being born out in reality But was the Russian Revolution really inevitable This collection of fourteen contributions from the world's leading Russian scholars attempts to answer the question by looking back at the key turning points of the revolution From the Russo Japanese conflict of 1904-5 through to the appropriation of church property in 1922 and focusing especially on the incredible chain of events in 1917 leading to the October Revolution itself *Historically Inevitable* is a forensic account of Russia's road to revolution Each contribution gives not only a fast paced incisive narrative account of an individual aspect of Revolution but also for the first time an intriguing counterfactual analysis of what might have gone differently Featuring Richard Pipes on the Kornilov affair Orlando Figes on the October Revolution Dominic Lieven on foreign intervention and Martin Sixsmith on the attempted assassination of Lenin in 1918 *Historically Inevitable* explains how each of these moments more through blind luck than any historical inevitability led to the creation of the world's first communist state Tony Brenton's afterword to the volume draws parallels between the Revolution and the ultimate collapse of the Soviet Union in 1991 and places the events of 1917 in the context of more recent events in Russia and the Crimea Featuring contributions from Donald Crawford Sean McMeekin Dominic Lieven Orlando Figes Richard Sakwa Douglas Smith Martin Sixsmith Simon Dixon Boris Kolonitsky

Richard Pipes Edvard Radzinsky Catriona Kelly Erik Landis Evan Mawdsley *The Geopolitics Of Super Power* Colin S. Gray, 2021-10-21 What is Soviet American competition all about Is the Soviet Union a security problem that the United States must solve Or is it an insecurity condition with which the U S must learn to live and if so on what terms What kind of a player is the United States in the great game of power politics In *The Geopolitics of Super Power* one of our most respected strategic theorists answers these and other questions In geopolitical terms Colin Gray sees the Soviet American antagonism as an enduring contest between a continental empire and a maritime coalition each with its distinctive character and purposes Gray explores the roots of the American style in foreign policy and strategy and how that style relates to defense options He identifies four broad alternatives for U S national security policy passive and active means of containment disengagement from foreign security commitments and the rollback of the Soviet empire Gray argues vigorously for active containment for the systematic deemphasis of nuclear weapons and for the intelligent use for deterrence and defense purposes of the West s great competitive strengths in the political economic and technological spheres **Stalin's War** Sean McMeekin, 2021-04-20 A prize winning historian reveals how Stalin not Hitler was the animating force of World War II in this major new history World War II endures in the popular imagination as a heroic struggle between good and evil with villainous Hitler driving its events But Hitler was not in power when the conflict erupted in Asia and he was certainly dead before it ended His armies did not fight in multiple theaters his empire did not span the Eurasian continent and he did not inherit any of the spoils of war That central role belonged to Joseph Stalin The Second World War was not Hitler s war it was Stalin s war Drawing on ambitious new research in Soviet European and US archives Stalin s War revolutionizes our understanding of this global conflict by moving its epicenter to the east Hitler s genocidal ambition may have helped unleash Armageddon but as McMeekin shows the war which emerged in Europe in September 1939 was the one Stalin wanted not Hitler So too did the Pacific war of 1941 1945 fulfill Stalin s goal of unleashing a devastating war of attrition between Japan and the Anglo Saxon capitalist powers he viewed as his ultimate adversary McMeekin also reveals the extent to which Soviet Communism was rescued by the US and Britain s self defeating strategic moves beginning with Lend Lease aid as American and British supply boards agreed almost blindly to every Soviet demand Stalin s war machine McMeekin shows was substantially reliant on American materiel from warplanes tanks trucks jeeps motorcycles fuel ammunition and explosives to industrial inputs and technology transfer to the foodstuffs which fed the Red Army This unreciprocated American generosity gave Stalin s armies the mobile striking power to conquer most of Eurasia from Berlin to Beijing for Communism A groundbreaking reassessment of the Second World War Stalin s War is essential reading for anyone looking to understand the current world order *Victor Serge* Susan Weissman, 2014-05-20 Revolutionary novelist historian anarchist Bolshevik and dissident Victor Serge is one of the most compelling figures of Soviet history Set against some of the momentous events of the twentieth century Victor Serge reveals dauntless vigor of a man whose views often reflect the struggles of our own

time **White Terror** Jamie Bisher, 2006-01-16 This is the gripping story of a forgotten Russia in turmoil when the line between government and organized crime blurred into a chaotic continuum of kleptocracy vengeance and sadism It tells the tale of how in the last days of 1917 a fugitive Cossack captain brashly led seven cohorts into a mutinous garrison at Manchuli a squalid bordertown on Russia's frontier with Manchuria The garrison had gone Red revolted against its officers and become a dangerous ill disciplined mob Nevertheless Cossack Captain Grigori Semionov cleverly harangued the garrison into laying down its arms and boarding a train that carried it back into the Bolsheviks' tenuous territory Through such bold action Semionov and a handful of young Cossack brethren established themselves as the warlords of Eastern Siberia and Russia's Pacific maritime provinces during the next bloody year Like inland pirates they menaced the Trans Siberian Railroad with fleets of armoured trains Cossack cavalry mercenaries and pressgang cannon fodder They undermined Admiral Kolchak's White armies ruthlessly liquidated all Reds terrorized the population sold out to the Japanese and antagonized the American Expeditionary Force and Czech Legion in a frenzied orchestration of the Russian Empire's gotterdammerung Historians have long recognized that Ataman Semionov and Company were a nasty lot This book details precisely how nasty they were

Revolutions Paul Caringella, Glenn Hughes, 2013-02-21 *Revolutions Finished and Unfinished From Primal to Final* is an important philosophical contribution to the study of revolution It not only makes new contributions to the study of particular revolutions but to developing a philosophy of revolution itself Many of the contributors have been inspired by the philosophical approaches of Eric Voegelin or Eugen Rosenstock Huessey and the tension between these two social philosophies adds to the philosophical uniqueness and richness of the work

Russian Revolutions Of 1917 The Origins Of Modern Communism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Revolutions Of 1917 The Origins Of Modern Communism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Revolutions Of 1917 The Origins Of Modern Communism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the

benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russian Revolutions Of 1917 The Origins Of Modern Communism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russian Revolutions Of 1917 The Origins Of Modern Communism Books

What is a Russian Revolutions Of 1917 The Origins Of Modern Communism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Revolutions Of 1917 The Origins Of Modern Communism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Revolutions Of 1917 The Origins Of Modern Communism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Revolutions Of 1917 The Origins Of Modern Communism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Revolutions Of 1917 The Origins Of Modern Communism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to

share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
