Russian English Dictionary** Mikhail Salynin,2021-11-03 Dear reader could you please leave your review of my book down below We would really appreciate it

This book contains the most frequently used phrases of the Russian and English languages. In addition, you can find the Russian alphabet with all translations of Russian letters and letter combinations into English language. You will be able to pronounce and read Russian phrases in the same way as phrases in English. At the beginning of the book, there are explanations of how to read Russian letters and how to do exercises. The purpose of the book *Compound Words Dictionary 3* is to teach people to memorize English and Russian words and phrases better and faster with the help of unique formulas and exercises. And learning Russian and English is very popular nowadays. Words are better remembered when they are paired with another word that is in a phrase, for example, *Red Velvet Wooden Table*. The book offers to master 4 exercises as per to a unique formula. In the future, it is planned to release 10 books in this series with various exercises. It contains 2500 English and Russian phrases with a parallel translation into Cyrillic Russian. There are few such books on the market. It also contains all the technical, oil and gas, financial, and common lexis and mixed together for better learning. Dear reader, if you loved this book, support the author by leaving a review; it helps more than you know. A two short video trailers about physical copy of book is available on the Amazon author page.
