**Porcelain Figures of the Eighteenth Century in Europe** David Rosenfeld,1949 **Russian Orientalism in a global context** Maria

Taroutina,Allison Leigh,2023-06-27 This volume features new research on Russia s historic relationship with Asia and the ways it was mediated and represented in the fine decorative and performing arts and architecture from the mid eighteenth century to the first two decades of Soviet rule It interrogates how Russia s perception of its position on the periphery of the west and its simultaneous self consciousness as a colonial power shaped its artistic cultural and national identity as a heterogenous multi ethnic empire It also explores the extent to which cultural practitioners participated in the discursive matrices that advanced Russia s colonial machinery on the one hand and critiqued and challenged it on the other especially in territories that were themselves on the fault lines between the east and the west Russian Folk Belief Linda J.

Ivanits,2015-03-04 A scholarly work that aims to be both broad enough in scope to satisfy upper division undergraduates studying folk belief and narrative and detailed enough to meet the needs of graduate students in the field Each of the seven chapters in Part 1 focuses on one aspect of Russian folk belief such as the pagan background Christian personages devils and various other logical categories of the topic The author s thesis that Russian folk belief represents a double faith whereby Slavic pagan beliefs are overlaid with popular Christianity is persuasive and has analogies in other cultures The folk narratives constituting Part 2 are translated and include a wide range of tales from the briefly anecdotal to the more fully developed narrative covering the various folk personages and motifs explored in Part 1 *The Art of Carol Janeway* Victoria Jenssen,2022-08-10 The Art of Carol Janeway portrays the exotic life and artistic career of a woman whose commercial success as a tile decorator and ceramist in New York in the 1940s and later retirement due to lead poisoning offer a

fascinating study Victoria Jenssen presents the career of yet another previously unrecognized woman artist Carol Janeway 1913 1989 who was an entrepreneur and a single mother While Janeway often exhibited twice at the MoMA for example few museums today own Janeway ceramics This book will appeal to those interested in the following artists and topics Georg Jensen Inc and Frederik Lunning Jens Risom Ossip Zadkine Maya Deren Leo Lerman and Richard Hunter Harold Ambellan Tusnelda Sanders underglaze ceramic decoration both freehand and printed Lisette Model Catherine Yarrow Ed Wiener Madeleine Turner Stalin s Moscow of the early 1930s syndicated woman journalists of the 1940s Ralph Ingersoll and Charles Marsh Josiah Wedgwood Sons Lou Block Doris Lee Walter Duranty Eliot Janeway Julien Levy s The Imagery of Chess preservation of Greenwich Village Among several celebrity owners Marilyn Monroe owned five Janeway doorknobs

**Russian Decorative Painting** Priscilla Hauser, Boris Grafov, 2007 Priscilla Hauser the queen of decorative painting and Boris Grafov a Russian born painter whose native village is world renowned for its art have produced a luminous follow up to their Russian Folk Art Painting This radiant new volume features bright arrangements of flowers fruits and leaves bordered in gold or silver filigree and set off by a black lacquered surface It s a style with a timeless appeal and Hauser and Grafov provide comprehensive instructions for creating ten beautiful patterns on furniture and other objects All the necessary skills are explained with plenty of advice on preparing the surface wielding the brush and mixing colors Start by painting the intricate borders of wreath and linked motifs then make the designs more luscious with every colorful layer

Contemporary Scrimshaw Eva Halat, 2005 **Iconography of Power** Victoria E. Bonnell, 1998-02-05 Masters at visual propaganda the Bolsheviks produced thousands of vivid and compelling posters after they seized power in October 1917 Intended for a semi literate population that was accustomed to the rich visual legacy of the Russian autocracy and the Orthodox Church political posters came to occupy a central place in the regime s effort to imprint itself on the hearts and minds of the people and to remold them into the new Soviet women and men In this first sociological study of Soviet political posters Victoria Bonnell analyzes the shifts that took place in the images messages styles and functions of political art from 1917 to 1953 Everyone who lived in Russia after the October revolution had some familiarity with stock images of the male worker the great communist leaders the collective farm woman the capitalist and others These were the new icons standardized images that depicted Bolshevik heroes and their adversaries in accordance with a fixed pattern Like other invented traditions of the modern age iconographic images in propaganda art were relentlessly repeated bringing together Bolshevik ideology and traditional mythologies of pre Revolutionary Russia Symbols and emblems featured in Soviet posters of the Civil War and the 1920s gave visual meaning to the Bolshevik worldview dominated by the concept of class Beginning in the 1930s visual propaganda became more prescriptive providing models for the appearance demeanor and conduct of the new social types both positive and negative Political art also conveyed important messages about the sacred center of the regime which evolved during the 1930s from the celebration of the heroic proletariat to the deification of Stalin Treating

propaganda images as part of a particular visual language Bonnell shows how people read them relying on their habits of seeing and interpreting folk religious commercial and political art both before and after 1917 as well as the fine art traditions of Russia and the West Drawing on monumental sculpture and holiday displays as well as posters the study traces the way Soviet propaganda art shaped the mentality of the Russian people the legacy is present even today and was itself shaped by popular attitudes and assumptions Iconography of Power includes posters dating from the final decades of the old regime to the death of Stalin located by the author in Russian American and English libraries and archives One hundred exceptionally striking posters are reproduced in the book many of them never before published Bonnell places these posters in a historical context and provides a provocative account of the evolution of the visual discourse on power in Soviet Russia The Art of Music Daniel Gregory Mason, 1916 RUSSIAN LEGACY Boxed Set: The Greatest Russian Novels, Short Stories, Plays, Folk Tales & Legends Leonid Andreyev, Saki, Maxim Gorky, Ivan Turgenev, Anton Chekhov, Mikhail Lermontov, Leo Tolstoy, Fyodor Dostoevsky, Alexander Pushkin, Nikolai Gogol, M.Y. **An Ecology of the Russian Avant-Garde Picturebook** Sara Pankenier Weld,2018-02-15 An Ecology of the Russian Avant Garde Picturebook takes a new approach to interpreting 1920s and 1930s picturebooks by prominent Russian writers artists and intellectuals by examining them within the ecological environment that first made them possible and then led to their demise It argues that naturalistic models of the complex interactions of dynamic systems offer effective tools for understanding the fraught

interrelations of art and censorship in the early Soviet period Through illustrative case studies it mounts a close analysis of word and image and their synergistic interplay in avant garde picturebooks while also recontextualizing them within the ecology of their original environment where extraordinary countervailing forces played out a drama of which these books survive as telling artifacts Ultimately it argues that the Russian avant garde picturebook offers a uniquely illustrative example of literary ecology that sheds light on issues of creativity and censorship politics and art more broadly as well

*Performing Russia* Laura Olson, 2004-07-31 This book examines folk music and dance revival movements in Russia exploring why this folk culture has come to represent Russia how it has been approached and produced and why memory and tradition in these particular forms have taken on particular significance in different periods Above all it shows how folk tradition in Russia is an artificial cultural construct which is periodically reinvented and it demonstrates in particular how the folk revival has played a key role in strengthening Russian national consciousness in the post Soviet period **The Art**
