IX INTRODUCTION The study of case once primarily of interest to philologists has only recently begun to receive the attention it deserves from syntacticians *Dutch Contributions to the Eighth International Congress of Slavists, Zagreb, Ljubljana, September 3-9, 1978* Jan M. Meijer, 1979-01-01 This volume contains 18 papers derived from presentations by Dutch linguists at the Eighth International Congress of Slavists *Russian Reflexive Verbs* Nelleke Gerritsen, 2024-08-26 *Russian* Paul Cubberley, 2002-10-17 This book provides an accessible introduction to the linguistic structure of Russian including its history dialects and sociolinguistics as well as the central issues of phonology morphology

syntax and word formation lexicology It particularly emphasises the special linguistic features of Russian which are not shared with English and other non Slavic languages For intermediate advanced students of Russian this will help to reinforce their understanding of how all levels of Russian function Students and scholars of linguistics will find it a useful starting point for comparative work involving the structure of Russian and the Slavic languages or issues such as standardisation multilingualism and the fate of former colonial languages Each chapter begins with an introduction to the basic theoretical concepts of the area covered presenting the linguistic facts and relationships in an easily accessible form It will also serve as a learning aid to Cyrillic with all examples transliterated Studies in Slavic and General Linguistics. Volume 1 ,2023-12-04

Studies in Slavic and General Linguistics is mainly devoted to the field of descriptive linguistics Although the series is primarily intended to be a means of publication for linguists from the Low Countries the editors are pleased to accept contributions by linguists from abroad **Bibliography of Publications on the Languages of the World: Europe and USSR** United States. Army Map Service. Library. Book and Periodical Branch,1967 *Corpus-based Approaches to Contrastive Linguistics and Translation Studies* ,2021-08-04 Corpus based Approaches to Contrastive Linguistics and Translation Studies presents readers with up to date research in corpus based contrastive linguistics and translation studies showing the high degree of complementarity between the two fields in terms of research methodology interests and objectives Offering theoretical descriptive and applied perspectives the articles show how translation and contrastive approaches to grammar lexis and discourse can be harmoniously combined through the use of monolingual bilingual and multilingual corpora and how contrastive information needs to inform translation research and vice versa The notion of contrastive linguistics adopted here is broad thus alongside comparisons of Malay English idioms and the French imparfait and its English equivalents there are articles comparing different varieties of French and sign language with spoken language This collection should be of interest to researchers in corpus linguistics contrastive linguistics and translation studies In addition the section on corpus based teaching applications will be of great value to teachers of translation and contrastive linguistics *Dictionary Catalog of the Slavonic Collection* New York Public Library. Slavonic Division,New York Public Library. Research Libraries,1974 **Content-Based Foreign Language Teaching** Laurent Cammarata,2016-02-26 Pushing the field forward in critically important ways this book offers clear curricular directions and pedagogical guidelines to transform foreign language classrooms into environments where stimulating intellectual curiosity and tapping critical thinking abilities are as important as developing students linguistic repertoires The case is made for content based instruction an approach to making FL classrooms sites where intellectually stimulating explorations are the norm rather than the exception The book explicitly describes in detail how teachers could and should use content based instruction explains how integration of content and language aims can be accomplished within a program identifies essential strategies to support this curricular and pedagogical approach discusses issues of assessment within this context and more Content Based

Foreign Language Teaching provides theoretical perspectives and empirical evidence for reforming curricula and instruction describes models and curriculum planning strategies that support implementation of well balanced FL programs explores the transformative potential of critical pedagogy in the FL classroom and offers illustrations of secondary and post secondary language programs that have experimented with alternative approaches Advancing alternatives to conventional curriculum design this volume posits meaning oriented approaches as necessary to create language programs that make a great difference in the overall educational lives of learners

Studies in Brythonic Word Order James Fife, Erich Poppe, 1991-11-30 While Celtic languages are nominally VSO in basic word order the languages of the Brythonic branch have exhibited striking synchronic and historical variations from the prototype This volume comprises the very latest research in word order in Welsh Breton and Cornish from nine of the leading scholars in the field The studies deal with historical typological and descriptive issues from several approaches including philological functional and government and binding The scope ranges over all the Brythonic languages as well as the entire diachronic spectrum from the proto language up to the most recent colloquial trends The volume provides the expert with a collection of state of the art research and the non specialist with a comprehensive survey of the problems and debates in a language grouping fraught with intricate questions of word order and word order change

Nonverbal Predication Isabelle Roy (Writer on linguistics), 2013-04-25 This book concerns the interpretation and structure of non verbal predicates in copular sentences i e sentences with the verb be The author provides a unifying analysis based on a ternary distinction between defining characterizing situation descriptive predicates

Aspect Bernard Comrie, 1976-06-03 An introduction to verbal aspect as a general linguistic phenomenon with examples primarily from English Slavonic and Romance languages

Languages and Their Status Timothy Shopen, 1987-01-29 An introduction both to languages themselves and to their social role Languages and Their Status gives insight into the meaning value and function of language within culture and into the ways language behavior varies and changes It examines the part languages play in the evolution and structure of communities and in turn the ways languages are shaped by the social forces impinging on their speakers Each chapter discusses what it means to be a speaker of a particular language and puts that language in context among the languages of the world This volume is complemented by a second volume entitled Languages and Their Speakers also available from the University of Pennsylvania Press
