**English-Russian/Russian-English Dictionary of Idioms** Brian Windley,2019-02-27 An idiom is a group of words the actual meaning of which cannot easily be predicted from the specific meanings of the component words Both the English and Russian languages are highly idiomatic The use of idioms is natural to the speakers of a particular language but has less or even no meaning to the speakers of another language However in any colloquial language there are also a host of overlapping idiomatic expressions proverbs phrases and sayings which stretch the idiom definition Moreover there are often alternative words for certain words in an idiom some idioms have more than one meaning

and extensive groupings have been made under certain major verbs and nouns All these variations are given in this dictionary This volume contains the most comprehensive dictionary of English to Russian and equivalent Russian to English idioms available worldwide today There are in total about 10 000 entries of different idioms but many have several alternatives in their groupings which makes the overall total several times that number     *Collocations and other lexical combinations in Spanish* Sergi Torner Castells,Elisenda Bernal Gallen,2016-12-08 This edited collection presents the state of the art in research related to lexical combinations and their restrictions in Spanish from a variety of theoretical approaches ranging from Explanatory Combinatorial Lexicology to Distributed Morphology and Generative Lexicon Theory Section 1 offers a presentation of the main theoretical and descriptive approaches to collocation Section 2 explores collocation from the point of view of its lexicographical representation while Section 3 offers a pedagogical perspective Section 4 surveys current research on collocation in Catalan Galician and Basque Collocations and other lexical combinations in Spanish will be of interest to students of Hispanic linguistics     *The Translator's Handbook* Morry Sofer,2006 Since 1997 this translator s guide has been the worldwide leader in its field and has elicited high praise from some of the world s best translators It has been fully updated in the 2006 edition     *Semantic Analysis of Verbal Collocations with Lexical Functions* Alexander Gelbukh,Olga Kolesnikova,2012-08-09 This book is written for both linguists and computer scientists working in the field of artificial intelligence as well as to anyone interested in intelligent text processing Lexical function is a concept that formalizes semantic and syntactic relations between lexical units Collocational relation is a type of institutionalized lexical relations which holds between the base and its partner in a collocation Knowledge of collocation is important for natural language processing because collocation comprises the restrictions on how words can be used together The book shows how collocations can be annotated with lexical functions in a computer readable dictionary allowing their precise semantic analysis in texts and their effective use in natural language applications including parsers high quality machine translation periphrasis system and computer aided learning of lexica The books shows how to extract collocations from corpora and annotate them with lexical functions automatically To train algorithms the authors created a dictionary of lexical functions containing more than 900 Spanish disambiguated and annotated examples which is a part of this book The obtained results show that machine learning is feasible to achieve the task of automatic detection of lexical functions     **The Global Translator's Handbook** Morry Sofer,2012-12-16 A practical guide to translation as a profession this book provides everything translators need to know from digital equipment to translation techniques dictionaries in over seventy languages and sources of translation work It is the premier sourcebook for all linguists used by both beginners and veterans and its predecessor The Translator s Handbook has been praised by some of the world s leading translators such as Gregory Rabassa and Marina Orellana     *The American Bibliography of Slavic and East European Studies* Patt Leonard,Rebecca Routh,2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on
