SAAB 99 & 900 Lance Cole,2011-10-18 Saab 99 and 900 is a detailed account of the cars that came from Saab the aeroplane maker whose first car the 92 model set the standard for advanced design epitomized by the 99 and 900 cars The author delves deep into the cars design and history and into the core Saab values that they carried into production Topics include detailed design history of the 99 and 900 year by year developments technically detailed engineering overviews detailed specifications advice on owning and buying and finally coverage of rallying and special models On a Global Mission: The Automobiles of General Motors International Volume 3 Louis F. Fourie,2016-12-27 Volume One traces the history of Opel and Vauxhall separately from inception through to the 1970s and thereafter collectively to 2015 Special attention is devoted to examining innovative engineering features and the role Opel has taken of providing global platforms for GM Each model is examined individually and supplemented by exhaustive supporting specification tables The fascinating history of Saab and Lotus begins with their humble beginnings and examines each model in detail and looks at why these unusual marques came under the GM Banner Included is a penetrating review of Saab through to its unfortunate demise Volume Two examines unique models and variations of Chevrolet and Buick manufactured in the Southern Hemisphere and Asia but never offered in North America Daewoo Wuling and Baojun are other Asian brands covered in detail This volume concludes with recording the remarkable early success of Holden and its continued independence through to today Volume Three covers the smaller assembly operations around the world and the evolution of GM s export operations A brief history of Isuzu Subaru and Suzuki looks at the three minority interests GM held in Asia The GM North American model specifications are the most comprehensive to be found in a single book Global and regional sales statistics are included GM executives and management from around the globe are listed with the roles they held An index ensures that these volumes serve as the ideal reference source on GM **The Classic Saab 900** Richard Horner,2016-07-15 The full story and complete reference guide for the iconic Saab 900 Austin Healey Sprite - The Complete Story Malcolm Thorne,2022-09-23 In May 1958 one of the world s largest motor manufacturers unveiled a diminutive two seater that would take the world by storm Small in stature yet able to punch well above its weight the Austin Healey Sprite rapidly gained an enthusiastic following among keen drivers as well as an impressive record in competition Being neither expensive nor exotic for many motorists the Sprite opened the door to sports car ownership and in so doing its commercial success was almost guaranteed With over 250 photographs this book includes the genesis of the Sprite from the Austin Seven and pre war MG Midget via Donald Healey s Riley and Nash engined models to the Austin A30 A90 Atlantic and Healey Hundred The development launch and market reception is covered along with details of the evolution from Mk I to Mk IV including the Frogeye and restyled ADO 41 Rallies racing and record breaking details are given as well as information on modifications special bodied variants replicas and finally buying and restoring a Sprite today **Saab 92-96V4 - The Original Saab** Lance Cole,2022-05-16 Launched in 1949 as the 92 before

evolving into the 93 96 2 stroke and 96V4 this car was in production for thirty one years Attracting global admiration and sales it also excelled in motorsport and by the early 1960s was the most successful rally car in Europe A decline in sales in the 1960s was reversed with the launch of the 96V4 which resulted in its success continuing into the 1980s With over 200 archive and colour photographs this book provides a new description of the Saab company s original car and includes detailed biographies of important Saab figures and extensive discussion of the engineering and design decisions that made the car such a success There is coverage of the original Saab story in North and South America and a comprehensive review of Saab 92 93 96 motor sport history Full technical details and specifications and tuning details are given and finally there is a chapter on owners experiences and Saab veteran s recollections

Rolls-Royce Silver Cloud - The Complete Story James Taylor,2021-11-22 The Rolls Royce company acquired Bentley Motors in 1931 and although models continued to be produced with the Bentley name they increasingly used many Rolls Royce components By the time the Silver Cloud and Bentley S were released in 1955 they were really differently badged versions of the same design Yet the sporting tradition of the Bentley marque was upheld with the exotic Continental models that were derived from them The Silver Cloud family represents a pinnacle for the Rolls Royce company The cars all had and still have a very special presence and the standard saloons have an unsurpassed elegance and rightness of line The special bodied cars meanwhile are reminders of an age when the skill of the best coachbuilders was something deserving of universal admiration With around 190 photographs this book features The story of the design and development of the Rolls Royce Silver Cloud and Bentley S Type A look at the production development of these cars between 1955 and 1965 An examination of the Bentley Continental models that were derived from Silver Cloud and S Type design The history of the Phantom V and Phantom VI limousine chassis introduced in 1959 and destined to last until 1990 Full technical specifications including paint and interior trim choices Production figures and chassis codes and finally a chapter on buying and owning one of these wonderful classic cars

NSU Ro80 - The Complete Story Martin Buckley,2023-02-14 Launched in 1967 the NSU Ro80 had modern aerodynamic styling a technologically advanced Wankel rotary engine and was voted Car of the Year in 1968 However after the initial positive reception the car developed a reputation for unreliability with problems arising as early as 15 000 miles and many vehicles required a rebuilt engine before 30 000 miles Despite the company resolving these reliability issues in both existing and new vehicles and offering a generous warranty the damage to the car s reputation was done The NSU Ro80 is the most celebrated motoring lost cause of the second half of the twentieth century outranking the likes of the Edsel and the DeLorean because unlike those statements of misplaced optimism and ego it was a good car Not just good the NSU Ro80 is one of the great saloons Launched in September 1967 the Ro80 was an all new four door five seater from a West German company that post war had never made anything other than economy runabouts motorcycles and mopeds That alone should have been enough of a risk but this was also the world s first purpose built Wankel engined family saloon This compact refined and elegantly

simple power unit was the first really new concept in the realm of internal combustion engines to achieve mass production for ninety years A car like the Ro80 could only really have come from Germany where there was a passion for research and a pride in engineering not found elsewhere in Europe With front wheel drive superb power steering and four wheel disc brakes the car had top handling and driver appeal Quite simply it was a masterpiece considered by many to be the finest vehicle of its type in the world But with one fatal flaw its engine With over 300 archive photographs drawings and diagrams this book tells the story of the NSU

BMW E34 - The Complete Story James Taylor,2024-10-29 The BMW E34 5 Series is considered one of the most impressive car designs to come out of the 1980s The BMW E34 5 Series became the benchmark executive saloon during its eight year production life and today enthusiasts still look back on it as one of the high points of the BMW story The E34 range made its debut in 1988 and built on BMW s growing success in the medium sized saloon class From the start its makers aimed to seize leadership of the market sector from their arch rivals at Mercedes Benz and to that end they developed a sleek sporty shape and made the car available with a range of 6 cylinder engines These included highly regarded diesel types and later there would be an entry level 4 cylinder as well BMW kept the E34 range fresh to the very end through three major eras of production The first lasted until 1990 and established the range firmly The second period from 1990 to 1992 brought Touring estate models 4 wheel drive variants and advanced new 4 valve engines Between 1992 and 1996 the third phase brought annual updates including VANOS variable valve timing and new V8 engines for the top of the range models In the BMW tradition these cars combined strong performance with excellent handling and these qualities were exploited to the hilt by the M5 variants produced by the legendary M Division Aftermarket tuning specialists made their own contributions too adding to the aura of glamour around the E34 range There were lesser known elements of the story too when BMW used the E34 range for some fascinating experiments with hybrid power systems a convertible and a dual fuel system
