walked away with a world record partnership against his school Purandare was taught in college by Tendulkar's father Professor Ramesh Tendulkar and was coached as a right hand batsman and off spin bowler by Tendulkar's coach Ramakant Acharekar. He began his journalistic career in 1993 with the political newsmagazine Blitz and has since worked with India's leading newspapers like The Indian Express, The Asian Age, Mid Day, Mumbai Mirror and DNA apart from writing for a host of other publications. His first book *The Sena Story* a history of the Hindu militant political party Shiv Sena was published in 1999 when he was only twenty three. He is currently Senior Associate Editor with the Hindustan Times, Mumbai. *Sachin Tendulkar: The World's Greatest Batsman*, 2012. Master Laster, Sumit Chakrabarty, 2014-04-14. Master Laster takes you beyond Sachin Tendulkar's career aggregates and passionate assertions. There are almost as many books about Sachin Tendulkar as there are centuries by him. But just as there is only one Tendulkar century that came in a winning run chase in the last innings of a Test match, rare are the books that look at his personal records through the prism of how much they mattered to the team. In fact, there are none because the easiest thing to do is to produce adulatory tomes for his dotting fans. But there are an equal number of cricket fans out there who want to know something more than gushing accolades and who don't shy away from asking difficult questions. The book covers 1 a quarter of a century of Indian cricket bringing back to life many a game played during Tendulkar's time 2 it indulges fans in one of the enduring joys of cricket discussing a point threadbare from multiple angles 3 how many of his centuries made a difference to the team 4 what is his track record under pressure. None of the books on Tendulkar has engaged fans in these debates. There is the odd question raised here or a critical comment made there in memoirs by former cricketers but not a single book that sifts through the mountain of Tendulkar records to see what value can be attached to them from a team's point of view. An exercise like that can be quite revealing even startling and certainly a lot of fun for cricket lovers. It sets the Tendulkar debate against specific data taking it beyond career aggregates and passionate assertions. Master Laster covers the variables in the game and its infinite possibilities. It also deals with why this game is so fascinating to so many of us. *Sachin Tendulkar* Ayaz Memon, Indranil Rai, 2013-12-02. From his appearance on the firmament as a 16 year old, Tendulkar has been a beacon for the new India. When India won the Cricket World Cup in 2011, an abiding image from the celebrations was of the Indian cricket team carrying Sachin Tendulkar on their shoulders around Wankhede stadium. Tendulkar was not the captain of the team and the victory had been a team effort. But for the players, the victory was a gift to a man arguably India's greatest cricketer and inarguably one of the very greatest in the world. Sachin Tendulkar's story may have been told many times but it never stops delighting the cricket fan. In the 25 years that Tendulkar has played cricket, there is almost no existing batting record that he has not broken or no impossible record that he has not set. He has even changed the way money and endorsements entered the game. At the same time, his incredible batting skills have kept him rooted in the fine traditions of cricket. Some say that one runs out of words when describing Sachin Tendulkar's prowess and achievements. Others may more emphatically claim that there

simply aren't enough words to talk about this incredible cricketer Ayaz Memon one of India's most prolific journalists brings with him 33 years of experience in sports writing He started his career covering sports and went on to edit newspapers like Mid Day Bombay Times and DNA as well as magazines like Sportsweek Ayaz was also sports editor for the Times of India and the Independent at various stages He is currently consulting editor with NewsX Indranil Rai is a freelance journalist with an undying passion sports especially cricket

Sachin Tendulkar Vinod Kumar,2020-01-01 Sachin Tendulkar or Master Blaster as he is fondly called was born on April 24 1973 in Mumbai His father named him Sachin after his favourite music director Sachin Dev Burman His full name is Sachin Ramesh Tendulkar Ramesh was his father's name His father was a Marathi novelist and his mother worked in the insurance company
