Sacrament of Sexuality Morton Kelsey, Barbara Kelsey, 1994-06-01 From celibacy to family from hetero to homosexuality and from the relationship of sexuality to scripture relationships marriage psychology and love *Love, Sexuality, and the Sacrament of Marriage* John Chryssavgis, 1996 Two essays Love and Sexuality in the Image of Divine Love and The Sacrament of Marriage The Orthodox Service introduce the reader to the Orthodox perspective on this all important issue With extensive excerpts from twenty two Church fathers and modern Orthodox theologians ranging from Basil the Great and Gregory of Nyssa to Alexander Elchaninov and Kallistos Ware **What God Has Joined** Peter J. Elliott, 2010-03-01 Much has been written about marriage from the sociological and psychological point of view and as an object of civil and canon law But in terms of systematic theology this treatment of marriage as a sacrament may very well be unique Every effort has been made to keep the text from becoming too academic while at the same time providing the average educated reader with a wealth of original insights into the mystery of marriage in creation and as transformed by Christ Chapters cover sacramental consent bond and covenant as well as the quest for the sign Such thorny problems as the role of faith in the sacrament marriage with an unbaptized person the most pressing ecumenical questions and the relationship between the sacrament and contraception are studied in depth Finally the sacrament of family is treated at some length with an eye to its social and redemptive dimensions *The Freedom of Sexual Love (Complete and Unabridged)* Joseph Bird, Lois F. Bird, 1967 This is a love story It is the story of sexual love the love of man and woman united in the mystery of a sacrament which joins them in one flesh On this compelling note Joseph and Lois Bird begin a detailed and sympathetic treatment of the Christian concept of sexuality in marriage The authors examine candidly and explicitly the physical psychological and spiritual dimension of the marital union as well as the responsibilities of marriage A mature comprehensive guide to the subject of human sexuality The Freedom of Sexual Love covers all aspects of love making with wholesomeness and reverence The authors emphasize the inseparability of spirit and flesh in Christian marriage stressing the involvement of the total personality Thus they consider fully the psychological and spiritual meaning found in sexual relations and the nature of man and woman as they interact as husband and wife Throughout the book the authors stress that sexuality permeates every aspect of the human relationship in marriage and there is a need for the marriage partners to understand this fully Drawing upon the countless experiences of the many couples they have counseled and especially upon their own marriage the authors have succeeded in portraying the marital union as a commitment in love The Freedom of Sexual Love is an invaluable reading experience for anyone married about to be married or contemplating the sacrament of marriage *Our Sexuality, the Primal Sacrament* Matt
