Access Jean Harden,2018-01-01 Music Description and Access Solving the Puzzle of Cataloging is both a textbook for
 students and a handbook and reference source for practicing catalogers The bulk of the book is a step by step guide to
 cataloging music materials with dozens of examples showing images of published scores or audio recordings Content and
 encoding are treated separately using RDA and MARC21 Interspersed in the chapters on practical cataloging are short
 Historical Asides essays putting particular devices or conventions into context These essays supplement a chapter on
 cataloging history which follows an introductory chapter that sets the stage for the task at hand The book ends with a
 chapter by Maristella Feustle on describing and providing access to music special collections using both archival and rare
 music cataloging standards Aids in navigating the book include an index plus multiple lists and tables A bibliography and a
 list of cataloging tools that are available online are also given Kansas Music Review ,1980 Grawemeyer Award for
