Sacred Cow Make Gourmet Hamburgers Ministry Anytime Anywhere By Anyone:

Sacred Cows Make Gourmet Burgers Bill Easum, 2011-07-01 This book shows how an atmosphere of permission giving which signals the end of leaders as enablers can help church leaders transcend bureaucracy and enhance spiritual gifts rather than assign them The sacred cows of control and regulation can be devoured as leaders and people are converted to a new style of ministry

Sacred Cows Make Gourmet Burgers William M. Easum, Bill Easum, 1995 Read this book if you are ready to let your ministry spin out of control Then hang on for wonderful changes are about to happen to your congregation Charles Ann Church Growth Inc *Gentle Shepherding* Joseph Earl Bush, 2012-11 Named One of the Top Ten Books for Parish Clergy for the year 2006 by the Academy of Parish Clergy *Gentle Shepherding* offers a rare balance in an introduction to pastoral ethics one that identifies deeply with the pastoral vocation and brings it into conversation with a developed body of ethical theory The goal of the book is to equip seminarians and pastors with conceptual resources for clarifying moral responsibility in the practice of ministry This responsibility includes three levels the minister as a moral agent in offering care the minister as a moral enabler in encouraging virtue in others and the minister as a moral leader in facilitating congregational life and witness in society Helping ministers and seminarians to think anew about their responsibilities and the moral quandaries in pastoral practice *Gentle Shepherding* integrates theory with practice providing case material for further reflection and discussion and at least one case study or exercise associated with each chapter

Blowing the Lid Off the God-Box Anne Robertson, 2005 What's in your God box Each of us says author Anne Robertson builds our own way of understanding God our God box and fills it up with bits of scripture wisdom and our experiences of God at work in our lives It's a perfectly good way to puzzle out what God means to us Encountering God through our human limitations we learn something about the meaning of Incarnation But to say that our experience of God is the only valid one is to put a lid on the box and create an idol This book is about examining our God boxes and bursting them wide open *Blowing the Lid Off the God Box* starts with the ministry of Jesus who blew the lid off everyone's God box by constantly challenging his followers with the unexpected Subsequent chapters examine the God boxes we create with scripture worship and political and social agendas

Futuring Your Church George B. Thompson, 2015-06-09 A vision is not a mission statement declares George Thompson In the throes of establishing their congregational identity many church leaders resort to developing a mission statement which gets put in a file drawer and forgotten until the next budget review The problem is that mission statements focus on concrete achievements a vision in contrast establishes the larger picture of aim broad purpose and hopes In *Futuring Your Church* church leaders explore the congregation's heritage its current context and its theological bearings From the insights gleaned members can discern what God is currently calling their own church to do in this time and place Once this vision is found Thompson provides a simple organization model for applying the vision for making it work A practical helpful tool for futuring authentic ministry [ChurchNext](#) Eddie Gibbs, 2000-03-24 Eddie Gibbs candidly

If It Could Happen Here Jeffrey H. Patton, 2010-10-01 Are small membership churches as the conventional wisdom says simply places where pastors bide their time while they wait for something better to come along Are they places where long standing family relationships are maintained but little else Are they places where attendance is dropping the building is out of date the programs are boring and people don't want to change If you believe this conventional wisdom then this book is not for you But if you see small membership churches especially those in rural areas as opportunities for the radical message of Jesus to transform lives and communities then this is a book you want to read Jeff Patton knows from firsthand experience as pastor of a small membership congregation whose life turned around under his leadership that small rural churches can become explosive centers of witness and mission In this informative book he describes 6 levers for transforming a small membership church prayer discerning a clear vision indigenous worship growth groups membership recruitment and lay pastoring

Wind and Whirlwind David Moffett-Moore, 2013-02-13 It will come as no surprise to pastors and their families that the vocation of a minister involves stress In fact it involves a great deal of stress Unfortunately when many pastors encounter stress they tend to hunker down in the hopes of just surviving All too frequently the stressful situations that have not been dealt with continue to build up and the result is fatigue and burnout In Wind and Whirlwind Dr David Moffett Moore presents a better way He has survived the whirlwind in his own ministry and more importantly with the help of many others he has learned to turn the stress into an opportunity for growth both for himself and for the congregations he serves In a series of 16 short chapters he will help you identify the sources of stress discover ways to manage it spiritually and emotionally and point you to spiritual disciplines and practices that will help make you a better person and bring success to your ministry While the chapters are short they do not present easy trite answers to complex problems Rather they will help you strengthen yourself so you can discern the way God is working in your life and ministry Each chapter presents topics for meditation and questions for discussion It is designed to be used by clergy peer groups

Branded Faith Rajkumar Dixit, 2010-06-07 Christianity may be the greatest story ever told but in Western culture it is losing ground against the powerful forces of secularization In examining the root causes of this cultural shift does the church

have anything to learn from secular society and the business sector For decades the church has resisted the idea of using business methodologies in the religious sphere Yet a closer look reveals that most church hierarchies have borrowed much of their organizational structure from the business sector But the church is not alone in its borrowing Today the lines between the church and the business sector are blurred as both entities influence each other interchangeably In *Branded Faith* Rajkumar Dixit enters an engaging and intellectually stimulating analysis of what the church can learn from the business practices of marketing branding and contextualization Using examples drawn from widely recognized companies such as Nike Starbucks Coca Cola and Subway Dixit systematically builds a case for the power of a story and emphasizes the importance of seeking culturally relevant ways to spread it Those who care deeply about sharing Christianity powerfully and effectively will find in *Branded Faith* a thoughtful presentation of ideas on how to maintain the integrity of the gospel while exploring fresh methods of communicating the good news to a postmodern society
