and what it means to be a Christian can be enjoyed once more in this compilation of two autobiographical books *The Growing Up Pains* of Adrian Plass and *Why I Follow Jesus* With laugh out loud witticisms stories anecdotes sketches and poems you will be immersed in the heart and humour of a well loved speaker and writer *Still Crazy* Adrian Plass, 2024-02-15 I think I need to explain why I decided to call this book *STILL CRAZY* Firstly because I've been at this writing and speaking business for quite a while now and the passion to share my thoughts still hasn't subsided Secondly because I am more and more convinced that a healthy dose of the right kind of crazy might be just what we need to cope with the ups and downs of modern life and of faith Join me as we explore some of the strange funny puzzlingly pointless little side turnings that generally speaking we are too busy to bother with but which might just lead us to the place where we need to be one place One thing One person Lots of laughs along the way A few tears It can feel a bit crazy We'll get there From the Introduction From the challenges of growing old ungracefully to reflections on the impact of the Coronavirus pandemic this is a wide ranging collection with lashings of Adrian's trademark humour Whether considering the paradoxes and contradictions of faith and the church or the unexpected blessings encountered along the way this collection is thought provoking and encouraging in equal measure There are fresh entries from the *Sacred Diary* and new insights into the world of the Shadow Doctor and finally Adrian considers the mystery of love and ponders its power to help us change our world for good *The Sacred Diary Trilogy* Adrian Plass, 1997 This volume contains the most popular writings of Adrian Plass The three books follow Plass through the trials and tribulations of Christian life Diary entries letters to a precocious 11 year old girl with a fractured lemur and the tape recordings of loony Leonard Thynne are included **All Questions Great and Small** Adrian Plass, Jeff Lucas, 2015-11-19 The whole idea of the *SERIOUSLY FUNNY* tour was for Adrian Plass and Jeff Lucas to let people in on their conversations about God life and the universe and it went pretty well After all that's pretty much what they've been doing in their separate writing and speaking careers all these years All told people seemed to like the way their trademark styles came together and shed light on even the most difficult subjects in a way that perhaps made those burdens a little easier to bear However as they toured around the country Adrian and Jeff realised that other people's questions were at least as interesting as their own possible more so Eventually they decided they'd better have a go at some answers This book is the result They may not have got the answers right but they have certainly had a good time along the way and they hope you will too **All Questions Great and Small** Adrian Plass, 2016-01-19 The whole idea of the *SERIOUSLY FUNNY* tour was for Adrian Plass and Jeff Lucas to let people in on their conversations about God life and the universe and it went pretty well After all that's pretty much what they've been doing in their separate writing and speaking careers all these years All told people seemed to like the way their trademark styles came together and shed light on even the most difficult subjects in a way that perhaps made those burdens a little easier to bear However as they toured around the country Adrian and Jeff realised that other people's questions were at least as interesting as their own possible more so Eventually they decided they

d better have a go at some answers This book is the result They may not have got the answers right but they have certainly had a good time along the way and they hope you will too The Shadow Doctor Adrian Plass,2017-02-09 The Shadow Doctor isn't your usual kind of doctor Sure you can bring him your problems but the chances are his solutions will blow your mind This man can see into your soul and the cures he prescribes don't come from the pharmacy If you have fears you just cannot face wounds you can't even bear to remember if you've been abused ignored damaged by all life throws at you the Shadow Doctor is here to help But the Shadow Doctor has shades of his own and the work of helping others may be the only thing keeping him afloat Can he stay ahead of the demons that torment him long enough to help those who need him

Adrian Plass Classics Adrian Plass,1998 Adrian Plass's unique perspective on life and faith can be enjoyed once more in this omnibus edition of three of his best selling books In *The Growing Up Pains* of Adrian Plass we meet the real Adrian Plass as opposed to his fictional counterpart in the Sacred Diary series *Cabbages for the King* and *View from a Bouncy Castle* are collections of stories sketches and poems which celebrate both the profundity and absurdity of life while making keen points about the gospel Underlying Adrian's irrepressible humour is his passionate conviction that God embraces us in our weakness and vulnerability and that we need to gain a child like perspective in order to understand just how much he loves us **A Year at St Yorick's** Adrian Plass,1998 Another likely best seller from Adrian Plass *A Year at St Yorick's* will do for the Church of England what the Sacred Diary of Adrian Plass did for charismatic Christians Remember the Sacred Diarist trying to take spiritual authority over a paper clip This time Adrian Plass turns his satirical yet affectionate eye on the Church of England in this spoof collection of monthly parish magazines which lampoons the life of a fictional rural parish These are tempestuous times for the Church of England the Toronto Blessing the ongoing rumbles about disestablishment the debate about monarchy divorce and the state and as ever Adrian's humour is full of wisdom and compassion as well as wild irreverence
