

The book cover features a full-page illustration. The upper half shows a large, snow-capped mountain peak, likely Mount Fuji, under a pale blue sky. The lower half shows a dark, forested hillside with a small village or monastery at its base, featuring several buildings with traditional roofs. The title 'SACRED MOUNTAINS' is printed in large, white, serif capital letters across the middle of the mountain. Below it, the subtitle 'Ancient Wisdom and Modern Meanings' is in a smaller, italicized, white serif font. At the bottom, the author's name 'ADRIAN COOPER' is in white, serif capital letters.

Asian Sacred Natural Sites Bas Verschuuren,Naoya Furuta,2016-08-12 Nature conservation planning tends to be driven by models based on Western norms and science but these may not represent the cultural philosophical and religious contexts of much of Asia This book provides a new perspective on the topic of sacred natural sites and cultural heritage by linking Asian cultures religions and worldviews with contemporary conservation practices and approaches The chapters focus on the modern significance of sacred natural sites in Asian protected areas with reference where appropriate to an Asian philosophy of protected areas Drawn from over 20 different countries the book covers examples of sacred natural sites from all of IUCN s protected area categories and governance types The authors demonstrate the challenges faced to maintain culture and support spiritual and religious governance and management structures in the face of strong modernisation across Asia The book shows how sacred natural sites contribute to defining new more sustainable and more equitable forms of protected areas and conservation that reflect the worldviews and beliefs of their respective cultures and religions The book contributes to a paradigm shift in conservation and protected areas as it advocates for greater recognition of culture and spirituality through the adoption of biocultural conservation approaches

Environment and Sustainable Development Seema Sahdev,Manish Kumar,2018-01-01 Since the Industrial Revolution the Environmental impact of economic activities have far exceeded the regenerative capacities of earth s ecosystems resulting in degradation of environment which poses a serious threat to our own existence We need to understand innovative approach for enhance material with less resource use for achieving sustainable development In the present book the contributors have put in serious research work to cover a wide range of issues relating to environmental management and problems concerning resource depletion And have also made several important recommendations for the implementation of policies by which the processes of development can become sustainable The book will contribute towards understanding strategies for policy makers administrator and NGOs to work towards strengthening the capacities for sustainable development at all levels **The Hidden Fires** Merryn Glover,2023-03-02 Shortlisted for the Boardman Tasker Award for Mountain Literature Elemental fierce and full of wonder the Cairngorm mountains are the high and rocky heart of Scotland

To know them would take forever to love them demands a kind of courageous surrender In *The Hidden Fires* Merryn Glover undertakes that challenge with Nan Shepherd as companion and guiding light Following in the footsteps and contours of *The Living Mountain* she explores the same landscapes and themes as Shepherd's seminal work This is a journey separated by time but unified by space and purpose a conversation between two women across nearly a century that explores how entering the life of a mountain can illuminate our own An Australian who grew up in the Himalayas her early experiences of the Scottish hills and weather left her cold But gradually acclimatising and with an approach like Shepherd's that is more mountain wandering than mountaineering she discovers the spark that sets the hills and herself on fire Through Glover's deepening encounter the wild majesty and iridescence of the Cairngorms is revealed in this beautiful evocation of landscape place and identity Shortlisted for The Great Outdoors Reader Awards 2024 Merryn Glover's *The Hidden Fires* is not just brave it is remarkable Sir John Lister Kaye
