Reflections on the Sacrificial Death of Jesus Christ Jason Tatlock,2019-10-03 The sacrificial nature of Jesus crucifixion stands at the core of the Christian faith and it serves as a focal point for the forty days of Lent The essential meaning of his death as a victim of sacrifice is widely recognized but there is more to the sacrificial representation than many realize Jesus is not for example described in the New Testament only as a Passover lamb That type of lamb sacrifice had nothing to do with addressing sin His sacrifice involved concepts beyond Passover Jesus and his early followers drew upon Jewish Scriptures to describe his death in light of several other Israelite practices and traditions such as Day of Atonement rituals guilt sacrifice and more In this book Tatlock draws upon his understanding of ancient sacrifice to explain the complex portrayal of the crucifixion in the New Testament He shares about his personal challenges and insights in a series of daily reflections for the Lenten season or for any other time of the year

Christ and the Altar Fire: Sacrifice as Deification in Matthias Scheeben David Augustine,2025-01-01 For renowned nineteenth century German dogmatic theologian Matthias Scheeben the divinely instituted liturgical cult of the Old Testament is replete with soteriological import figuratively signifying not only Christ s saving work and the sacramental worship of the New Testament but also the transformation and elevation of the rational creature by divine grace Scheeben s distinctive use of sacrificial concepts is rooted in his underlying view of sacrifice as primarily perfective directed to the glorification of God and constituted by the conversion of the offering into a pleasing and acceptable aroma via ritual burning with God given fire In *Christ and the Altar Fire* David Augustine offers an in depth study of Scheeben s soteriology of sacrifice providing a comprehensive analysis of his theology of sacrifice as well as a detailed examination of his sacrificial construal of Christ s person his saving work and its application to others At the heart of this account is Scheeben s understanding of Christ s sacrifice as encompassing his entire paschal mystery passion death resurrection and ascension itself a passage of glorification that serves as the site and source of deifying and latreutic nuptial union As he shows Scheeben employs the altar fire typology to establish a unity of cross and glory that fully maintains the atoning and meritorious significance of Christ s saving death Displaying careful attentiveness to Scheeben s historical context and to the contours of his substantial corpus Augustine also brings Scheeben s biblically inflected dogmatic theology into dialogue with contemporary biblical and theological scholarship showcasing the enduring relevance of his thought
