Sacrificial Logics Feminist Theory And The Critique Of Identity:

Sacrificial Logics Allison Weir,1996 Allison Weir sets forth a concept of identity which depends on an acceptance of nonidentity difference and connection to others defined as a capacity to participate in a social world Weir argues that the equation of identity with repression and domination links relational feminists like Nancy Chodorow who equate self identity with the repression of connection to others and poststructuralist feminists like Judith Butler who view any identity as a repression of nonidentity or difference Weir traces this conception of identity as domination back to Simone de Beauvoir s theories of the relation of self and other

Sacrificial Logics Allison Weir,2014-07-16 Allison Weir sets forth a concept of identity which depends on an acceptance of nonidentity difference and connection to others defined as a capacity to participate in a social world Weir argues that the equation of identity with repression and domination links relational feminists like Nancy Chodorow who equate self identity with the repression of connection to others and poststructuralist feminists like Judith Butler who view any identity as a repression of nonidentity or difference Weir traces this conception of identity as domination back to Simone de Beauvoir s theories of the relation of self and other

The Power of Feminist Theory Amy Allen,2018-03-05 Power is clearly a crucial concept for feminist theory Insofar as feminists are interested in analyzing power it is because they have an interest in understanding critiquing and ultimately challenging the multiple array of unjust power relations affecting women in contemporary Western societies including sexism racism heterosexism and class oppression In *The Power of Feminist Theory* Amy Allen diagnoses the inadequacies of previous feminist conceptions of power and draws on the work of a diverse group of theorists of power including Michel Foucault Judith Butler and Hannah Arendt in order to construct a new feminist conception of power The conception of power developed in this book enables readers to theorize domination resistance and solidarity and perhaps more importantly to do so in a way that illuminates the interrelatedness of these three modalities of power

Mary Hunter Austin: A Female Writer's Protest Against the First World War in the United States Jowan A. Mohammed,2021-09-07 Mary Hunter Austin 1868 1934 is often referred to as an important American writer of the early decades of the 20th century with much of her work concerning nature and Native American culture Hunter Austin was also considered to be one of the early feminist writers whose works had an impact on the redefinition of gender roles during the First World War This study examines the feminist perception of her later years connecting feminist history to questions related to memory through a study of literature politics and interpretations of the past both feminist and gendered It demonstrates how far the perception and remembrance of the past are determined by later agendas and considerations This work is an insightful and detailed study meant to expand knowledge within the field of collective memory about Mary Hunter Austin s life and work alike This book is intended for those with a general interest in feminism socialism World War One and gender issues Academics and specialists in the field will value new research on a crucial figure in American literary history

The Rites of Identity Beth Eddy,2009-01-10 *The Rites of Identity* argues that

Kenneth Burke was the most deciding influence on Ralph Ellison's writings that Burke and Ellison are firmly situated within the American tradition of religious naturalism and that this tradition properly understood as religious offers a highly useful means for considering contemporary identity and mitigating religious conflict Beth Eddy adds Burke and Ellison to a tradition of religious naturalism that traces back to Ralph Waldo Emerson but received its most nuanced expression in the work of George Santayana Through close readings of the essays and fiction of Burke and Ellison Eddy shows the extent to which their cultural criticisms are intertwined Both offer a naturalized understanding of piety explore the psychological and social dynamics of scapegoating and propose comic religious resources And both explicitly connect these religious categories to identity be it religious racial national ethnic or gendered Eddy arguing that the most socially damaging uses of religious language and ritual are connected to the best uses that such language has to offer finds in Burke and Ellison ways to manage this precarious situation and to mitigate religious violence through wise use of performative symbolic action By placing Burke and Ellison in a tradition of pragmatic thought *The Rites of Identity* uncovers an antiessentialist approach to identity that serves the moral needs of a world that is constantly negotiating performing and ritualizing changes of identity

The Cambridge Companion to Feminism in Philosophy Miranda Fricker, Jennifer Hornsby, 2000-01-27 The thirteen specially commissioned essays in this volume are written by philosophers at the forefront of feminist scholarship and are designed to provide an accessible and stimulating guide to a philosophical literature that has seen massive expansion in recent years Ranging from history of philosophy through metaphysics to philosophy of science they encompass all the core subject areas commonly taught in anglophone undergraduate and graduate philosophy courses offering both an overview of and a contribution to the relevant debates Together they testify to the intellectual value of feminism as a radicalizing energy internal to philosophical inquiry This volume will be essential reading for any student or teacher of philosophy who is curious about the place of feminism in their subject

Dialectics of the Body Lisa Yun Lee, 2016-05-06 The study of Theodor Adorno has largely ignored or dismissed the enigmatic and provocative moments in his writing on the body *Dialectics of the Body* corrects this gap by arguing that Adorno's analysis of reified society emanates and returns to the body and that hope and desire are present throughout Adorno's philosophy
