Jon Michael Spencer

Sad Woman Blues:

Sad Woman Blues Susan Alexander, 2004-10 Chief Tomekin was a Penobscot moccasin maker and my grandfather Evenings would pass while stories were handed down of olden days on Indian Island Reservation near Old Town One that mesmerized me was the life of Johnny Boyle an Irishman who learned to cook on his wood stove in the deep woods of Maine for the big paper companies in the 1930 s It took months of careful research listening and interviews from many of my own Native American elders but I wanted to get it right and recapture the forgotten time period From Johnny Boyles dealings with the paper companies and lumberjacks to his relations with the Penobscot right to the bitter end Ice Goes Out becomes excitingly real historically interesting and informative yet captivating It journeys from Boston to Bangor into the deeps woods where a surprising cast of colorful characters many true to life await you as told through the eyes of an adolescent Chief Tomekin The bonding of friends and trust versus racism along with plenty of twists turns and tragedies makes Ice Goes Out as enjoyable to read as it is comical and easy I swore I would write it down someday and Ice Goes Out is the result

Harpsong Rilla Askew, 2007 Seeking shelter in hobo jungles and Hoovervilles newlyweds Harlan Singer and his teenage bride Sharon make their way along the byways of the 1930s Depression landscape as they search for an old man and the settlement of Harlan s long standing debt a quest with which Sharon becomes increasingly disenchanted **Generations Women in the South** Joy Elvey Lamm, Pauli Murray, Sara Evans, Cynthia Washington, Margaret Rose Gladney, Virginia Rudder, Rayna Green, Lee Howard, Lee Smith, Jeanne Ormond, Jo Ann Robinson, Lillian Smith, Anne Braden, Sean Devereux, Alice Walker, Ellen Stein, Mary Frederickson, Kathy Gleason, Wendy Watriss, Priscilla Parish Williams, Birthalene Miller, Lee Robinson, Len Stanley, John Florin, Ann Deagon, Jeanie Thompson, The time has come Lillian Smith wrote in 1962 for women to risk the great and daring creative act of discovering and articulating their own identity Three years later Southern women of a younger generation fortified by the skills and self respect earned in the black civil rights movement issued the first manifesto of a new feminism Their words landed with explosive force setting off cultural reverberations which have shaken the lives of men and women alike A little more than a decade after that this issue of Southern Exposure began to take form Its creation has taken us back into history and deep into the meaning of our own lives As we set out to understand the situation of Southern women we found ourselves in search of our mothers gardens We found ourselves naming an experience we share across the generations So many of the stories that I write Alice Walker discovered are my mother s stories To speak in our own voices we had first to give expression to a promise song that has been there all along **Catalog of Copyright Entries, Third Series** , 1963 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Blues and Evil** Jon Michael Spencer, 1993 The term blues has traditionally conveyed an image of hard living hard drinking carousing singers and musicians grinding out

melancholy tunes and evil lyrics Contesting that stereotypical notion this study argues that spiritual values are clearly reflected in the blues mythologized history folk theological language and philosophical speculation on the dual existence of good and evil By using a theomusicalogical approach Yahya Jongintaba formerly Jon Michael Spencer is able to push aside accepted attitudes and present a unique study of the blues and the culture that created it He reveals religious substance in this music s content and language that has been gradually obscured as the blues evolved from a simple rural music following Reconstruction to its present urban form The evidence strongly implies a fundamental religious concern for the same life issues expressed in orthodox religious music Spencer suggests that white blues scholars have tended to overlook the religious nature of the blues partly because they have not fully understood African American culture They have tended to give validity to the old southern folkloric belief that blues music was devil s music disregarding the ethos of the blues as it exists on the periphery of doctrinal Christianity where religious pondering as well as opposition to white oppression could be expressed behind a protective veil of music
