s prolific career as a Broadway playwright and Hollywood screenwriter spans a period from the 1920s to the mid 1960s As a writer for popular performance he had to contend with commercial influences and with producers and directors involved in the dynamics of the collaborative process Though eminently successful his works have not received adequate critical scrutiny

His oeuvre probably will never be fully determined because of collaboration numerous rewrites and the many unpublished and unproduced plays and scripts Author Robert F Gross here provides an immensely detailed record of the primary materials published and unpublished including plays filmscripts fiction and essays and of the critical response both reviews and analytical studies Focusing on Behrman as a dramatist Gross has written extensive plot summaries and critical overviews for each of fifty one plays Where applicable full production credits are given for premieres and revivals and references are made to reviews and commentary about specific productions as well as to the plays in general The annotated secondary bibliography is divided into chronologically organized sections for reviews and for books parts of books and articles Fully cross referenced the material is also accessible through an author index to the secondary bibliography and a general subject index In an opening appraisal Gross expresses his appreciation for Behrman whose high comedies he finds to be informed by a probing ethical conscience and whose goal of scrupulosity he emulates in his own work This scrupulous playwright is here given his due in a comprehensive sourcebook of value for theatre historians and theatre professionals

The Cinematic Voyage of THE PIRATE Earl J. Hess, Pratibha A. Dabholkar, 2014-07-21 During Metro Goldwyn Mayer's glory days the studio's famous Arthur Freed Unit made an extraordinary string of dazzling musicals One of its very best was *The Pirate* Based on a successful 1942 Broadway production the film was directed by Vincente Minnelli and starred Gene Kelly and Judy Garland It showcased some of the brightest work of these three gifted moviemakers and entranced many critics and viewers with exotic set design and costumes brilliant Technicolor application stunning dance routines and a clever plot about an actor who pretends to be a famous pirate to win the love of a fanciful island girl *The Cinematic Voyage of The Pirate* Kelly Garland and Minnelli at Work follows the model of Hess and Dabholkar's previous study of *Singin in the Rain* Drawing on exhaustive research in archives memoirs interviews and newspaper coverage it takes the reader from the original conception of the story in the mind of a German playwright named Ludwig Fulda through S N Behrman's Broadway production starring Alfred Lunt and Lynn Fontanne to the arduous task of crafting a suitable screenplay at MGM Behind the scenes issues such as Garland's personal problems during the making of the film and the shaping of the film by Minnelli and Kelly are among the many subjects detailed here While the initial reception of *The Pirate* reinforced hopes for its success many audiences did not understand the film's tongue in cheek aspect and some critical reviews were mixed This shaded the perception of the film and its significance As this careful study shows *The Pirate* was a commercial and critical success despite some early misperceptions The movie made a small profit for MGM and the film grew in public appeal over time *The Pirate* has been studied by film historians gender studies scholars and film studies professionals since it was released in 1948 *The Cinematic Voyage of The Pirate* contributes to a growing literature asserting the importance of single film production history and the significance of the film musical in the golden age of Hollywood

Biography by S N Behrman Audience Guide Jack Anderson Marshall (Jr.), 2013 **No Time For Comedy By S. N. Behrman** S. N. Behrman, 1939 *Wine Of Choice: a Comedy In*

Three Acts By S. N. Behrman With an Introduction By John Anderson S. N. Behrman, 1938 **Modern American Drama: Playwriting in the 1930s** Anne Fletcher, 2019-11-14

The Decades of Modern American Drama series provides a comprehensive survey and study of the theatre produced in each decade from the 1930s to 2009 in eight volumes. Each volume equips readers with a detailed understanding of the context from which work emerged; an introduction considers life in the decade with a focus on domestic life and conditions, social changes, culture, media, technology, industry, and political events, while a chapter on the theatre of the decade offers a wide-ranging and thorough survey of theatres, companies, dramatists, new movements, and developments in response to the economic and political conditions of the day. The work of the four most prominent playwrights from the decade receives in-depth analysis and re-evaluation by a team of experts, together with commentary on their subsequent work and legacy. A final section brings together original documents such as interviews with the playwrights and with directors, drafts of play scenes, and other previously unpublished material. The major playwrights and their works to receive in-depth coverage in this volume include Clifford Odets' *Waiting for Lefty* (1935), *Awake and Sing* (1935), and *Golden Boy* (1937); Lillian Hellman's *The Children's Hour* (1934), *The Little Foxes* (1939), and *Days to Come* (1936); Langston Hughes' *Mulatto* (1935), *Mule Bone* (1930, with Zora Neale Hurston), and *Little Ham* (1936); Gertrude Stein's *Doctor Faustus Lights the Lights* (1938); and *Four Saints in Three Acts*, written in 1927, published in 1932, and *Listen to Me* (1936).
