## **Long Lance The True Story Of An Imposter:**

**Long Lance** Donald B. Smith,1982      True West William R. Handley,Nathaniel Lewis,2007-05-01 In no other region of the United States has the notion of authenticity played such an important yet elusive role as it has in the West Though pervasive in literature popular culture and history assumptions about western authenticity have not received adequate critical attention Given the ongoing economic and social transformations in this vast region the persistent nostalgia and desire for the real authentic West suggest regional and national identities at odds with themselves True West explores the concept of authenticity as it is used to invent test advertise and read the West The fifteen essays collected here apply contemporary critical and cultural theory to western literary history Native American literature and identities the visual West and the imagining of place Ranging geographically from the Canadian Prairies to Buena Park s Entertainment Corridor in Southern California and chronologically from early tourist narratives to contemporary environmental writing True West challenges many assumptions we make about western writing and opens the door to an important new chapter in western literary history and cultural criticism      **LONG LANCE:THE TRUE STORY OF AN IMPOSTER.** Donald B. Smith,1982

*Real Indians* Eva Garrouette,2003-07-31 At the dawn of the twenty first century America finds itself on the brink of a new racial consciousness The old unquestioned confidence with which individuals can be classified as embodied for instance in previous U S census categories has been eroded In its place are shifting paradigms and new norms for racial identity Eva Marie Garrouette examines the changing processes of racial identification and their implications by looking specifically at the case of American Indians      The Real Santa of Miller & Rhoads Donna Strother Deekens,2019-10-28 After the turn of the twentieth century young Bill Strother left the tobacco farms of North Carolina to make a living climbing buildings He became known as the Human Spider scaling countless structures across the nation Yet this was just a prelude to his true calling as the Santa Claus at Richmond s famed Miller Rhoads department store As department stores everywhere reached their golden age Strother became one of the most beloved and sought after Santas in the nation Author and former Miller Rhoads Snow Queen Donna Strother Deekens recounts the amazing history of the Real Santa      Hopis and the Counterculture Brian Haley,2024-10-29 This book addresses how the Hopi became icons of the followers of alternative spiritualities and reveals one of the major pathways for the explosive appropriation of Indigenous identities in the 1960s It reveals a largely unknown network of Native non Indian and neo Indian actors who spread misrepresentations of the Hopi that they created through interactions with the Hopi Traditionalist faction of the 1940s through 1980s Significantly many non Hopis involved adopted Indian identities during this time becoming neo Indians Exploring the new social field that developed to spread these ideas Hopis and the Counterculture meticulously traces the trajectories of figures such as Ammon Hennacy Craig Carpenter Frank Waters and the Firesign Theatre among others Drawing on insights into the interplay between primitivism radicalism stereotyping and identity Haley expands on concepts from scholars such as Roy Harvey Pearce s notion of isolated radicals

and Jonathan Friedman's observations regarding the ascendancy of primitivism amid global crises Haley scrutinizes the roles played by non Hopi actors and the timing behind the widespread popularization of Hopi religious practices     **The**

**Imaginary Indian** Daniel Francis, 2012-04-17 First published in 1992 The Imaginary Indian is a revealing history of the Indian image mythologized by popular Canadian culture since 1850 propagating stereotypes that exist to this day Images of First Nations people have always been fundamental to Canadian culture From the paintings and photographs of the 19th century to the Mounted Police sagas and the spectacle of Buffalo Bill's Wild West Show from the performances of Pauline Johnson Grey Owl and Buffalo Long Lance to the media images of Oka and the Vancouver Winter Olympics the Imaginary Indian is ever with us oscillating throughout our history from friend to foe from Noble Savage to bloodthirsty warrior from debased alcoholic to wise elder from monosyllabic squaw to eloquent princess from enemy of progress to protector of the environment The Imaginary Indian has been and continues to be as Daniel Francis reveals in this book just about anything the non Native culture has wanted it to be and the contradictory stories non Natives tell about Imaginary Indians are really stories about themselves and the uncertainties that make up their cultural heritage This is not a book about Native people it is the story of the images projected upon Native people and the desperate uses to which they are put This new edition published almost twenty years after the book's first release includes a new preface and afterword by the author Daniel Francis is an award winning historian and the author of twenty books     Kindred by Choice H. Glenn Penny, 2013-08-12 How do we explain the persistent preoccupation with American Indians in Germany and the staggering numbers of Germans one encounters as visitors to Indian country As H Glenn Penny demonstrates that preoccupation is rooted in an affinity for American Indians that has permeated German cultures for two centuries He also assesses what persists of the affinity across the political ruptures of modern German history and challenges readers to rethink how cultural history is made     *Writing and Race* Tim Youngs, 2017-07-28 Writing and Race brings together specially commissioned essays by new and established authors from a range of disciplines Texts are drawn from subjects and genres that include philosophy politics anthropology sexuality travel fiction and autobiography Through a time span from Ancient Greece to the present day and a geographical coverage from Australia and Europe to the Caribbean and the United States the collection investigates the importance of place moment cultural formation and subject identity in racial representation A substantial introduction establishes the connections between the essays and lucidly summarizes recent thinking on race explaining in particular the relevance of debates about ethnography Accessible and stimulating Writing and Race is a multidisciplinary collection that will be of interest to students researchers and lecturers who study or are interested in race The essays represent a variety of critical approaches thus allowing the reader to compare and contrast the benefits of each approach Extracts of some of the texts that are discussed are included along with an extensive bibliography to encourage further study     The Third Eye Fatimah Tobing Rony, 1996 Charting the intersection of technology and ideology cultural production and social science Fatimah

Tobing Rony explores early twentieth century representations of non Western indigenous peoples in films ranging from the documentary to the spectacular to the scientific Turning the gaze of the ethnographic camera back onto itself bringing the perspective of a third eye to bear on the invention of the primitive other Rony reveals the collaboration of anthropology and popular culture in Western constructions of race gender nation and empire Her work demonstrates the significance of these constructions and more generally of ethnographic cinema for understanding issues of identity In films as seemingly dissimilar as Nanook of the North King Kong and research footage of West Africans from an 1895 Paris ethnographic exposition Rony exposes a shared fascination with and anxiety over race She shows how photographic realism contributed to popular and scientific notions of evolution race and civilization and how in turn anthropology understood and critiqued its own use of photographic technology Looking beyond negative Western images of the Other Rony considers performance strategies that disrupt these images for example the use of open resistance recontextualization and parody in the films of Katherine Dunham and Zora Neale Hurston or the performances of Josephine Baker She also draws on the work of contemporary artists such as Lorna Simpson and Victor Masayesva Jr and writers such as Frantz Fanon and James Baldwin who unveil the language of racialization in ethnographic cinema Elegantly written and richly illustrated innovative in theory and original in method *The Third Eye* is a remarkable interdisciplinary contribution to critical thought in film studies anthropology cultural studies art history postcolonial studies and women s studies

**The Quest for Justice** Menno Boldt, J. Anthony Long, Leroy Little Bear, 1985-01-01 It contains some twenty three papers from representatives of the aboriginal people s organizations of governments and of a variety of academic disciplines along with introductions and an epilogue by the editors and appendices of the key constitutional documents from 1763

**Hollywood's Native Americans** Angela Aleiss, 2022-04-06 This book highlights the contributions and careers of Native Americans who have carved impressive careers in Hollywood from the silent film era of the early 1900s to the present becoming advocates for their heritage This book explores how the heritage and behind the scenes activities of Native American actors and filmmakers helped shape their own movie images Native artists have impacted movies for more than a century but until recently their presence had passed largely unrecognized From the silent era to contemporary movies this book features leading Native American actors whose voices have reached a broad audience and are part of the larger conversation about the exploitation of underrepresented people in Hollywood Each chapter highlights Native actors in lead or supporting roles as well as filmmakers whose movies were financed and distributed by Hollywood studios The text further explores how a pan Indian heritage that applies to all tribes in terms of spirituality historical trauma and a version of ceremony and storytelling have shaped these performers movie identities It will appeal to a wide range of readers including fans of Westerns history buffs of American popular cinema and students and scholars of Native American studies A note from the author Since the publication of this book the CBC news magazine *The Fifth Estate* released an investigative documentary on October 27 2023 alleging that Buffy Sainte Marie had been

fraudulently posing as a Native Canadian throughout her career

**Cross-Border Warriors** Fred Gaffen, 1996-07-25 For well of a hundred years Canadians and Americans have crossed the border that separates their two countries to serve in one another s armed forces The American Civil War the two world wars Korea Vietnam the Gulf War Cross Border Warriors presents anecdotes letters and diaries by or about individuals who left family and native land to engage in these far away struggles There was Emma Edmonds a woman from New Brunswick who disguised herself as a man and served as a field nurse and spy for the Yankees during the civil war American Lucien Thomas who flew 400 combat missions in WW II and Korea Fred Demara The Great Impostor who used his surgical skills on unsuspecting patients More than ninety photos together with Fred Gaffen s analysis of this cross border phenomenon complement the soldiers words Explorations in Sights and Sounds , 1986 The Invented Indian James A.

Clifton,2017-09-04 This is an explosive collection of essays written by leading scholars of North American Indians most of them heavily involved in service and applied work often on behalf of Indian clients communities and organizations In an area saturated with deadening consciously politicized orthodoxy these seventeen essays aim at nothing less than the reconstruction of our understanding of the American Indian past and present The volume examines in careful accurate but uncompromising ways the recent construction of the prevailing conventional story line about America s most favored underclass The first eight essays introduce the volume and treat a variety of specific invented traditions concerning Indians These are followed by four essays on broader thematic issues related to the demographic religious cultural and kinship elements in Indian studies The final five chapters express a comparative perspective from Anglo and French Canada Europe from inside the Bureau of Indian Affairs and from a legal position The Invented Indian explores how cultural fictions promote divisiveness and translate into policy Throughout the volume reveals a deep and abiding respect for Indians their histories and their cultures saving its critiques for jaundiced academics and callow politicians Representing years of cooperative effort this work brings together a group providing breadth and balance Far more than a critical collection it is a constructive effort to make sense of a field displaying empirical confusions and moral muddles The volume will be of interest to anthropologists professionals in Indian studies and policymakers

**A Nation of Peoples** Elliott Robert Barkan,1999-05-30 The debate over America s multiculturalism has been intense for nearly three decades dividing opponents into those insisting on such recognition and those fearing that such a formal acknowledgment will undermine the civic bonds created by a heterogeneous nation Facts have often been the victim in this dispute and few works have successfully attempted to present the broad spectrum of America s ethnic groups in a format that is readable current and authoritative The chapters in this reference book demonstrate that America has been far more than a nation of immigrants it has been a nation of peoples of virtually all races religions and nationalities inclusive of indigenous natives and peoples long present as well as myriad immigrant and refugee groups Not all groups have equally found America to be a land of opportunity and the successes of some groups have come at the expense of others To understand the American experience the reader must not just study the story of immigrants living on the East Coast but also the history of those living in the South Southwest West and even Alaska and Hawaii As a reference book this volume provides thorough coverage of more than two dozen racial ethnic and religious groups in the United States Each chapter is written by an expert contributor and overviews the experiences of one group or a cluster of related groups The chapters are arranged alphabetically and cover groups such as African Americans American Indians Filipinos Hawaiians Mexicans Mormons and Puerto Ricans To the extent possible each chapter discusses the initial arrival of the group in America the adaptation of the first generation of immigrants the economic political and cultural integration of the group and the status of the group in contemporary American society Each chapter closes with a bibliographical essay and the volume concludes with a review of the most important general works on America s multicultural heritage Making the

White Man's Indian Angela Aleiss, 2005-05-30 The image in Hollywood movies of savage Indians attacking white settlers represents only one side of a very complicated picture In fact sympathetic portrayals of Native Americans stood alongside those of hostile Indians in the silent films of D W Griffith and Cecil B DeMille and flourished during the early 1930s with Hollywood's cycle of pro Indian adventures Decades later the stereotype became even more complicated as films depicted the savagery of whites The Searchers in contrast to the more peaceful Indian Broken Arrow By 1990 the release of Dances with Wolves appeared to have recycled the romantic and savage portrayals embedded in early cinema In this new study author Angela Aleiss traces the history of Native Americans on the silver screen and breaks new ground by drawing on primary sources such as studio correspondence script treatments trade newspapers industry censorship files and filmmakers interviews to reveal how and why Hollywood created its Indian characters Behind the scenes anecdotes of filmmakers and Native Americans as well as rare archival photographs supplement the discussion which often shows a stark contrast between depiction and reality The book traces chronologically the development of the Native American's screen image while also examining many forgotten or lost Western films Each chapter will feature black and white stills from the films discussed

The Top Books of the Year Long Lance The True Story Of An Imposter The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
