D'Adamo,2011-12-08 Some sort of battle fatigue fairly common with soldiers returning from Korea It should take care of itself over time the camp psychiatrist assured him Jack Rossi wasnt so sure but wasnt overly concerned He was finally back from his tour of duty and had plans to make places to go Places that didnt include the area in Massachusetts where he grew up but fate had other plans It is almost Christmas but neither the holidays nor the familiar surroundings where he now finds himself can protect him from the unexplained anxiety attacks that continue to intensify or the very real dangers that threaten his life Love redemption and his very survival are at stake But answers prove allusive and explanations require a faith that Jack doesnt possess **The Long Road Back to Arnhem** John Sliz,2018-12-28 After their famous evacuation of the 1st

**The Long Road to Nowhere** Mark Jones,2009-05 One day while sitting on a park bench Mark was asked by an old man Why do you do what you do Why do you work where you work or live where you live Whether we agree or not life really is about a series of paths and decisions whereby even one small change can alter our lives forever We usually want to blame others including God for our decisions Only by examining the paths we have taken can we really see where we re at It is only when we look deep within ourselves we discover that as writers singers musicians interior decorators or even truck drivers we all have gifts Having them is not to question rather it is WHAT WE DO WITH THEM that really matters Wherever your passions lie you can erase your doubts and restore your joy Just imagine yourself on a park bench

*A Long Road to Progress* Richard Hall,2010-08-13 Fascinating dispatches from a Kiwi Commander in Afghanistan As Commander of the New Zealand troops in the Bamiyan Province of Afghanistan Colonel Richard Hall gained a unique insight into the lives of Kiwi soldiers serving in a harsh climate amid daily threats as well as into the lives of the locals from the female governor trying to establish order in a patriarchal society to the farmer scratching a living from an inhospitable land to the orphaned girls destined to be sold into marriage at a young age He vividly and movingly recalls his experiences but also explains the vision he tried to implement on behalf of New Zealand He tackles the complex issues involved in an army that seeks to bring both aid and a Western way of doing things in a deeply Islamic country And he offers an astute perspective on working with New Zealand troops American soldiers corrupt Afghani officials intransigent aid organisations while tackling crippling poverty insurgent attacks impossible terrain and severe weather This is an important and fascinating view of New Zealand s role in Afghanistan

*The Long Road Home* William Craig,2021-05-07 The Long Road Home is a story about a young man who heads out west with a belly full of pride and self reliance only to fall headlong into foolishness and crash to the ground with his face in the mud There he learns the things that are really important Through repentance redemption reconciliation and restoration he learns that faith family and friends require love sacrifice and commitment Be not deceived God cannot be mocked what a man sows that will he reap Galatians 6 7

*The Long Road Home...* Richard McKenzie Neal,2009-11-18 By this point in our lives my target readers weve all heard the old adage You cant go home But what does it mean As life winds down and the drone of existence begins to wane I m feeling an intangible desire or need to reach back into my past and reconnect with a by gone time and people living and or dead It feels like an elusive melody that seems distantly familiar yet strange and unidentifiable If all the above sounds like a premonition

of the inevitable I agree and accept that my time is ticking away But its not about dying its about going home Im not afraid of dying but I do struggle with the reality that I will no longer physically exist I have to wonder if the term going home isnt a misnomer and maybe just maybe we were trying to return to Neverland Fridays With Landon When we were very young we searched for that elusive utopian community and studies have shown that in our declining years we slowly revert to our childhood Another line of thought is that its all just a mirage We know and accept that a man can be dying of thirst in the middle of the driest desert and his mind will anesthetize him by creating the illusion of an oasis If we can acknowledge that phenomenon the minds coping mechanism then it shouldnt be much of a stretch to reason that the elderly possess those same innate coping capabilities to ease their journey home Of course their mirage would be about going home not to a place but to another time What is the driver for this apparently universal pilgrimage I have to wonder even compare it to an addicts motivation The Path to Addiction one more trip down that path of pleasant memories even as the host is being sacrificed

**Long Road Home** Yong Kim, 2009-06-19 Kim Yong shares his harrowing account of life in a labor camp a singularly despairing form of torture carried out by the secret state Although it is known that gulags exist in North Korea little information is available about their organization and conduct for prisoners rarely escape both incarceration and the country alive Long Road Home shares the remarkable story of one such survivor a former military official who spent six years in a gulag and experienced firsthand the brutality of an unconscionable regime As a lieutenant colonel in the North Korean army Kim Yong enjoyed unprecedented privilege in a society that closely monitored its citizens He owned an imported car and drove it freely throughout the country He also encountered corruption at all levels whether among party officials or Japanese trade partners and took note of the illicit benefits that were awarded to some and cruelly denied to others When accusations of treason stripped Kim Yong of his position the loose distinction between those who prosper and those who suffer under Kim Jong il became painfully clear Kim Yong was thrown into a world of violence and terror condemned to camp No 14 in Hamkyeong province North Korea s most notorious labor camp As he worked a constant shift 2 400 feet underground daylight became Kim s new luxury as the months wore on he became intimately acquainted with political prisoners subhuman camp guards and an apocalyptic famine that killed millions After years of meticulous planning and with the help of old friends Kim escaped and came to the United States via China Mongolia and South Korea Presented here for the first time in its entirety his story not only testifies to the atrocities being committed behind North Korea s wall of silence but also illuminates the daily struggle to maintain dignity and integrity in the face of unbelievable hardship Like the work of Solzhenitsyn this rare portrait tells a story of resilience as it reveals the dark forms of oppression torture and ideological terror at work in our world today
