Long Time Ago Today:

It Was a Long Time Ago, and It Never Happened Anyway David Satter, 2011-12-13 A veteran writer on Russia and the Soviet Union explains why Russia refuses to draw from the lessons of its past and what this portends for the future Russia today is haunted by deeds that have not been examined and words that have been left unsaid A serious attempt to understand the meaning of the Communist experience has not been undertaken and millions of victims of Soviet Communism are all but forgotten In this book David Satter a former Moscow correspondent and longtime writer on Russia and the Soviet Union presents a striking new interpretation of Russia's great historical tragedy locating its source in Russia's failure fully to appreciate the value of the individual in comparison with the objectives of the state Satter explores the moral and spiritual crisis of Russian society He shows how it is possible for a government to deny the inherent value of its citizens and for the population to agree and why so many Russians actually mourn the passing of the Soviet regime that denied them fundamental rights Through a wide ranging consideration of attitudes toward the living and the dead the past and the present the state and the individual Satter arrives at a distinctive and important new way of understanding the Russian experience

My Hennessy Family History and Memoir Sister Lucy Hennessy SMG, 2018-10-26 Sister Lucy Hennessy, a member of the Servants of the Mother of God, became interested in her family history after her parents died. With both of them gone, she wanted to connect with the relatives that walked the roads she walked, prayed in the church she prayed in, and who in some cases went to the school she attended. What were their names? Where were they born? What were their hopes and dreams? She explores those questions and more in this family history, revealing a hardworking Irish Catholic family who lovingly and courageously passed on the deeds of the Lord. His power and the wonders He has done. They toiled and labored in difficult times and lived out their lives doing routine tasks. They were men and women like us who lived ordinary lives and struggled with ordinary problems and in some cases very difficult problems. This book presents a history including documents and photos of the author's parents, Patrick Reardon Hennessy and Annie Murphy Donovan, their parents and grandparents, and sketches of other family members.
