Project-Based Second and Foreign Language Education Gulbahar H. Beckett,Paul Chamness Iida,2006-09-01 Dewey's idea of Project based Learning PBL was introduced into the field of second language education nearly two decades ago as a way to reflect the principles of student centered teaching Hedge 1993 Since then PBL has also become a popular language and literacy activity at various levels and in various contexts see Beckett 1999 Fried Booth 2002 Levis Kobayashi 2003 Luongo Orlando 2001 Mohan Weinstein 2004 For example it has been applied to teach various ESL and EFL skills around the world e.g. Fried Booth 2002 More recently PBL has been heralded as the most appropriate approach to teaching content based second language education Bunch et al 2001 Stoller 1997 English for specific purposes Fried Booth 2002 community based language socialization Weinstein 2004 and critical and higher order thinking as well as problem solving skills urged by the National

Research Council 1999 Despite this emphasis there is a severe shortage of empirical research on PBL and research based frameworks and models based on sound theoretical guidance in general and second and foreign language education in particular Thomas 2000 Also missing from the second and foreign language education literature is systematic discussion of PBL work that brings together representative work identifying obvious gaps and guiding the field toward future directions This first of its kind volume bridges these obvious gaps through the original work of international scholars from Canada Israel Japan Singapore and the US

Teaching Adult Immigrants with Limited Formal Education Joy Kreeft Peyton, Martha Young-Scholten, 2020-07-07 Adult migrants who received little or no formal education in their home countries face a unique set of challenges when attempting to learn the languages of their new countries Few adult migrants with limited or no literacy in their native languages successfully attain higher levels of literacy in their additional languages even if they attain high levels of oral proficiency This book the result of a European and United States wide collaborative research project aims to assist teachers working with adult migrants to address this attainment gap and help students reach the highest possible levels of literacy in their new languages The chapters provide the latest research informed evidence on the acquisition of linguistic competence and the development of reading in a new language by adults The book concludes with a chapter that addresses the challenges and opportunities faced by this group of learners and their teachers with specific instructional strategies that can be used The book will be an invaluable resource for teachers tutors and training providers as well as volunteers who work with adult migrants
