out in the wilderness for days on end bugs and bears and no internet or sushi bars To my surprise I kind of liked it To my further surprise I found myself wanting to linger around our tour guide Bain He s a rugged outdoorsy type not the kind of guy I ve ever found attractive But he was so good at what he did just tough and rugged and unafraid of anything Who doesn t find confidence and competence in a man attractive Regardless while I am going back out to Idaho to attend a wedding and some small part of me wants to see Bain again the bigger more sophisticated part of me knows that there will never be anything between us unless of course The Snowstorm of the Century happens to occur while I m there and we take a snowmobile ride get lost find our way to a remote cabin and ride out the storm in blissful or not so blissful seclusion But come on what are the odds of that happening Bain Pretty good it turns out Back east I ve heard they call those late spring snows sugar snows because of the maple syrup and such For me here in Idaho I just call it what it is perfect timing for me and my sweet snowstorm
