**Looking Backward** Edward Bellamy, 2020-12-01 Julian West is an aristocrat in 19th century America. He has all that he would ever need: a happy engagement, wealth, and a pleasant place to live. Because of his comfortable place in society, Julian is unsympathetic to the plight of the middle and lower class and even looks to their protests and strikes with disdain and contempt. One day to calm himself, he decides to be put in a hypnotic sleep by his doctor in his own underground bunker. This was routine for Julian, but when tragedy in the form of a fire strikes, Julian is presumed dead and left in the bunker. A century later, Julian is found but wakes to a world he could never predict. With the help of the man that found him, Doctor Leete, and Leete's daughter, Edith, Julian becomes familiar with the 20th century American reality of equality between the sexes, the abolition of poverty, free education, and fair working conditions. Julian must then accept, recognize, and change his unempathetic views of the past, now understanding that life is better when people of all genders, classes, and races can be happy. But when Julian finds himself back in the 19th century, he struggles to convince others of his knowledge and starts to wonder if the ideal 20th century was all a dream. *Looking Backward* was one of the most commercially successful novels of the 19th century, and upon its publication, it inspired mass political movement. With the portrayal of the 20th century, Bellamy advocates for equality and rejects war and capitalism. By depicting a happy working environment where citizens had the freedom to choose their occupations, receive fair wages, and are able to retire at a reasonable time, Bellamy raises awareness for the working class. *Looking Backward* has since inspired the ideology of socialism and proposes solutions to problems that America still struggles with today. This edition of *Looking Backward* by Edward Bellamy features a striking new cover design and is reprinted in a readable font. With these changes, the compelling plot and insight of *Looking Backward* is accessible and worthy of conversation.

**Whisky And Wishes** Donna Grant, 2020-12-07 Return to New York Times bestselling author Donna Grant's Dark King world for a special holiday novella. Finally free of the dangers surrounding him and the burden of pining after his mate, the King of Dragon Kings is ready for some peace time to enjoy the woman he loves without interruption. Sure, the matter of accessing the clans across the Dragon Bridge still looms, as does the ultimate Fate of Con and his brethren. But for now, Con plans to enjoy the people he loves and celebrate the holidays with those closest to him. Why borrow from tomorrow's problems when the time comes to confront what's next, they will do it together.

**Across the Luminous Realms and Other Tales from Legends, Myths & Fantasy** Chaitali Sengupta, 2024-12-22 Chaitali Sengupta has produced a fluent and easy-to-read translation of two collections of stories that have long remained in the shadows, even among Dutch readers. Without adopting all of Couperus' archaic turns of phrase, her translation nowhere feels forcedly modern. In doing so, she has done Couperus' text full justice.
