Any Child Can Read Better Harvey S. Wiener,1996-05-16 Reading however fundamental the task may seem to everyday life is a complex process that takes years to master Yet learning to read in the early stages is not an overwhelming problem for most children especially when their classroom learning is coupled with a nurturing home environment in which reading is cherished and pencil and paper are always available and fun to use In fact studies have shown that children score higher in reading if their parents support and encourage them at home Unfortunately though many parents want to involve themselves actively in their children's education very few know just what to do Now Dr Harvey S Wiener author of the classic *Any Child Can Write* provides an indispensable guide for parents who want to help their children enter the magic realm of words In *Any Child Can Read Better* Second Edition Dr Wiener offers practical advice on how to help children make their way through the maze of assignments and exercises related to classroom reading In this essential book parents learn how to be reading helpers without replacing or superseding the teacher by supporting a child's reading habits and sharing the pleasures of fiction poetry and prose Home learning parents also will find a wealth of information here Through comfortable conversation and enjoyable exercises that tap children's native abilities parents can help their child practice the critical thinking and reading skills that guarantee success in the classroom and beyond For example Dr Wiener explains how

exercises such as prereading warm ups like creating word maps a visual scheme that represents words and ideas as shapes and connects them will allow youngsters to create a visual format and context before they begin reading He shows how pictures from a birthday party can be used to create patterns of meaning by arranging them chronologically to allow the party s story to emerge or how they might be arranged by order of importance a picture of Beth standing at the door waiting for her friends to arrive could be displayed first Beth blowing out the birthday cake placed toward the middle of the arrangement and the pictures of Beth opening her gifts especially the skates she s been begging for all year would surely go toward the end of the sequence Dr Wiener shows how these activities and many others such as writing games categorizing toys or clothes or favorite foods and reading journals will help children draw meaning out of written material This second edition includes a new chapter describing the benefits of encouraging children to keep a journal of their personal reactions to books the value of writing in the books they own underlining writing in the margins and making a personal index and a variety of reading activities to help children interact with writers and their books Dr Wiener has also expanded and updated his fascinating discussion of recommended books for children of all ages complete with plot summaries Written in simple accessible prose Any Child Can Read Better offers sensible advice for busy parents concerned with their children s education

The Way You Look Tonight Bella Andre, 2014-01-01 The Way You Look Tonight is the best book I've read in a long time Wonderful characters hot love scenes and lots of heart 5 stars As a successful private investigator who has caught most of the cheaters in Seattle with their pants down Rafe Sullivan believes true lasting love only happens once in a blue moon Needing to get away from the city to clear his head he finds the lake house where he spent the best summers of his life is now a wreck but the sweet girl next door is all grown up and prettier than anything he's ever seen While Brooke Jansen is happy making and selling chocolate truffles in her small Pacific Northwest lake town she secretly longs to experience something wild So when her favorite Wild Sullivan moves in again next door after more than a decade away and sparks fly between them she can't stop wondering if being bad is really as good as it always seemed and just how long it will be before she can find out But when their summer fling quickly spirals into deeper emotions than either of them were expecting can they survive the heat between them Or will Rafe make the biggest mistake of his life and end up losing the best thing that's ever happened to him

THE WAY YOU LOOK TONIGHT is part of Bella Andre's USA Today and New York Times 1 bestselling series about The Sullivans While it can easily be read as a stand alone story you'll likely enjoy reading the other books too Some love stories are just so special The Way You Look Tonight is one of the very best I absolutely loved this stunning story and highly recommend it A wonderful sizzling tale of love Bella Andre has done it again Bella Andre knows love every nuance feel spice and ingredient that makes up that illusive emotion And she describes the physical passionate part of it with reckless abandon and heart clashing adoration and thunder

Another amazing book by Bella Andre The Way You Look Tonight is a beautiful love story that checks all the boxes for the true romantic This story was everything a romance novel should be It was awesome Well written storyline with believable characters that you can enjoy and root for The Way You Look Tonight restored my liking of romance novels again Highly recommend it I love Bella Andre's Sullivans I have read them all multiple times and I can't say enough how happy I am that there is a whole new branch of stories If you love romance as much I do you'll love this book
