The Look of a Woman Eric Plemons, 2017-07-27 Developed in the United States in the 1980s facial feminization surgery FFS is a set of bone and soft tissue reconstructive surgical procedures intended to feminize the faces of trans women While facial surgery was once considered auxiliary to genital surgery many people now find that these procedures confer distinct benefits according to the different models of sex and gender in which they intervene Surgeons advertise that FFS not only improves a trans woman's appearance it allows her to be recognized as a woman by those who see her In *The Look of a Woman* Eric Plemons foregrounds the narratives of FFS patients and their surgeons as they move from consultation and the operating room to postsurgery recovery He shows how the increasing popularity of FFS represents a shift away from genital based conceptions of trans selfhood in ways that mirror the evolving views of what is considered to be good trans medicine Outlining how conflicting models of trans therapeutics play out in practice Plemons demonstrates how FFS is changing the project of surgical sex reassignment by reconfiguring the kind of sex that surgery aims to change , Life in Tune with Bhairavi Paroo Das, 2014-02-21 A rebel in her own quiet way Tracy Austin was never one to sit silently by and let others dictate her life A passive yet strong willed young woman she did not let her upbringing in a traditional Brahmin household keep her from challenging customs and traditions In many ways she was a victim of circumstances but she found the strength to hold her ground when events overtook her As a child she played in the foothills of the Himalayas where she blissfully chased butterflies and rainbows Her two best friends Chotu and Chandini were two tame elephants and her favorite partners in spirited games of hide and seek Her relationships were complicated Tracy wasn't sure if she even understood what love meant when much of what she had experienced was so painful When she is reunited with Mark a young man who further confuses her definitions and expectations she dares to dream of a new beginning But on what should have been one of the happiest days of her life her world is ripped apart As she is giving birth an offhand comment made by a doctor reveals something she never knew about her own parentage Tracy is devastated Can she find the courage and strength to move forward with her dignity and hope intact *The Dawn, a Church and home journal* , 1885 **The American Chatterbox** , 1882 *American Illustrated Magazine* , 1886 *Children's Book Review Index* , 1985 **Witch and Wombat** Carolyn Cushman, 2009-09-26 A magic realm is set on a collision course with wackiness when a witch and her wombat sidekick guide an assortment of tourists from the mortal world through an enchanted forest they think is merely a high tech amusement park The Lonely Hearts Club Elizabeth Eulberg, 2010-06-01 Love is all you need or is it Penny's about to find out in this wonderful debut Penny is sick of boys and sick of dating So she vows no more It's a personal choice and of course soon everyone wants to know about it And a few other girls are inspired A movement is born The Lonely Hearts Club named after the band from Sgt Pepper Penny is suddenly known for her nondating ways which is too bad because there's this certain boy she can't help but like **Jennifer--Spiral Up to Murder** Dennis Lassi, 0-595-20186-5, 2001-10 Jennifer Spiral up to Murder

Carstensen, 2018-08-25 In 1914 the two largest firms in Russia were subsidiaries of American companies Remarkably they were almost as large as their parent companies striking testimony to the potential of the underdeveloped Russian market Fred Carstensen provides detailed histories of the movement of International Harvester and Singer into this new profitable and somewhat forbidding territory Describing how both sales organizations evolved in Russia Carstensen relates their development to overall company histories worldwide growth changing sales strategies and structures recruitment and training of employees and corporate leadership in America and abroad He finds that both firms entered the Russian market because they needed new outlets to sustain high levels of production and sales Although there are parallels in their experiences Carstensen identifies how the responses of the two corporations differed reflecting the varying strategies and perceptions of company management Together the case studies provide a test for many of the supposed qualities and patterns of Russian economic history Contrary to accounts of the experiences of other companies these firms found the Russian market remarkably rich developing a level of sales that might have surpassed the American market if war had not erupted In contrast to the standard view of foreign enterprise neither company came to Russia because of government invitation or influence but rather because of the intrinsic attractiveness of the markets and neither firm found the government bureaucracy graft ridden or the customers dishonest Carstensen shows that International Harvester and Singer Sewing Machine clearly influenced Russia in a positive way Both trained large numbers of Russians in modern industrial and marketing procedures and both provided an extraordinary volume of credit on comparatively easy terms to encourage purchase of their products Indeed the success of their approach suggests that Russian economic development may have been limited not by weak aggregate demand but by the relative absence of sources of credit Originally published in 1984 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Second Chance for Love Nancy Pennick, JT Adeline, D.
