***Dinosaur Hearts*** Z.Z. Lakehouse, Kiri had a reason to be happy He had found his first new friend at the herd The name was Begi and they got along well Things looked like they were about to change in his life for the better but the real adventure is just beginning Kiri and Begi became good friends spending lots of time together with Mia lurking around quietly watching them Mia was a mammal that lived on the trees catching bugs and lizards as her prey She

lived by herself and so it was for her own survival that she became very cautious of her surroundings. She came across as a cold and aloof creature but yet Kiri had a certain fondness towards her. He hoped that she could be their friend too. However, Kiri has not yet understood the power of the living thing constantly beating inside his chest. He realized that it is in some way connected to his moods. It could fill him with joy and other times make him anxious or restless and uncomfortable. He did not know it was something called the Heart and he did not know what it could do or what was its purpose. His compassionate Heart speaks to him directly to his head. He could hear the voice of the Heart in his head and through it Kiri would continue to spread his love and kindness to all creatures regardless of how they look. It is no surprise that Kiri's tender Heart made him take the first step in doing something that he had never done before. Grandpa Pachy was the closest family Kiri ever had. Old and wise Grandpa Pachy watched Kiri grow and noticed the changes in Kiri, especially Kiri's physical appearance that was looking more and more like a meat eater. This caused the other dinosaurs in the herd to grow more suspicious of Kiri. Grandpa Pachy was spiritual and always conscious of the changes happening in the world around him. He knew something about Kiri that the other dinosaurs didn't. He knew Kiri was special but he understands that being special usually comes with a bigger purpose. He was not entirely certain of that purpose and how it relates to other dinosaurs in the herd as well as in the rest of the world. So he meditates to find the answers. In the next chapters of this book a little bit more is known about what Grandpa Pachy saw in Kiri. Also more was revealed about the evil and terrifying Genggan. Genggan and the herd had actually crossed paths in the past. Kiri would not forget his recent encounter with Genggan the Basilisk in that underground cave. Kiri must tell Grandpa Pachy about Genggan before something bad happens. But would Grandpa Pachy and the rest of the herd believe him? Would they trust him? Doubts set in and his beating Heart beats faster everytime he thinks about it making him anxious and uncomfortable. Finally at the end of this book Kiri would meet for the first time another new species that would also play a major part in his journey towards his true calling.
