Look At It This Way Different Perspectives On Christian Living:

Look at It This Way Jack McArdle, 2005 A personal theological exploration of the afterlife The Gift of Purpose J. Alexander Rutherford, 2020-12-18 Many writers and commentators are convinced that Western culture and society are unravelling Who can blame them As I write this violent protests rage across the USA in response to senseless murders The political sphere has never seemed to virulent and a deadly epidemic has affected all our lives Many are agreed that there are serious problems working themselves out in Western society yet among Christians there is little agreement over the approach we should take to the West and its problems This issue how Christians should approach engagement with culture is not a new one nor is it a uniquely Western issue Christians in every age and in every culture are confronted with this question In response to many today who see it as the Christian responsibility to save the West to preserve its unique cultural heritage and achievements this author argues that our lives in this world need to be governed by three theological themes ecclesiology soteriology and eschatology That is we must prioritize the local church engage with society with the understanding that earthly kingdoms are manifestations of Satan s kingdom and live in light of Christ s imminent return

The Pursuit of Meaning Benicia Masangu, 2022-07-12 The book is a simplified and structured way of understanding the reason for the complex journey of life on earth as God sees it and the presentation of the path that leads to meaning and redemption Worldview as Worship Eddie Karl Baumann, 2011-08-01 The goal of many evangelical educators is to facilitate biblical thinking and the worldview transformation of their students Yet aside from upholding a set of moral behaviors or maintaining positions on issues perceived to be Christian the goals and aspirations of most evangelical young people differ little from their unbelieving peers As George Barna has noted We have a generation coming up that isn t looking at Christianity to answer spiritual concerns We either change or we lose them Worldview as Worship contends that the approach taken by most evangelical educators to the issue of worldview transformation has neglected to address two fundamental components of worldviews First that our initial worldviews are not philosophical systems but rather faith dispositions and that worldview transformation cannot simply present the biblical worldview as a more rational or logical system but must address issues of the heart as well as the mind Second unlike philosophies that are individual worldviews are communal and are learned and transformed within the context of community practice Appealing to Paul s teaching in Romans 12 1 2 Worldview as Worship approaches the renewing of your mind as the result of the believer s presentation of themselves as a holy sacrifice which is your spiritual service of worship The book advocates an approach to worldview transformation that focuses on believers as apprentices rather than simply as students an approach that holds true to the biblical model of discipleship As a result worldview transformation works best when the application of faith to the issues of learning and life are modeled by the faith community and where students are given the opportunity to put faith into practice

Augustine on the Christian Life Gerald Bray, 2015-10-14 Augustine is widely considered to be one of the most

influential theologians of all time and stands as a giant among giants in the history of the Christian faith. However, while many Christians are familiar with the broad strokes of his theology, few readers today have explored the riches of his spiritual life. In this addition to Crossway's growing Theologians on the Christian Life series, renowned scholar Gerald Bray seeks to show us that Augustine is just as relevant today as it was in AD 430. Focusing on the North African pastor's personal transformation and dependence on the Word of God, Bray gives us a picture of this ancient hero of the faith that can sharpen and encourage modern believers. Part of the Theologians on the Christian Life series. Themelios, Volume 41, Issue 2. D. A. Carson, 2016-08-23.
