just a second and thinks I'm his estranged wife. Garrett looks at me in a way that I'll never forget. She's hands down the most beautiful woman I've ever seen. Nora could stop traffic. What's more, she's smart, hard working, independent, and she's the best single parent I've ever met. Her kid's dad is a pill, but I have to turn the other cheek with him around even though I know he'd rather see me crash and burn than see Nora and I together. I soon learn what lengths he'll go to to remove me from the picture. We'll see how far he gets. Trouble is, Nora sees him through a different set of eyes, and there is no convincing her that he is what he is. It's tough being the outsider in this three-person relationship, and sometimes I feel like Nora's daughter. Missy just puts up a front for me. I mean, what kid wouldn't want her natural father and mother to be together? Soon it's clear just how much that is true. HEA. Happily Ever After. Second chance romance. Medical romance. Military romance. Medium heat. Course language. Mild cliffhanger ending. Third book in a complete 5-book standalone series. An emotional story that grabs you from the beginning. The subject matter was dealt with brilliantly. I love the Ford brothers and their sense of family. Looking forward to reading Dalton's story. 5 Stars from Belinda Amazon reviewer. I am so in love with these books. Great read, well written. Just enough drama and romance to keep you interested the ENTIRE TIME. 5 Stars from Brooke Amazon reviewer. This book is another demonstration of the close relationship between the Ford brothers. Garrett finds the love of his life only to lose her due to a lie. His brothers support him through his pain. 5 Stars from rdcorder1 Bookbub reviewer. I LOVED this story about a second chance at love. Full of passion, heartbreak, misunderstandings, and family togetherness through tough times. It also touches on the effects of mental illness too. I really couldn't put it down. 5 Stars from Bella Gwyn Goodreads reviewer. So many twists and turns, the depth of emotions as the story explores many issues faced by couples and families, especially when adding in mental health issues and estranged parents. The power of family strength shines through all the Ford brothers books, and this is another incredible read. 5 Stars from Mandy Foley Goodreads reviewer.

Rhythm to My Beat Andrea D., 2017-06-20. Rhythm to My Beat by Andrea D. Last year a woman told me there would be a woman to teach me some things, and now I knew this unknown woman was Shai. Loving her has made me see that everything that glittered wasn't gold. In fact, sometimes the best treasureable women were found hiding behind a book or relaxing under a tree, writing the troubles of the world in ink. It never ceases to amaze me how Shai and I, so different, were so alike. We both lost something we thought was precious along the way, but found something even better in each other. We discovered the meaning of true love with a simple kiss. While I became the bold lyrics of her empty verse, she became the soulful rhythm to my beat. This is a romance novel about a woman afraid to experience the twisted cons of love until she meets a man who will show her the pros. Prepare to dive deeply into the world of Shai and Sincere.
